

Philadelphia, Penn.,
Oct. 10, 1870.

Maj. Genl. O. O. Howard,
President of Howard University,
Washington, D.C.

My dear General:

I regret that when President Royce of Liberia and myself called at the University last month, we failed to see you, and I regret also that when I called to take leave of President Grant last Friday, you were in Phil^a. I sail for Hayti next Saturday.

But I write this note to introduce to your favorable attention the bearer Mr. Joseph E. Lee. He is a graduate of the "Institute for Colored Youth" here, and purposes to study law in your

University. I bespeak for him
a cordial reception.

Mr. Lee is a very poor young
man. But you will find him
one of unexceptionable character and
excellent ability. I cannot commend
him too highly in these respects.

If you can aid him in any
way so that he may be able to
complete the law course at your
University, I assure you that you
will be doing a good work.

Yours very truly,

George D. Bassett

Dear Brother Howard -

Will you be so kind as to give me some information which I desire to obtain. I regretted, as I ought to have done, to take a memorandum of the amount of those two obligations for interest which I signed, in refer. to the Bonds. and I am not altogether clear as to what Bonds they applied. Did either of them relate to the \$1000 which I gave to the church? If so as I have not the Bonds, and my intention was to give \$1000 I suppose the accrued interest on those should be paid too by the bondholder should it not? If I have to pay ~~them~~ it while the church gets it, then that would be making me give to the church \$1000 - the face & the accrued interest which I did not intend & could not do.

Again, if one of the obly it is

I am at the office days but feel rather poorly & need a change of air to recuperate

applied to the Y. M. Ch. Apr
Bonds - then how an I to get
the accrued interest on them as
the transfer given me by H. D.
Cooke is dated Sept. 22. 1870 &
does not make any provision
as I see for accrued interest
back of that date -
I can understand about that
due to me & from one on the
Church bond which I hold, but
I do not understand, about the
other note I signed - Please
lighten me and may I request
to inform me also if I can reach
the money on the bond for
Church of Y. M. Ch. Apr. - then
work as I am expecting to go
to four. Early next week, God willing
I think be glad to do so as early as
possible as it is necessary for
I gain the advantage I will
in an investment - it must be by
the 1st of Nov. and the earlier the
better for me as to terms - I have
been quite unwell & was detained at
home last Sabbath & am not entirely
recovered - Will you pardon me for troubling
you so far as to ask you to drop me
line as soon as may be & let me know
about these matters - When can I see you at
the City of New York - Will you also ask Brother

Wichols if he will let me have a copy of the list of people I re-
quired of him by letter sent May 1870 & if you sign my name to it

Major Gen: Howard.

My dear Sir

It may seem to be a small matter, but my sense of propriety will not be satisfied without a word of explanation from me. When you and Dr Rankin called at my room a few days ago your business was with Mr Kimball, and I did not feel called upon to extend to you any thing more than a friendly hand & exchange friendly salutations. When you called a second time, I was engaged in a conversation with the Rev Mr Mettels on a matter of interest

to the church, and not dreaming
that your visit was intended
for me, but for Mr Hambell,
I did terminate my conversation
with Mr de Zalts, as promptly
as I most assuredly would
have done, if I had supposed
for a moment, that the call
was intended for me, and
that you were awaiting
my leisure. Knowing that
you are too generous to attribute
my apparent delinquency
to any want of respect, I have
not felt the necessity of a
more prompt & speedy explana-
-tion - Believe me, General,

Super et ubique
Your friend,

and obt. Serv.

Septimus Austin
alias Rev. Dr. Austin -

P.S. I hope you received the
note sent to you by son
I. P. Austin in relation to
the proposed University, for
both sexes, & that it was
satisfactory -

I have charge at present of
of the 15th St. Presbyterian
Church, (Colored) & do hope
you will make us a visit
and speak to our Sabbath
school on some Sabbath
evening as Prof. Langston did
on last Sat. night, very much
to our edification. Prof. L
will give you an account
of our meeting & I am sure
you will be gratified to
hear it.

Gen. O. O. Howard

Dr Sir,

I regret that I was absent from the house when Dr Rankin and yourself done us the honor to call. My wife's condition prevents my attending Church or the Association and seeing you at present and therefore respectfully venture a few lines to state my pecuniary condition for I imagine that this calls would have given me an opportunity to donate to relieving the Church indebtedness.

My Father had considerable property and a fine home that has been lost through many unforeseen ways and he and my mother must look to me alone for support and both are quite old besides I have a Sister and her little boy that have no property, to look after. all this in addition to my own family which

is increasing. I receive but \$1800 as Chief Bookkeeper
in Chge of Gov Loan, services worth \$2500 requiring much
business experience, correctness and great activity.

I do not see how I can contribute much to the Church
outside my pew rent, and I have been obliged to buy a
little house, to monthly pay to try to get my expenses
in the future reduced, God knows I wish to do all I can.

There is not a day scarcely that I do not give to some charitable
object and constantly some are after ~~words~~ to get places
and help, so that I am on the more most of the time.

I had a thorough mathematical education and
as draftsman for the profession of Civil Engineer
which I followed for many years in responsible positions
on R.R. Roads and otherwise, once under Gov Davis in
P. M. General, was engaged also as Surveyor on the
frontiers in the West and also as Chief Bookkeeper

and Teller in several Banking Houses
being engaged in responsible position in the
House with which Senator Hoar is connected
was confidential Clerk to Gen Saunders & in
his Bank. My family one of the oldest and best
in New England but here I am a dog
almost, no prospects & on a small salary.

I expected the position of Disbursing Clerk of
the Treasury at \$2600 in place of a Johnson supporter
who denounced Gen Grant notoriously, place promised
yet this copperhead retained which the President
ought to know. I am backed very strongly by
Senators Hoar, Howell, Grimes, Comptroller Hubbard,
Gen Spurr, US Treasurer, Patterson ass Treas at N.Y.
Gen Belknap secy of War, H. Auditor, Comm
Int Rev Delano, Solicitor Smith Judge Sargent
my relative H. J. Wilson and also by every member
of Congress from the state of Iowa and almost every
man of note in the West all of whom I know personally
there for years. I can't see how Secretary Boutwell could
put aside such influences when repeatedly urged as he
has been - The newspapers may ascertain after a while.

If however such influences don't get the place I don't
wish it and am resigned yet much disappointed.
I have Sir troubled you with all this that you may know how
I am situated pecuniarily and why I have not been forward to answer
as I could wish to do. I am Sir with great Respect yours truly F. A. B. S.

The programme for the annual meeting is intended to be somewhat different from the past. We wish to have a plan in our own minds - though not announced - that will enable us to give a little more system to the exercises, as well as to imitate the Am. Board in giving making the meetings in the day time as well as the evening, attractive. We shall probably therefore put your speech of say 30 or 40 minutes into Thursday A.M.

One thing more. As Moderator of the New Jersey Conference of Cong. Churches you will of course be present at the next meeting. You have been doubtless apprised that you are requested to speak in behalf of the A. M. A. at the closing Missionary Meeting. We most cordially second that invitation, and urge it upon you. Dr's Burdington and Galick will also speak on that evening. You can use the substance of the Lawrence (Annual Meeting) address

on that occasion - arranged perhaps. Hoping for the pleasure of greeting you at both these meetings, I am with much respect and love, yours to
M. E. Stieby.

P. S. Any compensation for these addresses that you may deem right, we will of course, cheerfully meet.

Dr. Bro.

I have been down to see Col Eaton this morning - and he cannot help me out of my difficulty - nor does he afford me any encouragement for the future. He informed me, he supposed you had some conversation with Mr. Cook in relation to our Bonds. Can we get \$1000. of him? We ought & must have that amt to pay Int. on Richmond Bonds (\$600.) and also to pay some Bonds that have been presented to me for pay. If I could get \$500. to day it would relieve the Treasury very much. I paid the Protest out of the Court funds, but shall want that in a week or two. Please inform me by answer. Truly yours &c
