My Dear General

Dear Sir;

I have seen
Mr. Dams M.C. and
urged the need of passing
a deficiency bill for the
Bureau R.F. & A.C.

He spoke very cordially
about it: said he would
be glad to do anything
in his power for you: could not
speak with any
certainty of the prospect

give his support to you
I think he regarded
the chance of a bill as
a fair one - believed there
might be some opposition
but - but was ready to try
and put it through.

If you get at him
in good season, before
the rush of work is upon
him, while he is fresh,
I feel confident he will
push a deficient bill
with all his might.

Yours respectfully
S. A. [unclear]

Gen. W. Howard:
Dear Brother in Christ;

May the Lord abundantly
~~and~~ bless you in addressing
the "General Missionary
meeting" on the evening
of the 27th inst, at
Jersey City, N. J.

I cannot be present.

I will thank you to present
my Christian regards to
all who may assemble.

In varied forms of effort,
I have been engaged in
missionary work in Va.
since July 11th, 1863.

I meet with teachers: they
awaken in my mind
an increasing love for the
work. I know that they
must all ultimately
aid the holy cause.

I am cured of relying
so much on Northern
emigration as I ^{did} at first.

Some come from the
North too belligerent.

Some come apologising
for slavery and the
rebellion.

Some come seeking office
who are unfit for it.

Some, (who mean well,)
come with such ^{repulsively} ~~rightly~~
sectarian ideas, that I
dread to meet them.

Some - seeing this extreme,
come with the other ex-
treme, and are so

amazingly "liberal"

that they have no
aim by which to con-
centrate efforts.

They wish to be regarded
as Christians - though they
do not recognise, as

we do,
"Christ and His Cross".

I welcome real helpers from North or South.

I have had much of the
experience of relying on
persons for aid who have
sadly disappointed me.

I have been cheered by others
who were once bitter oppo-
nents. By all this

I am learning, (I hope)
to trust more and more
in the promise of the
"One Lord Jesus Christ,"
"Lo, I am with you!"

Dear Sir. Your attention is respectfully called to the in-
 closed slip - The cold weather is fast approaching and
 all the other necessaries of life are very much need-
 ed at the Home. The managers wish to obtain twenty
 subscribers, who will contribute five (\$5) dollars each
 for one month — for one year will you make one of
 the number, or in any other way aid in the good
 work, if so please send your contribution to the

Oct. 20, 1870

Dear Sir,
I have a very interesting
letter from the
President of the
Board of Trustees
of the West Ferry
School. He says
that the school
is in a very
prosperous
condition and
that the
pupils are
making
great
progress.
I am glad to
hear of this
and hope that
the school will
continue to
improve.

our Court adjourned without
business this day, all the
members not being here I
fear it will take ten days
at least - We have one
troublesome member who
raises many objections. I
wish you could join me - The
days are longer here than at
home - Mr O'Maker & Mic. O'Neily
are dead - Mr Stewart gone - all the
rest is apparently unchanged -
I have seen only 9 the Professors
yet, except Prof. Church - Mr ~~Coffey~~
keeps both holds now -
I hope all are well at
home & that Little Walter
is better - Aff. Mr. Munn

My Dear Sir

You will remember, I called upon you, last Febry. Visited the institute in company, with Mr & Mrs Wm S. Huntington & My wife. and at that time you spoke to me about two Chinamen who had just entered your School, saying that Plymouth Sunday School had pledged themselves, to support or to contribute a certain sum to the support of these two students. or if I recollect right

you said the school had
pledged a certain amt.
& you would require, about
as much more, & wished me
as a member of Plymouth
Church, to bring the matter
before the Society in some
way & get the balance
or the full amt. required
I told you, I wished
& that I had no doubt
the amount would be
made up, & I remember
that I assured you, that
you need have no anxiety
about the matter, for I was
sure the amount would
be raised & sent to you
Well now, I saw Mr
Halliday at once, made
it my business, as soon
as I got home, mentioned
the matter to him, & he said

at once, that there was some
mistake about it. that the
school made no pledge
& I think he felt as if
he may have given you
the wrong impression, or
that you may have misunder-
stood him. & he referred me
to Capt Duncan, the Supt.
of the school, I called
on the Capt or met him
in the lecture room
& brought the matter before
him, & he said the
school had made no
promise of the kind &
furthermore, that they
were unable to do anything
having their hands full
& he Capt Duncan
said, that he had talked
with Mr. Beecher, that very
evening, about calling

on the Church for help
for certain objects &
it was thought best
in view of the urgent &
pressing demands upon
the Church & Society, they
could not call upon
it for anything else
she threw such a
damper over me, at
once, that I have not
been able to do anything
about it. I have understood
that he has visited you
since that time, & I
hope that the matter
has been talked over
with you & thoroughly
understood.

I wish that I was
able to send you the

amt. for I consider
the object, so worthy
& important, & the work
you are engaged in.
So full of hope, promising
so much fruit, but
I am not, and I regret
that I have not succeeded
in doing, as I thought
I could, & as I assured
you I would. Please
let me hear from you
if anything has been
done about it. I would
willingly contribute, to the
fund, my mite, but have
not spoken to the Supt.
since, for as I told you
he assured me, of the
inability of the school
to do anything towards
it. I hope to hear from
you, that provision has

been made for the two
young men, so that you
are relieved of care &
trouble about it. I will
gladly send you \$25.00 twenty
five dolls, sometime during
the winter, about Christmas
if you will accept of it. *
Believe me, that my
heart is with you, in
your good work & I
pray that you may be
greatly prospered &
blessed.

Genl. O. C. Howard

My Dear Sir:

Though buried in work, for

I am writing the history of the Franco-German war for Colleton, I take to drop you a note in regard to the Cadet matter. I have searched in vain for one of my letters to Mr. Lee which gives the truth as I saw and heard it relative to Smith's treatment. I can not find it, but I send you an other and in allude to the point.

In the letter which I can not find I said

"Today while on dress parade, unable to speak or turn his head I heard a cadet, while he made a mean face call cadet Smith a low lived speckled nigger & a f---!" This I heard Gen. Howard, and I have the cadet's name. Now what is this boy to do? He can not bear any thing.

This court wanted in a confidence. The boys are willing to swear to any thing. By fair - or foul in the matter.

After the dress parade affair mentioned above I went to Smith's room and found him in tears. It was a solemn sight. I told him then if any cadet should spit upon him or they have done to knock them senseless. His late resentment was natural. He will tell you the truth about it. This boy is as truthful as any boy in the world. The other boys are against him. You are the one to discount the hatred of men. You have seen the negro abused. This is a case of persecution. Of course it is unpopular to defend

this side of the question; but General it is true.

Stand by the boy - if he deceives it could

The ~~press~~ press will stand by you.

This letter is confidential. Though you may show it to

my "sun" letters doubtless he has them.

THE HALF-MILLION FREEDMAN'S FUND.

AMERICAN BAPTIST HOME MISSION SOCIETY

GOD makes us to hear the pleading voices of four millions in the South, and of the uncounted millions of Africa beyond, who need, above all things, a well-trained ministry of their own race to guide them heavenward. Hence the Home Mission Society determined at its late Anniversary:

FIRST, to attempt the founding and endowing of one first-class training-school for preachers and pious teachers in each Southern State.

SECOND, to enter upon the raising of a permanent fund of \$500,000 for this purpose, to be expended in grounds, buildings, endowments of teacherships and scholarships, and in the purchase of libraries and apparatus—the endowment fund to be kept separate from the moneys raised for the ordinary running expenses of the schools, and carefully invested, the interest only to be used.

THIRD, to employ all proper means to attach the hearts of the colored people to these schools as rapidly as possible—assuring them in each State that the school is theirs, that they should assist in its management, send to it their pious youth and adults who desire to preach or teach, and contribute to its support.

At least \$100,000 of the \$500,000 named are already secured and invested in valuable school properties in the Southern States.

Another denomination, that, before the war, had scarce a church among the colored people of the South, is asking for half a million for this freedmen's work in one year! How modest then is our request.

FIFTY DOLLARS supplies plain food for one colored student for one year. If we had 5,000 fifties, we could easily have five thousand students. The interest of \$1,000 supports one student perpetually. A Church, a Sabbath School, a Bible Class, or an individual can easily raise \$50. Let alms and prayers go together. Inasmuch as ye do it unto one of the least of these, ye do it to Jesus. You would not deny Jesus were He here.

Drafts should be made payable simply to the order of the AMERICAN BAPTIST HOME MISSION SOCIETY.

JAMES B. SIMMONS, Cor. Secretary,
Room 12, No. 39 Park Row, New York City

Be sure to write "For Freedman's Fund." If not, it goes to the general work of the Society.

Form of Bequest.

If you would help these poor friends of Christ after you reach heaven, say in your will:

"I give and bequeath to the American Baptist Home Mission Society..... dollars for the Freedman's Fund of said Society."

Three witnesses should state: "We witness to this instrument, consisting of one sheet [or two], as the last will and testament of _____, by his [or her] request, in his [or her] presence, and in presence of each other."

Dear Mother -
I have come into
the Court room & am waiting
for the court to meet at 10.
We have word from the Secretary
to wait till 12 for @ Mr. Bainbridge
and if he does not come, then
to proceed without him - Yesterday
I changed quarters to Professor Kendrick's
and in the evening visited at Professor
Church's - The little boy is as big as
Francis - Mrs Church & Miss Church
enquired much about you & wished
you had come. Professor Bartlett, Miss
Lizzie & Mrs Java & Arding were
all ^{all} ^{wished} to know when you would
come - soon I went to the hotel -
Mr Mrs French, Miss Huntington -
were there - We had a very ^{very} pleasant

talk. Mr. Wrench is quite fleshy
(and seems like his old self -
wants me to tell about the won-
derful ~~balls~~ balls that I had in -
&c. They wish to know all they
could about our party, how many
& the names of the little ones -
I don't know how much I
could enjoy this visit if you
were here to look at the
little cottage or the gate - when
a young wife & two little ones
went to complete the picture -
that of itself made all other - this
to meet your eye on the path -
and the other cottage on the
bank - and when not - very plain now
talk to me of the park - I sat at the
mass tables filled with your officers
not one of whom I knew - it
made me feel as though I
was getting old - The court here

10 a.m. has arrived - No organized
and the work a mess till 12.4.
waiting for Bainbridge - I have
not yet found my way to the
court proper meeting - I'm much
worn for paper to all the
children - her Bairn's little
boy is six feet tall & I
heard him recite yesterday -

be called colored) Mr. Church says
has a good mind - His eyes
are not very strong -
