D. C.

Dear Sir:

My
Dear Pastor, Rev. Doct. Eddy, of Brooklyn
addressed a letter to you in reference
to a Temperance meeting to have been
held in his Church Nov. 29th. We
were disappointed and were obliged to
postpone our meeting from various
reasons. This meeting is one of
very great importance, and we hope
to open a wide field of usefulness.
There is a dearth of the Temperance element
in our Church. & Mission & this meeting
is to initiate a forward movement. We
expect to have the Rev. T. L. Bayler. & desire
if possible to obtain your services in connection
with him, for Tuesday evening next after
next. I cannot tell you how very important

this meeting is to the cause of Temperance
in our Society. And O, Sir permit me
to rely upon you, your presence, and aid
in this great work, by all that is pure
& exalting in the ~~our~~ cause of Temperance.

I beg that you will pardon the
freedom I have taken, and believe me
on behalf of the Temperance Committee
of the Young Peoples Association of our
Church

Most Respectfully Sir

Yours Very Truly

To Genl. Howard

In a spirit of commendable patriotism and liberality the Legislature of the State of Pennsylvania at the close of the civil war, ordered from our distinguished artist, P. F. ROTHERMEL, a picture of the Battle of Gettysburg, of such dimensions as would give a good idea of this great and decisive struggle. The picture is now finished. The friends of the artist, deeming his success so striking in the great work which he has conceived and executed, wish to present it to the public for the first time in such way as will mark the event as an epoch in American Art, and as an appeal to the patriotism of our people in all coming time. The picture, under the auspices of the Pennsylvania Academy of the Fine Arts, will be unveiled at the Academy of Music in this city, on the Evening of December, 20th inst., accompanied by appropriate ceremonies.

You are respectfully invited to be present on this occasion. If accepted, an early answer is requested, so that tickets may be sent you in due time.

I have the honor
to say that ~~two~~ or three days after you
requested General Whittier to say to Mr Cole
that you wished him Mr Cole to give to me
all the work of his Department necessary to
be done by a justice of the Peace, I called at
Mr Cole's ~~own~~ office and informed him
what your wish was &c, he said that Genl
Whittier had said nothing to him about the
matter. But that he would be candid
and say that my penmanship is so very
poor that he preferred to have Mr Callan,

nor sir to say nothing of the propriety of
giving the work of the Bureau in minority
to one of the Callans of Washington city.

or of the fact of my being colored debar
me from the patronage of persons who have
the kind of work referred to, and to say
nothing of the fact that I patronize the Law &
other Departments of Harvard University by my
money and influence, with a salary of \$3000.
per month and family of six persons to pro-
vide for, notwithstanding all this I claim
that there is not enough difference (in
favor of Mr Callan) between Mr Callan's &
my penmanship in signatures to justify
Mr Cole in his preference. I hope he
is as just as he seems to be fastidious
with reference to my poor penmanship,
which I confess I wish was better,

general thanking you sincerely for your
kindness in this and many former

efforts to get into favor with your

work to do, but sir with much love
and great admiration for yourself,
I am as ever your obedient servant

Dear General:

You probably remember selecting the plate something more than a year ago, which I delivered to you when I met you on the street near the "Times Office" in this City a few weeks since.

It is for use as the ^{above} "Condensed Plate tract" on the Sabbath is. — This is a kind of work by which ^{for} we ^{2^d} can reach an issue and distribution of a million statements of truth, any of which may be of eternally vital importance to souls. — The above (Blackstone &c) printed on a letter head from this office, resulted a few weeks since in closing the office of a prominent lawyer in the State of Mississippi on the Sabbath.

Please ^{use} your plate as soon as you can, & send us specimens of the ^{different} uses you make from time to time.

Carefully Yours in the best of bonds

Major Genl O. O. Howard,

Dear Sir

Our Assn has
fixed upon Sunday, December
18th, next, as the time for
holding a grand quinn meeting.
It will be in the evening and
the object is to set the work
of the Assn fairly before the
people and stir them up to
a sense of their duty to the
Government. We expect to
follow up the meeting by
personal application to our
citizens for financial aid.
This to be done thro' the week
whether any appeal will be

made at the time, I am
not as yet certain. We desire
to make this meeting a grand
success, as it will undoubtedly
be in point of numbers, all
or nearly all the pastors having
consented to close their churches
and preach a sermon in the
morning in the work of Young
Men's Ch. Lessons. My purpose
in writing to you is to invite
you most earnestly and cordially
to be with us on the 18th and
speak for about half an hour.
The time is so short now that
I fear we will be unable to
procure any one with more
than a local reputation, if you
can ~~not~~ come; but of course
that is our fault and not
yours. Will you not favor
us by your presence? There
will be one other speaker -

probably Rev. Dr. Tiffany, of
Newark. I think of no
mutual friend just now, to
whom to refer you as to myself,
unless it be Mr. A. G. P. Dodge
(son of Mr. C. Dodge) but he is in
Canada. I do not know whether
or not you know Mr. D. after all -
he was the first Pres^t of our
Assⁿ. If you can not
possibly come, will you please
telegraph me at once (at my
expense of course) directing to
No 111 Morris Ave, Elizabeth
N.J. But I, in common
with all our members, do most
sincerely hope you will not feel
obliged to give a negative reply.

Very truly yours

Dear Sir:

I was informed last evening, by my
Pastor, Rev. Doct. Eddy, that you had written
him you would not be able to come
out here at present to aid us.

Our meeting has been deferred
by request of Rev. T. L. Cuyler till
Tuesday Evening Dec. 26th. It being
Holiday week, will you be able to
be present at that meeting?

I neglected to say, that our Committee
would defray your expenses. I beg
to trespass thus much, by asking one
word of reply in order that we may
perfect other arrangements if you cannot
come.

Enclosed I send you
a slip giving a report of the a
friendly ovation to C.A. Washburn -
It was very flattery to him -
Mama was well represented, &
several were for Hallowell -
C.H. Chamberlain & Geo A. Morse,
son of Dr Morse, were among
the number -

Washburn's interests, retaining
were to live -

I suppose Lehar, is with
you - Tell him we have
heard of the safe arrival
of Mrs Fosdick & son
at Cincinnati Ohio -

All well - Rememb us all

Dear Sir:

I have read your statement before Committee on Education and Labor in defence against the charges preferred by Hon. Fernando Wood.

In this I shall take great pleasure in giving a careful perusal. I have never entertained any doubts as to your innocence.

Allow me, my dear Sir, to congratulate you on your triumphant acquittal. Desiring that you and your bro: Gen A. H. - are engaged in a noble work I feel a special interest in the Howard family.

I regret I cannot report favorably of Freedmen progress in Texas this year. They feel the depressing influence of the withdrawal of Pusey and the withdrawal of no of teachers from A. M. A. The Gregory Freedmen Academy at this place - Cape Breck building - cannot

Page 2) if properly supplied with ¹² teachers
be made a great success. I ought to
have at least four (4) teachers - but only two.

Please me for another suggestion.
A Periodical - weekly (or less frequently) for
the YOUTH of Freedmen, is much
needed. Cannot not such be
published at office of "New Era"?
The New Era is of rather too high a
grade of literary excellence to reach the
masses of Freedpeople of my age.
Please send me some
me some late copies of that paper.

Have you yet considered my
suggestion of the publication of a
series of tracts, specially written for &
suited to ^{the} Capacity of Massa People.

I shall be pleased, at any time,
to hear from you.

Worcester Dec 7,
General

Having been obliged
to give up my regular occupation
of book keeping on account of ill
health, I am making efforts
to obtain a position in the Custom
House, or some other Government
office, and I thought a line from
some of the Generals, with whom
I served while in the Army, might
be of some use to me, while pursuing
the affair —

I was clerk at Head. Qu. 2d
Div. 2d Corps for over two years,
and during that time eight dif-
ferent Generals commanded the
Division, with most of whom I
was thrown in direct contact, and
who would not have retained
me, had I failed to perform my

duty
nearly all our West Pointers —

Of these, General Sedgwick and yourself were the most prominent, and subsequently Commanded Corps, but General Sedgwick having fallen on the field, like the brave soldier that he was, can of course do nothing for me, though at one time he did give me a recommendation for a Commission, but which I never used on account of a fit of deafness (to which I was subject) coming on, and effectually precluded me from service in the Corps —

I have no knowledge of the whereabouts of any of the Generals of the Regular Service, with the exception of yourself, who are generally pretty prominently before the public, and therefore venture to trouble you in the matter, hoping to receive a reply —

of
you a line, at the time the finding of the Court Martial in the case of Cadet Smith at West Point, was given to the public, as I regard the indiscretion of which he was guilty, as the result of a long series of assaults, and covert petty persecutions, more aggravating, and harder to bear than open insult.

As I have ever believed that all men are, or should be, free and equal I was much pleased with the result, for it certainly can not be expected that a school boy should show a more Christian spirit, than a greater courage over his trumpet, than veterans of many a battle field, high in rank in the Army and Navy.

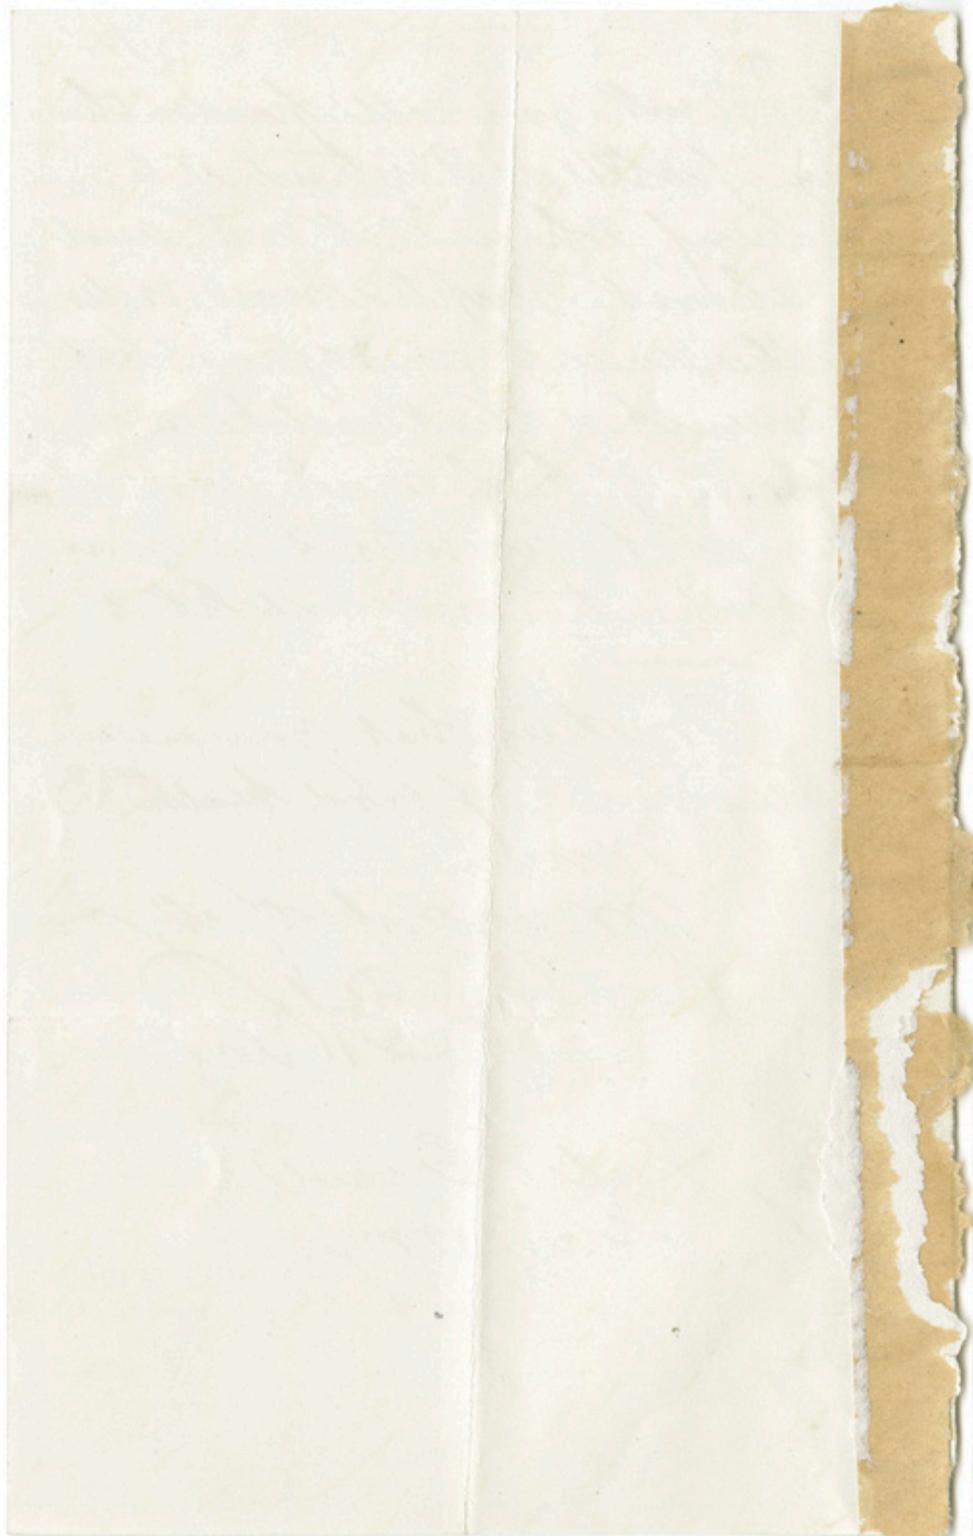

I know that all should place their chance, on the Standard papers of the new York

I trust you will pardon this
 my epistle, as I intended to
 be brief when I set out, and
 almost tempted now, to do
 so, and begin again, but
 remember, that unlike many
 officers of high rank, you al-
 ways took an interest in your
 subordinates, and will let it
