WIFT'S HOTEL,

H. L. SWIFT, PROPRIETOR.

Waterloo, Iowa, June 20 1871.

My dear Brother:

I am a candidate for the Attorneyship of the sexual R.R. Cos. having their headquarters at Cedar Rapids in which Uncle Baker is interested, and my prospects of success are very good. The place is worth \$3000 per year besides perquisites. The determination of the matter lies with the Executive Committee, of which Horace Williams formerly of Augusta Me. now of Clinton La. is Chairman, & Pres. of the Roads. The other two are Hon. Jas. M. F. Wilson (latter M.C. and one of the Conductors of the Impeachment Trial) of Fairfield La. and W. B. Allison

(late M.C.) of Dubuque. All of these gentlemen are friends and admirers of yourself, and they all know that you are a brother of mine. This I wish you would do me the favor to write to these several gentlemen forthwith & after stating that you have heard from me that ~~you have heard from me~~ that I am hopeful of the appointment (without stating that I requested you to write them) use such influence as you may think best to assist me in getting the position. It is probably the best thing I shall have a chance to acquire for years & I am confident of my ability to discharge the duties with honor. This is the first time I have ever asked you to use your personal influence for my benefit, and it is the magnitude of the place in my estimation that impels me to ask it now. The matter will be decided very soon and should any delay be made it would perhaps be after the opportunity had gone by - I expect that Uncle Oakes will do what he

WIFT'S HOTEL,

can for me and his influence is potent.
It will give me a fine opportunity to get
acquainted all over the State and if I
have the elements of a successful lawyer
I shall have a chance to exhibit them.
Had I thought of this before I should
have written you asking it last Friday
which would have saved some time, but
I hope ~~the~~ it is not now too late. But
no time can be lost. There are three
old lawyers who are my competitors. —
I am here attending the State Sunday
School Convention as Delegate. I had
a letter from my wife this morning. She
is nicely and having a good time with
the children at Hallwell. Mother

seems to enjoy their visit very much.
I had a letter from Charles today -
His family are nicely. He is anxious
for his friends to visit him in his
new home at Chicago. If I get
this attorneyship I shall have
passes which will permit me to see
Rowland & Charles more frequently.
The Attorneyship of the Cedar Rapids
& St Louis R.R. to which I was
appointed last spring does not go
into effect till the R.R. Co begins
its work in our country.

Love to Lizzie & the Children -

In great haste

Your affectionate brother

My Dear Brother:

A kind providence
has just returned me from my tour of
duty in Connecticut, which you have
probably seen noticed in the New National
Era.

If I have done any good to
God be all the glory.--

One of my objects in writing
you now is to explain, in a single
word, why I wrote you as I did, last

winter, with reference to a post of usefulness in the English Embassy. I should not have made that request of you, at that early day, if the time had not been so short, and my labors among the Congregationalists of England had not virtually made me one of them, several years ago.

I was, besides, of the opinion, (and still am,) that I could be useful to your University in Great Britain.

Excuse my intruding on your numerous cares with this personal explanation. It is prompted by a sense of delicacy and honor.

Am. A. O. Howard, {
Present. }

Yours Bro. in Christ,
Chas. W. Demison.

Dear General,

I am summoned to appear
in Court this morning at 10. in the
case of Ruffin vs. Ayer. I cannot leave
our sick child; she is very near heaven
this morning. Will you go, or send
to the Court, & get me excused. I can
give no testimony in the case that
will be of the least value to
Mr. Ayer, who has summoned me.

My Dear Sir

I feel that Cadet Smith had been outraged by the Act of War and the President. Fred Grant a low misnamed scamp has been the cause of much of his trouble.

If Grant is re-nominated for the presidency - God sparing my life & strength. I will present this State & send giving him electoral vote for him. If he is re-nominated of the position. My opinion Smith ought to resign and leave the rotten institution. I may publish a history of the whole affair - including the conduct of Grants son. I hope your affairs & wife are well.

Dear Sir, Within the last few months
Prof. C. A. Schlegel's German and French
Grammars, based on the genetic method
of the celebrated Karl Mager, have
proved such efficient aids in imparting
linguistic instruction, that I hope I am
within bounds in expressing a desire that
the knowledge of their publication
should be brought under the notice
of the Professor of Modern Languages
in the Institution over which you
preside.

Although unacquainted with
that gentleman, I feel confident
that, in common with Professors of
other branches of education, he is
certain to take a pride in having
recourse to the latest improvements
in the art of teaching; and it is
only proper for me to point out

Dear Sir:-

The citizens of
Manassas, Virginia
propose to gather in the
grove on the 4th of
July and celebrate.

Could you not give
us an Address on
the occasion; as long,
or short as you please,
of any character you
deem appropriate.

You could leave
by the Maryland

avenue cars, or by
The Alexandria
boat at 7th St. wharf
at 7 A. M., and re-
turn to Washington
by 6-30 P. M., leaving
Manassas at 4-10 P. M.

It will be just
one decade next
month since the 1st
Battle of Bull Run,
and the occasion I
think would be sug-
gestive.

I am satisfied
your presence there
would do us good
and perhaps it might
be the means of soft-
ening the feelings
of some of our citi-

zens toward those
who represented the
Union ten years
ago.

If convenient to
drop a letter to me
tonight (so that it
may reach me
tomorrow A. M. at
Manassas) please
to do so, as we wish
to make arrange-
ments for the 4th as
soon as possible.

I expect a dele-
gation of Washing-
ton people at Manas-
sas on the 4th.

If for any reason
you cannot come,
can you recommend

My dear Gen Howard -
On returning here, after
several weeks' absence,
I have not found your prom-
ise fulfilled, in the matter
of friendly interposition
and fraternal advice
between me and W. R. Kimball.
I had waited a considerable
time for your return home,
in order to request your
Christian good offices in
this matter; and I have
carefully refrained from
alluding to W. R.'s pro-
ceeding toward me, when
speaking with brethren in
several places, since, re-
serving my own labors,

and the affairs of the "Am. Soc.
Christian Union." I have been
desirous that this question ex-
amined and settled by you, as
the most suitable hunting
ground; and because I think
it is every single duty, to
show where the mistake
originated.

Care of the Sec^y. and all
of the Society - before I had
understood Dr. K. Trefer, have
inquired; and they have de-
clared they knew nothing of the
cause of his error.

It is the more desirable
that such a misapprehension
should be corrected, as the
Society is now being dissolved,
and a new method of action
being adopted by the Cong^y.
