Dear Sir:—

At the last meeting of the Executive Committee, the question of changing the time of the meeting to some other week, or some other day of the week, being under consideration, I was instructed to obtain the preferences of the members of the Committee thereon. It will aid in settling the question if you will state

1 — What day in the month or week will be most convenient for you.

2 - Your second choice, if the first named would be inconvenient for a majority.

Please reply as early as convenient, and oblige,

Yours very truly

General Howard.

Yesterday morning when you spoke to me of the Organization of our Dept. I rather evaded your question - I wish now to state some things freely. I said to Mr. Holbrook last night I very much fear your organization will not be acceptable to the Committee. We have too many teachers, he replied "General Howard says so". I was very glad you had said this. I have regret this all the time I told him last night as I had before that I would take the school (my division of it) and organize on a plan by which I could reduce the work so as not to need more than three hours help perhaps 2 hours - Organization does not belong to a subordinate teacher. neither does discharging my teachers.

He said ten days ago when I
expressed my opinion concerning
it, that discharging would not
suit the President. I replied "The
President - would like to help young
men," "but he will let you do what
is right." I am sure of that.

"He will not interfere with your
work if you follow his the instructions
of the Committee". I said last night
when he told me what you said
it is just what I expected. I want
to be unobtrusive as not endorsing
the present organization and in
justice to myself I think I have
right to expressing this officially.

The work of arranging my diary
I will do willingly and begin at
nine. I will examine classify
and be ready to run smoothly
~~is~~ by Monday if I am so directed.
I am used to such work, and prefer
to do it than to let this state of things
continue. Yours &c
A. C. Bowen

Sir

By the blessing of God and the success of skillful Physicians I have regained my usual health but I have had a long and tedious affliction, all induced by my capture at the battle of Gettysburg now Sir I offer my services to the Government in any capacity. I will do justice to any Office to which I will be appointed as far as in me lies, I have been a Republican all my life and sustain the Republican party and in severing it forfeited my health for 8 years, I sacrificed some 3000 dollars and feel as though I was entitled to something, I will go among the Indians as an Agent or any position in which I can realize a fair living I have during my whole life been honest industrious and sober and can bring you the best testimonials to that effect both here and in Washington. Now Genl I will you not aid me in obtaining such a situation when you find one vacant, by making an application in my behalf, Genl I beseech you by my family to do so, and hope you will not forget me, May God bless you

I wait your reply

Dear Sir:

I have casually learned that some little time since you contemplated resigning your position and engaging in other business, and that your attention was somewhat directed toward Life Insurance. I write to enquire if such is the fact, and if so, to say that we will be pleased to have you call upon us on your next visit to New York. We send you to-day a small roll of our circulating medium from which you may notice the standing of this Company.

In hoping to receive an early reply, I am

General

I have the honor
to acknowledge receipt of your communication
of the 15th Ult, and in reply to state that
I received some Books &c from the Sub Ass't
Com^d at Maco Texas in 1868 after the Belton Sub-
Dist. was reestablished. - It has been so many
years that I cannot state positively to whom they
were transferred or even the number of the
Sub Dist. I think however that the books
&c were transferred to Holders of the Dept
at Austin Tex after the Bureau was discontinued
in 1869. If not they were forwarded to the Post
of Maco upon the breaking up of the Post
of Belton in March 1869 with the Post records.
In addition I will state that while stationed at

Lowenher- post.

states that he re-
ceived Books &c from
the Post-Gen^l at
Maco Texas, and that
the Bureau was discon-
tinued in 1869, and
that the post records
to the Post-Gen^l.

Recd post April 25 1873

Bellin My health was such that it was
impossible for me to perform all the duties
pertaining to the Office of Sub Dist Court and
I usually gave advice to the Prudum and in
Cases requiring the action of a Court I referred
them to the Judge of Bell County (A. M. ^{W. H. H. H. H.} Appointed)
reserving the right to reverse the decision if in my
Opinion it was not just. The Books pertaining
to the Sub Dist while under my charge were
not I think show any entries except perhaps
some titles or recommendations, from the
fact as I stated before, I referred all
Cases to the County Judge.

My dear General Howard.

I sincerely wish I was at liberty to do as you ask me to in your letter of the 14th, but I am not. If it would help you I could convince you of this; but as no good would come of that, I will simply ask you to take my word for it. I hope you will have good luck with others, and remain, with high regard,
