Announces meeting of the "Board of Visitors" on Tuesday
Nov. 4.
Oswego, N.Y. Nov. 1, 1873,

Gen. O. O. Howard,

My dear General,

I want to obtain some statistics on the educational movement as now going on among the Freedmen, as at Howard University, and other institutions designed for their education, to be given at our Monthly Concert of Prayer in the Cong. Church here. Several prominent members of the church have taken hold of the subject for the purpose of knowing more about what is doing for this class of our citizens in education and religious culture.

Now anything you can do, and especially a little from your own hand would be very acceptable.

Have you a recent Catalogue of Howard University?

Yours, 

K. T. True.
To O. D. A. Harris.

Gen. O. D. A. Harris.

Do you intend to remain in the Service or will you return to civilian life?

I should be pleased to have an interview with you as soon as possible.

Please let me know at your earliest convenience.

Yours sincerely,

How can we hold our Annual Meeting of the A.M.A. without the presence and inspiration of Gen. Howard? Pardon a late application, but you have been away so much, and until recently I have not known where to address you.

The enclosed notice will tell you where and when the meeting is to be held, and hope you will find it convenient to attend.

Gen. Howard,

Dear Sir,

There are several masters pressed upon me in reference to the "Commercial School," in charge of Mr. Trenchell, which ought to be acted upon by the Committee who are nominally entrusted with the oversight of said school. Can you not call a meeting of the Committee as soon as 3 P.M. Wednesday next Nov. 5th. I please to let me hear from you.

Dear Sir,

I have arrived here and find that the time I asked for is not sufficient for me, and I earnestly beg of you to permit me to remain a few days longer as the result of the meetings are not fully made manifest. There are at present about 200 mourners who seem to be in earnest; must Sabbath there will be baptizing at which time it is hoped a great number will be baptized.

Please give me leave for a few days more.

Yours truly,

Gentleman:

My dear Gentleman:

Wrote to see you very much before I left but could not. Had a very pleasant conference with Prof. Westcott in regard to University Regulations. The Prof. could find nothing he could have changed except in regard to breakfast, the morning X, etc., and call. He would have breakfast at 6½ taking the next hour for roll call & police of rooms. He would have no roll call at night, but a system of room inspection. If you thought best I can see no reason...
I am sorry to hear of your illness. I hope you will recover soon.

Please let me know if there is anything I can do to assist you.

Sincerely,

[Signature]
Why the change should not be made, but I would have a 9 P.M. Roll Call, no system of inspection can head off absences like a roll call. I would give up the roll call in the morning and would suggest, if we are to dispense with one, this be the one, but hold on to the eve. This call can be held in the hall in first-floor, how well heated to muting any objection on its position. I do not want this call given up. Would it not be best to dispense with all drill until my return as Capt. Sladen is
20 busy with his other work.

May I not ask you to give Mrs. Williamson a cheering word while she's gone.

We are making a few purchases of clothing to ship by express and shall leave to-morrow for Lawrence Hall, to confer with Capt. Hoag.

Dear General, don't worry about bureau matters, the War Dept. will influence the time.

Respectfully, yours,

W. G. Hinklinson

Mr. R. J. Howard
My dear Sir,

The reason for this note is Major Howard, late of my regiment, was an officer of my volunteer command in the war, as well as a neighbor at home from childhood, and a member of my staff in the war. He is a good officer, sound man, and a gentleman. His father is very aged, and for the present, the major wishes to do duty in the East. Please know that this, failing that should it be in your judgment to aid him in what he wishes, you will freely do so, knowing that in helping him you please me.

Yours truly and respectfully,

W. H. Hays
