At the request of Messrs Tallmadge & Co.  
I state that I am well acquainted with  
the Homestead Property of General Howard -  
and have been familiar with all the  
improvements at and about the University.

The Ground 50,000 feet I will  
appraise at 20 cents per foot \$10,000.  
The Buildings & Improvements - 25,000  
Total valuation - \$35,000

I have no doubt but that the cost  
may have been more, But at these  
times, it cannot be worth less than  
Thirty Five Thousand Dollars -

Dear Sir

yours of the 15 inst  
is before me to day  
and contain notice  
the School building  
that I writing to you  
a bent a few days  
ago it was lost by the  
re S - government but one  
thing I see that you did  
not understand that  
was the building have  
never been turned over  
to the trustees yet  
the trustees have  
not any certain  
claim on the building  
they are only trustees  
for the land but not

The building I have  
never been turned  
over our names as  
trustees have been giv-  
ing, viz but we have  
never received the  
title yet and that  
have been done over 2  
years ago I have  
got the advice from  
3 of the best lawyers  
in our town and  
they say they cant do  
any I should not remove  
the building and I have  
only writing to you to  
get your advice  
it is best that the  
building should be  
removed from the  
place were it now  
stands it is likely to  
be burnt down that is

in my judgment and  
advices I can get  
a better price at  
land and have it  
deducted for the same  
purpose and would  
likely save a school  
house the parties that  
have formerly been  
wishing there is  
they do not have any  
enthusiasm in education  
and the congregation  
is split up and have  
divided and it is  
very likely if it is  
not removed it will  
be burned down  
and we will lose our  
school house. I will  
here send you the only  
title that any one  
person has in the building

myself by removing it  
more of value to

My lawyer says  
he can't do any  
is any reason that  
I should not remove  
the building for the  
same purpose unless  
it was turned over  
to the trustees  
and it is not  
I know that to be  
the truth because I  
was the leader of the  
party and have ever  
been I made the  
contract with Dr  
J C Vogel Sept  
in the year of 1869  
in building school house  
please let me hear from you

Genl O. C. Howard,

Very dear Sir,

I wish people would let you alone, instead of pursuing you with such rancor, and more and more. Your two notes of Jan'y 7<sup>th</sup> and 14<sup>th</sup>, sent to me at Lowell when I have not lived for more than three years, have been forwarded to me here and received today. I am here as an invalid, trying to get up from an attack of bleeding of the lungs, and consequent weakness requiring a mild climate this winter. I have been here but a few days, and may be addressed here for a few days longer. I have been trying to recall all I can know about that "Reverend Buntin's Fund".

and for my sake I must collect  
that I ever had any thing to do with  
spending any part of it in U. C.

I recd and receipted for some monies  
through Genl Butlers Financial Secretary,  
but don't remember that I ever recei-  
ved any from Gen Ballock. Genl E.  
Whittelsey would know; for after you took  
the Bureau in charge he acted for U.  
C. and I was only for a time his fin-  
ancial Secretary. If he can recall  
to my recollection any thing through  
which I can shed any light on the  
matter you have in hand, please let  
him do it. I should be glad to hear  
from him or from yourself here in  
Savannah. My retained papers are  
in Greenwich Ct. I have a clerk  
in Conn. who was in my office in  
Newbern, and he could find for me  
any thing among them which might  
be needed, but I do not know what  
to send for. I can't remember that

I never gave me any authority di-  
rectly or indirectly to spend money in  
U.C.

With sentiments of warm es-  
teem, and most affectionate sym-  
pathy, I am dear General.

Devotedly Yours -

Horace James -

Mr. O. O. Howard

My dear friend

Not having  
been at my office in N.Y.  
since 11 o'clk this morning  
I did not receive your  
telegram till 1/2 past 5  
this P.M., & immediately  
replied to it as follows,  
"Cannot without borrow-  
ing the amount, Will  
write you explaining."

My strong desire to ac-  
commodate you almost  
overcomes my better  
Judgment. The truth is,  
I am under borrowed  
money this moment  
from 2 Banks, and

one of the checks got it over to my house

and that on Call \$50,000  
at one & \$25,000 - at another  
\$75,000 - and they may call  
for it any day, and I do  
not feel that I ought to  
borrow any more. -

I have had to pay for  
the Bucksport & Bangor  
Rail Road \$160,000 - which  
will make me poor for  
a year or two to come  
or until they can sell  
their 1<sup>st</sup> Mortgage Bonds  
which I see no prospect  
of at present.

We should be very glad  
to see you, but I regret to  
say I have no money to  
spare anyone now.

Truly yours  
R. R. Buck
