

New York Nov. 16. 1875

My dear Brother

Mr Samuel Holmes wishes me to write you and urge the views expressed by Rev. H. B. Butterfield Sec. of the College Society as to your acceptance of a place on the Board of Trustees of Pacific University, & the sustaining of Pres. Nash. All I can say is that this course is urged by Messrs Holmes & Butterfield as the salvation of the University. Nash cannot here disengage & resign & unless he can be sustained will probably do so. to the pecuniary & educational detriment of this institution. I had a pleasant interview with him & Rev. Mr Bradford of Montclair & the other gentlemen mentioned above at Butterfield's Office yesterday -

I enjoy Moody's meetings and my own - nor do I. Cray's N. J. Lab. Lab. Nelson's sickness has now come as early as we expected. I may come any day - I was with my family who help house in Larrinington Maine last Sat. (week)

They were well & happy for the
winter the boys at a good school
I am at work for the Advance Ed-
ucational, reformatory &c. endeavoring by
personal effort to introduce it in
this vicinity where we are about
establishing an Office. I may stay
here this winter. Letters will
reach me care of Rev Geo Whiffle
36. Beade St. Give my love to Lizzie
Guy, Grace, Fannie & all the family
I get no answer to my letter
to Fannie. I must be a chance they
are growing Christians.

Your aff Brother
R. B. H.

P.S. God seems very near & I am very happy
in my work. I trust I am learning to
walk by faith all the time.

Dear General

I drop you
a short note to let
you know with ap-
prence to Father Mesple
He was detained by
sickness when I
telegraphed. I had
that ill to account
for his being here.

He wished his leave
in order to meet his
nephew at the Dalles
who was just from
his home in France
He started down

feeling certain that
his leave would
be granted him.
I am quite sure
that it will be a
very sorry disap-
pointment to him
to find it not granted
from the date of
the Telegram from
me. If he has been
absent without
leave, it certainly
was not his inten-
tion. — Glad to get
along favourably
Kindest regards

To Mrs Howard Miss
Grace & all

Very yours
Alfred C. C.

Pwning to my great
affliction, I had
forgotten to write
you about this
before.

General

I send by to-
days mail, two estimates
for your consideration,
one for an "Ice house"
and the other a "Spring
Wagon."

I hope you will
recognize the importance
of both, and give
them your approval.

I do not intend asking
for anything, except
what I consider nec-
essary, and I hope as
far as possible you
will approve my re-
quests, I send you

this personal note,
so in case you are
absent from Portland
at the time these
Estimates arrive, you
can look the matter
up.

I have been here
nearly a week, but
as yet Mr. Monteith
Indian Agt. has not
called.

I hear one of
your boys dislocated
his shoulder, which we
did not learn. Hope
it will not prove
serious.

Yours

Very respectfully

Washington Nov. 18th 1875

Genl O. Howard

My dear Sir

Some time ago I submitted to Mr Cook a proposition from Gen. Walker of Va for your M. & T. St. houses. It was not accepted then but perhaps the trade could still be made in the Governor's arrival here.

Dec. 16th 1875
Genl O. Howard
Genl O. Howard

As a reason for suspending the matter I will say that I am now offering 13 houses adjoining yis on T. St. for \$3,000 each on monthly payts. This fixes beyond a question the value of these houses i.e. they will doubtless not bring more than 1,500 each. This leaves your equity at the sum of \$10,500. I am also offer-

428

ing one of the large M. St houses
at \$15,000 - At this rate your house
on M. adjoining would give you an
equity of 3 to 4 thousand dollars, and
these added could not exceed \$15,000

The farm lies in Westmorland
Co. on Popes Creek, with a mile
of River frontage, a wharf and
some fair tenement houses of four
to five in number, & 4 to 5 rooms
each, barn, stables &c. The old man-
sion being burned. There is also a
grist & saw Mill, out of repair
as is also the wharf, which cost
once a large sum & would require
\$400 - to 600 for repairs.

There are about 800 acres of
valuable oak & pine timber, some
trees being 3 to 4 ft in diameter
& very tall. The land is undu-
lating, and some clay soil and
sandy loam. It was once a valu-
able farm. I am assured it

it is healthy, and the surroundings
attractive. at any rate, the County
is famous for its old and good
families. This place itself is the
birth place of Washington. There are
about 1900 acres, which at \$10-
per acre would give us \$19,000, a
price at which it is now assessed
& which I understand is below
its value. Surely land in this
area cannot long remain at so
low a figure, when it once was
worth \$50 to \$100 per acre.
Lines of Steamers are being
increased on the river & the time
is not remote when such property
will be valuable.

A couple of colored families
live on & care for the place at present.

If it were my own chance of ex-
change I would grasp it. I leave

the matter with you, and if
you think it a safe trade,
give these parties to assume your
part & give you the same for
part of the F. St. houses &
the West, house, please tel
me a graph if you can or write at
once to myself or Mr Cook
your conclusions.

Business done, my dear
Genl, let me express the hope
that you are very happy in
your new home, and rejoicing
in that peace and prosperity your
great heart and head justly
entitle you to, as well as the
loving consideration of all
your neighbors.

Very Resply Your friend

My Brother, Rev. E. Mesple, chaplain U.S.A.
has received your very kind letter of Nov 17th. Since
his arrival from Walla-Walla, he has been very
much troubled by the same complaint which
prostrated him at that place. But at this moment,
by constant care and following the prescription
at Dock Alton, he feels much better. he salutes you
most respectfully and wishes me to tell you that
in a very few days he is expecting to be able to
start for Fort Boise.

My Brother, not being able to go to his post,
decided to come to my house and we have been
happy to do all in our power to assist him
and now with the help of our good God, he feels
quite relieved and shortly he will be able to travel
without much danger.

Asking you to pardon me for having taken
the liberty of addressing you in behalf of my
Brother

I am most Respectfully

your most humble
and most obedt serv.

My dear Sir. I have to say, your letter of the 6th. I had previously conferred with Mr French, having notice of your telegram to him, but the matter had entirely passed out of his hands. After words in answer to your telegram of the 15th received here on the 17th. I had a conference with Mr Nelson, the Solicitor of the Treasury, who expressed very kindly feelings towards you, and offered to have the suit brought against you here, instead of in Oregon, expressing however surprise that you had not telegraphed him your preference in this regard, in answer to a letter he had written you offering you the option in this matter. Upon this information I telegraphed you on the 17th to telegraph Nelson to bring suit here, and make service upon me. Upon getting your letter of the 6th

to day. I called upon Mr Wilson, who told me that he had not heard from you, and that the Dist Attorney at Portland had commenced the suit. Mr Robinson, the Assistant Solicitor here, told me, that if you preferred to have the suit here, it would be discontinued in Oregon, upon your payment of the cost of the writ and service.

It seems to me, that there ought to be no doubt about your preference to have the cause tried here, where all the witnesses are close at hand, rather than go to the enormously increased expense which would follow a trial in Oregon.

I am glad to hear of your favorable account about Capt Glendon, as I have been enquiring about him. My family are all well, and send kindly regards.

Yours truly,
