Dear Brother

Heulen & I met
Mother at C. & A. R. R. at the
Newark depot of Penn
R.R. on her arrival from
Chicago last Thurs. She seems
very well, but is resting
to recover the fatigues
of the journey. Little Burt
(Charles 2d boy) is still ill
but they feel more hopeful
with regard to him. I
was glad to hear a little
from you by Grace's letter
to Mother. We are all pretty
well. Little "Ella" was baptized
to me Sunday ^{at our church with others.} and is a
fast healthy baby of
five mo. Perry Lee &
wife are in Brooklyn &
come & see us occasionally

Eastern Office of The Advance

I notice little about you
in Eastern papers & that
your suits will go right.
I hope Bogertous attack
on Blaine, if it be ill
founded will show Bogertous
in his true light. He appears
this little in Liberator as
a defender of Knowlton
deadly in the interest of
of Mr. Byrdle. Give my
love to Lizzie & all the
family. If Grace comes
on, she must spare us
a little time & often visit
us at East Orange N.J.
Home cars from Newark
to Orange pass our door
corner of Grove & Main St.
Every 10 minutes. The R.R.
depot from N.Y. is only
two miles north from
the house & I am here

See how every day. Thank living faithful. With much love

Mr. George Patten expects
to go to San Francisco in
June & I said to him
that you might give him
notes of introduction to
some persons there who
would be valuable acquaint-
ances to a young person
like him. He is a good
scholar, a faithful
law student, - is industri-
ous, conscientious, & I
hope, a Christian. tho. like
his father, he refuses to
confess Christ. He has
a practical turn and
will do no discredit to
his friends. I enclose
an outline of a letter
unaddressed. If you will
have it copied for substance,
dated, signed & addressed
a copy to each of a few of
us will thank you. Remond

My Dear Sir,

This will introduce
to you my friend Horace
R. Satten of Bath Maine.

He is about completing
his legal studies, which
he has pursued in the
Office of W. L. Sulzmann Esq
of Portland Maine since
his graduation at Bowdoin
College.

He is a young man
of ability, integrity, industry
and faithfulness and
will, in my judgment
prove himself worthy of
any trust that may be
reposed in him.

He has come to the
Pacific Coast to pursue
the studies and engage
in the practice of law.

Any kindness you may
be able to show him will
be gratefully regarded
Y. A.

My dear Brother,

I suppose you intend visiting the Centennial during the season, are you able to set the time when?

We very much desire to have your services to teach the "International S. S. Lesson" in our Hall on Saturday 12th, o'clock, of the week you are here, to our S. S. Teachers and Supts. Will you consent and can you set the time or nearly so?

We are also arranging a series of Evangelistic Services to be addressed by prominent Brethren from abroad on Sabbath evening in the Churches of our City - and should like to use you in both ways.

It will help our cause greatly to be able to advertise you among other prominent Brethren to whom we have written, and hope to complete arrangements with.

Let me hear at an early day.

Fraternally yours

Dear General!

When your telegram announcing my change of station came Mrs D. was quite unwell and was so all last week - and considerable preparation was necessary absolutely for the movement from here - hence my request for delay - which was granted upon my making arrangements with Dr. Fitzgerald. Without the permission to delay I should have gone down to Portland this week. With the favor granted I will wait until next week after which I will proceed immediately to Klamath leaving Mrs D. & the Children in Portland to go on East by next Steamer to San Francisco. Dr. Fitzgerald intimated to me that I would not be compelled to go to Klamath if I preferred some

other Post - I am very thankful
to your Dear General for your kind
but from all I can learn as yet
I think I should very much prefer
Klamath to any other place that will
be open to me - As I suppose even
if it might be desired to detail me
as Attending Surgeon at Dept. Hq.
it could not be done - Therefore
I feel anxious to get to Portland
as early as possible, lest it may
be thought necessary to relieve
Dr. McEldry before I get there -
General! these few days are the few
that I shall have left, either by
leave, or sickness in our temporary
service -

Dear Brother

Seeing by the papers
that you exchanged with Bro Wright
last Sabbath, I am emboldened to ask
of you a similar favor. For several reasons
I very greatly desire you to visit my people,
& the present seems to be a favorable occasion.
I am obliged to be in Portland the Sabbath
before the Congregational Association meets,
as a supply for Dr Sindley's pulpit. I wish
to remain during the sessions of the Association.
I shall be busily occupied, day & night with
other matters from the 9th to the day of the meeting.
I have not been able to do any work of
consequence for some weeks past, & will have
no time for pulpit preparation for the Sabbath
after the meeting. The Congregational Church
here needs cheering up & quickening
which - with God's help - I believe you can

do perhaps better than any ourselves.
Many of our people, in both churches
would like to see & hear you, I hope
the time will not be far distant when
your F. M. C. A. may be the centre about
which - to some extent revival interest -
may gather for a thorough work of grace.
I will do what is necessary. Either
by exchange - if the pulpit of your church
is not already supplied, or by paying
you expenses, & giving you exhortation
here, as you may require. Please consider
& if possible consent to come to Albany
and preach for the United Congregational
and Presbyterian Churches. Sabbath Time 1876
You can leave Portland at 4 P. M. Saturday
& return by 10 A. M. Monday morning
if you are prepared for hire.

Truly Yours

General O. O. Howard;

Dear Sir,

You will see by this how far I am on my journey Eastward. The trip by sea and land has so far been pleasant with the single exception that while visiting friends in California we went to picnic on Mt. Diablo and I became poisoned from the poison oak so abundant in that State.

I expect to be at my old post again on Sunday, June 4th. It is gratifying indeed to be recalled to such a field of labor as this now before me.

Please remember me kind to your wife and children.

My address will be Napam-

hopes of hearing soon from you I
am yours sincerely,

General O. O. Howard.

Dear General. I received your telegram
on last Saturday night, and on Monday morning brought
the matter to the attention of the manager for the Associated
Press, who promised to correct the error, and has done
so, as they do such things, by notice of your denial of
the fact. Yesterday, Mr John N. Look, conveyed
to me "Lot numbered one hundred and forty,
in Darrows subdivision of square N° 205, subject
to an encumbrance thereof of fifteen hundred
dollars." Mr Look informs me, that the record of title
would be clearer, if you were to write about as
follows viz. "Portland Oregon June 1876.
May 23, 1876
the conveyance made by John N. Look, trustee, to
Geo. W. Dyer, of Lot N° 140. in Darrows subdivision of
Square N° 205, subject to an encumbrance of \$1500
is assented to and approved,
witness,

O. O. Howard,

In your own matters, there seems a glimmer of light. I do not know that Don Cameron will accept the Secretaryship of War, but it is understood that he will. It is expected that Britton will soon resign, and Don Cameron be made Secy of the Treasury. It is asserted very confidently, that Britton has been at the bottom of all the suits and prosecutions in order to make political capital for himself as Candidate, and that he is by no means the sturdy unselfish statesman, exhibited by the newspapers.

The Presidential pool is becoming very much stirred up on the Republican side. Since the Democratic movement of Ohio, endorsing inflation and paper money, and presenting McAllen for President, seems to make a Republican nomination more valuable. Mr. Blaines' friends are very confident, but get disturbed by recent changes which look as if Trenchard would start out with Penn as well as Kentucky, and Mr. Trenchard's friends think now that he is strong enough to win. For my part I think that the Candidates who are working so hard will fail, and some new man be the nominee.

My dear General

Since my arrival at this Post, I have been very busy in the investigation of the charges preferred against Supt. Shuler. A.C.S. And find the affair so very complicated that it will occupy all my time while I remain at this Post. And it may be necessary for the board to reconvene. As far as we proceeded. Captain Wipple and myself are of the opinion that for the best interest of the service Supt. Shuler should be relieved from duty as A.A.G.M. & A.C.S.

In conversation with Capt Day
he also concurs in the opinion.
but states he has no authority
to appoint in his Lt
Sheller place, he requests to
have Lieut. Bonner 1st Cavalry
ordered for duty here. as he
will by promotion fill the vacancy
caused by the resignation of
Lt. Morris,

I would further state that
I am of the opinion and it is
also the opinion of the Commanding
Officer of the Post that for the
best interest of the 2nd Co. 8th
Infantry now at this Post.
be relieved by some other Co.

If for no other purpose
than to remove Lieut Sheller
from his present associations
who are by no means fit
companions for an officer
holding the position he does
as I will fully explain when

I return

He will leave on the Union
tomorrow for the future landing
on our way to California.

Very Respectfully
