 meaning, if I can rent it for two
 years, or more, to move into the house
 in town, as I can make that more
 available for a support. This I
 write, not with a desire to trouble
 you with my affairs, but to show
 you that it is more than I can
 do just now to pay my just
 debts. I must use money to pay
 this bill, as I had to do to pay
 the last installment of an our
 taxes for '75. I spoke to yr agent,
 Mr Cook, about the matter, months
 ago, but he has seemed very indif-
 ferent about it, & so I come to you,
 as parties who profess to know about
 such matters, say I must look to
 you, as bound, by a clause in the
 deed, to protect ^{against all} persons whomsoever,
 & you are to look to Mr Rapley for a
 proper adjustment of the matter.
 I am glad to keep up some knowledge
 of you all through the children's corres-
 pondence,

Washington, June 14, 1876.

Genl. Howard,
 My Dear Friend,
 There has been
 presented to me for payment, a
 bill for taxes on the 1/2 ac. property,
 which my husband bought from
 you. The bill bears date July 1, 1866,
 the year previous to Mr Eaton's
 purchase of the property, & reads
 thus,
 To Tax for year 1866. (W. W. Rapley) \$38.65
 To all installments of Tax for Water, 18.75
 To Int, at 6 p. ct. from July 1, 1866, to June 29, '75. 10.13
 To Advertising, Dist. Columbia 1.16
 To Int. & penalty Dist. Columbia 4.41
 To Auctioneer's Fee 0.05
 Amt. due for 73.05
 Int. from date of sale to date of redemption
 at 10 p. ct. will make it about \$80, if paid this
 month.

It seems the property was sold, at
Tax Sale on the 29th June '75. & may
be redeemed, by paying this bill before
June, 29. of this year. This I must do
to save the house to ourselves, &
look to you to repay me, as it
clearly is not a debt of mine.

Had I the means to pay, it
however, I should have greatly
preferred to do it, saying nothing
to you about it. But this is the
tenth of our financial condition.
All Life Insurance & available
funds that my husband left us,
has been absorbed in making pay-
ments, remaining due upon real
estate - at the time of his death.
& there still remains a debt of about
four thousand dollars, upon most
of which I am paying, 8 + 10 per cent.
interest. We have been unable to

sell any property at a fair
price to pay the debt. The only
income from the estate is the
rent - (\$60 per month,) from the house
on E. St. - all of which is consumed
in paying taxes, interest, & insur-
ance, & I have to do the best
I can for a support, by taking
boarders, which I do at disad-
vantage, at this distance from
town, I have Miss Sherwood, &
Miss Brown in my family, now,
boarding them at six by five
dollars per month for the two.

I of course cannot live & sup-
port my family upon that, & so
am getting behind all the time,
all the while hoping to sell some
property, & so set things straight.
I have now advertised, the
house in which we live, for
rent,

application for a leave, to
take effect on the departure
of the next steamer, is refused.
I shall send in my resignation
at once and I beg that you
will have me relieved with
moderately.

I have not mentioned this
matter to Dr. Bailey for
I don't think he could help
me if he would, and I
very much fear that he
would not if he could.

I fear that I have
troubled you in this matter
far too much and I regret
it exceedingly. I can only
plead in extenuation its
great importance to me.

Thanking you heartily for
the kindness you have
shown me, I remain

Very respectfully,

Your obedient servant
Fred C. Answorth M.D.

General:

Your letter of
the 11th ultimo was received by
this steamer. I had hoped
to get to Portland in June
in order to commence practice
at once as I had arranged to
do but that is of course now
an impossibility. I hope, how-
-ever, that I can come down
on the next steamer - in July.

I have not sent in my res-
-ignation this month but have
applied for a leave of absence
for one month instead. If
this application is granted favorably
considered and the leave granted,

as I very much hope it may
be, it will relieve me from
a great deal of uncertainty.
Though I have fully made
up my mind to resign from
the Army, still I would very much
prefer to get a short leave
at first, so that if any
unforeseen accident should
occur to disarrange my plans
I could retract my steps, which
of course I could not do if
I were to resign at once.

I am very anxious to get
down by the next steamer,
and that was an additional
reason after my applying for
a leave instead of resigning
immediately. I feared that,
if I took the latter course,
no surgeon would be in
readiness to relieve me by
the ^{return} next steamer and I

should be obliged to wait
another month.

I hope, General, that
you will not for a moment
think that I am trying
to avoid a disagreeable detail
by ~~any~~ means or tendering my
resignation in order that a
better post may be given
me. Nothing could be further
from my thoughts. I simply
feel that, however much I
may be attached to Army life,
and I have found it very pleasant
indeed, I should not be doing
my duty to my profession and
myself if I were to follow it
longer. I hope that before
I finally do resign, I may
see you and benefit by your
advice on the matter which
is to me a very momentous
one. If however my

It will be utterly impossible for me to raise the money I subscribed to the Triple Professorship at this time; so I must beg your indulgence. I have known no such period of depression as the present and like others I must ask the forbearance of my friends.

Congratulating you on your escape from your enemies and especially upon your complete vindication, I remain as always,

Dear General.

When Boyle returns, I will try and make the exchange I spoke of; giving him real estate at a rate which should make it a desirable investment and taking your carriage in payment. I cannot spare the money required to purchase it,

Gen. O'Hovard,

Dear Sir,

I most heartily thank you for the notification I received from Col Wood that I shall be ordered down in Sept. Mrs. Collins has been sick, ever since I have been here, & I feel my strength decreasing, without any disease I am losing flesh all the time, so I have good cause to be grateful to you

By persistent effort & the Divine blessing I am getting things in a good condition. The Chapel is rather small to accommodate the audience on Sunday. The Temperance Society is growing grandly. Mr. Lundeen has taken hold of the Sabbath School

But with a Bishop & Priest who love
Whisky I have an adverse influence, I can
not recognize any man who is a drunkard
as a minister of the Gospel. I can only
pray for them.

I feel very sad to day, I served in
the 7th Cav for years & now so many of
them are gone. Their widows & children
I pray
