Dear Sir.

I am in receipt of yours of the 11th instant claiming certain credits in the books of the Freedmans Savings & Trust Company.

As the investigation of the affairs of that institution, by the Senate Committee of which I had the honor to act as Chairman, was closed some time since and its report submitted to Congress, you should make this claim to the Commissioners of the Company to procure your rights in the premises.

Very truly yours

## The Portland Savings Bank,

Portland, Oregon, June 26<sup>th</sup> 1880

Genl. C. C. Howard

Dear General

I had a conversation with Dr. Bayley yesterday in regard to your officers and the men of your command. Making deposits in our Savings Bank which has been opened at this place -

Dr. Bayley thought that many of the officers and men of the Army stationed at Vancouver would like to avail themselves of this manner of securing their surplus earnings - We have organized "The Portland Savings Bank" or what is considered a safe formation both for deposits and also for the stockholders - Our Capital Stock is held by men abundantly able to make good the amount of the Capital Stock any day they may be called on for it - No outside speculations will be allowed the Bank -

We take deposits and pay as high a rate of interest as we can offer and treat the same as safe securities - I enclose you a list of stockholders and also copy of our By Laws - Should you or your friends of the Army wish to patronize us we will deal fairly by them -

Respectfully yours

D. A. Thompson

nomination by the  
Democrats has been  
received very enthusiastically  
by that Party here &  
is thought to be very

Dear father

I arrived here  
yesterday, the Oregon  
having made a very  
comfortable voyage in  
fine weather. We were  
delayed a day at Astoria  
loading salmon. I there  
met Lt. Paddock just  
from Fort Monroe. He  
spoke very highly of  
the course of studies.  
They consist of principally  
topographical engineering,

Reconnaissance, Ordnance  
Strategy, Military Law,  
and Mechanical Management  
of heavy guns.

General McDowell goes  
tomorrow overseas.  
I waited one day to  
travel with him and  
Major Keller. He goes  
first to Chicago, then  
to Fort Leavenworth  
where he is a member  
of a Board for the  
improvement of the  
Military Prison, with  
the Secretary of War and

Major Barr. Mr. Brooks  
of New York, who was  
a member of my class  
at Yale is here now  
travelling. He will go  
to Oregon & call on  
you. I told him this  
evening I would write  
you of him & hope  
you may have an  
opportunity to make  
his visit a pleasant  
one. Major Rodney  
and his wife, Captain  
Hastbrouck, and Mr.  
Leary inquired of you and

Dear Sir,

Your letter of June 22d is this hour Recd -  
There is no trouble between the Indians  
of this agency and the Pictes. The Indians  
here Recd them kindly and have treated  
them so since they came among them  
They hire them and pay them wages  
and I employ them and pay them  
for their work - They have no reason  
to complain - Were contented before  
Sarah came back and urged them  
to Return - Oits is well and working  
and contented does not want  
to leave - Will write more fully in  
a day or two

Dear Sir.

I returned the July Scribner to Bill and looked over the Scribner for June and over all the other magazines kept by Bill. In none of them did I find the article on Mass Points. I will go to the library tomorrow and look over the magazines there.

If I find the one with the article will send it over.

Very truly & respectfully yours.

other. We all love friendship so we  
hope the past offences may be  
forgotten, &c. I can let <sup>us</sup> the friendly  
true friends to each other Whites  
and Indians. I feel now towards you  
as my brother and will remain so to you.  
I take you as my true and best friend.  
This I say out of my heart, your body is  
like mine and your soul is like mine,  
your heart is like mine heart, you are  
just the same under our Great Father  
of all nations. So let us feel to each  
other as such. I think this is the best  
thing you and I can do. I hope you take  
all this in to your heart what I have said.  
You can let me know how you feel. So I  
desire your assistance, give me best advice  
that you know in regard to my situation.  
I know you will <sup>do</sup> this for me as my friend.  
You know more than I do so you can tell  
me what is best for me to do. I would  
do as you tell me to. You told me at the  
time of surrender that I could go back  
to my country (Idaho). So I say as you  
have disappointed me do something for  
me now. It will be satisfaction to me to  
know that if you can do something for me  
for I know you think of promises made  
to me by you as I have said above, I am  
trying to take good advice hereafter  
I will walk in the way of right. I think  
I can be happy in doing so. So as I am  
now trying to take hold of civilization  
I hope <sup>you will</sup> be in it. I want your assistance  
as I have said. You can do this I  
hope so.

Gen. O. O. Howard.

My friend you know I have  
been in Washington. I got to  
Washington. I found many  
friends there. All the Headmen  
in Washington were glad to  
meet me. I had a talk with  
the Com of Ind Affairs. I  
understood their talk with my  
heart and kept it. I write to  
you this day. You are my friend  
have been and I think you are  
today. You are always feeling  
kind towards the Indians. You  
know about me and so do about  
you. I am trying to do what's right.  
I want firm people to join me  
in the way I am going to take.  
I am now thinking about better

things for my people. I never  
before expressed myself this way  
or in this manner. So it may be  
understood by you and others, I  
know religious good. It makes all  
feel kind toward each other.  
I want you to know now I am  
going to be Christian man.  
So I want you to make known  
my wish to all Ministers ~~the~~  
in the West especially to Dr  
Lindsley of Portland Oregon.  
I wish you all remember me in  
your prayers &c.  
I wish you would help <sup>me</sup> all you  
can in my undertakings.  
What I say now I say it in  
truth and it comes from my heart.  
My people have been suffering  
great deal since I have been moved  
to this country my <sup>people</sup> dying off all  
the time. I hope you will feel  
for me and sympathize with me  
and my people &c.

I have lost 153 of my people  
since I was brought to Fort  
Leavenworth up to present time  
I and people living in a country  
where Chaimet is very hate.  
I want you to know just how I am  
saturated. I remember the  
Councils we had at Lapwai Idaho  
you and I could have agreed if <sup>it</sup> had not  
been for other Indians. I regret those  
days. I now see that you was talking to  
me right. I am now trying to do better  
hereafter. I know I got to do better  
and I hope all you Government  
Officers would do justice to me and  
treat me as you ought to. I know  
<sup>you</sup> feel kind towards me wherever you  
are. I have had same feelings towards  
you all the time. Let us put away all  
the wrongs done to each other during  
the past. You know we are now at peace  
to each other as friends. I hope we will  
remain so as friends. We can and  
all people get along as friends to each

as I say I and my people are dying in  
this country and the number I have given  
I hope you explain to <sup>my</sup> if I can at any  
be in the better condition than I am in  
now, you know about these things  
you can tell me also what you think  
since we parted. I have now expressed  
myself to you. I hope you will say something  
to me. you will express yourself to me  
freely as to your own friend.

This I say to you as to my friend
