Dear General,

If it should become necessary to have a Quartermaster Agent at this point I think I should be much like to have the place. My knowledge of Army matters in general and my experience in A.M. & Q.M. Dep't. would I think enable me to fill the position in a manner satisfactory to the Dept. officials. Mrs. McCann is quite well. I trust your self and party reached home safe and well. Kind regards to all - and especially to Off. Paden. I am respectfully yours,

Gen. O.H. Howard

I beg to inform you of the presence in this city of a certain
Benito, who deserted from the Co. of the
1st Co. stationed at Fort Walla Walla,
Mr. C. He left under the following circumstances:

The guard discovered him emerging from a certain building wearing
some clothes through a window at night time.
It seems he escaped from his guard.

If you will have a barber

present and have tomorrow evening at half
past 4 of December at the St. Joseph Hotel in
the City, he can apprise me of this man. His
face is very badly filled with small pox.

Dear Madame:

Your telegram received. It was utterly impossible to ship the grapes ordered by you, because the Steamer "Columbia" has not yet come to her work, being aground in the river, and consequently there are none in the City. We are very sorry that you should be disappointed, but the fault is not ours.

Very truly,

To Gen. O. O. Howard,

Dear Friend,

I am in receipt of your letter of [5th] April from Corner D. Place, Idaho, and note with interest what you write of the Yakama Indians at that place.

I was compelled to resign my place on the Board of Indian Commissioners, on 4th June last. I had been greatly overworked, and after a service of 8½ years, felt that this would be accepted by the General as any contribution to the cause of Indian civilization.

I know very little of the Yakama Indians, and can learn but little from each of the reports as
I have had time to consider. I had supposed that
no one of the religious bodies had missionaries
there except the Catholics; but you refer to the
Unitarians. I think it is in the interest of the Missionary Association. I will communicate
also with Dr. Strong, whom I shall probably meet at
the Annual Meeting of the Association on the 16th
at Norwich. As yet there is no law to allow Indians
to secure homesteads on their reservations, though
I have prevailed with the Administration to
secure such a provision when the attention of
Congress is drawn thereon. It would hardly be wise
to inaugurate a government among the Indians
at present the reservations, especially to take up
scattered homesteads without the consent of their
religious teachers. The Indians who have taken
homesteads at Standing Rock, paid their
own way and are prospering. I will see what
friends think. My regards to your family. I shall
see you in a few days.

Yours truly, H. Stoughton.

To Genl. 0. O. Howard,

My dear sir,

Your very kind letter of the 15th inst., came to hand yesterday and I hasten to respond.

Debbie, the youngest sister of General Walker is married to Dr. William. Ko Smith, of Portland.

I cannot state what portion of the City she resides, but I simply direct her letters Portland, Oregon.

Dr. Smith has a Brother named Joseph who was a Member of Congress for some years, I presume a Directory or the Post Office in Portland can furnish the address.

Sister Debbie will be pleased to show you a handsome life size Portrait of her Brother painted here, as also some Cabinet Photos of him she will also give you a Cabinet.

Photo of him, which I sent to her for you yesterday, I have also written her that you would call upon her. I assure you General Dr. Smith and wife will extend you a hearty welcome, and feel honored by the friendship of one who has spoken so kindly of brother Charles.

I send you General by this same mail a paper containing letters of Geo. H. Sherman, Geo. O. O. Howard, also extract from letter of Taylor War Correspondent of N.Y. Herald, also a report of Reunion of my Company of Geo. R. Connors Regiment. I will also send you two more papers this week with letters from Army offices.

I write also a letter of introduction to sister Debbie.

With many thanks for your kindness I am yours most respectfully

Dear Sister Debbie

the bearer of this is General O.O. Howard, of whom I have written you, he knew Bro Charly when at West Point, and in the Army of the Ohio brother was in Genl Howard Command, I feel assured you will be pleased to meet one who can give you many personal recollections of Bro Charly's Military Career.

Please tender him the Cabinet Photo sent to you for him, and thank him in behalf of Sister Zerie and myself for his kindly remembrance.

My dear General:

To enable me to be an active participant in the approaching session of Congress, I hereby urge the passage of the bill introduced by Senator Brown for my restoration to the Army. My friends, particularly General Hazen and Colonel Corwin, are endeavoring to secure for me a position in the office of the Adjutant General. I have been recommended by one Representative, Mr. Monroe, and upon the request of General Hazen. However, I have written a strong letter recommending me. Still, Colonel Corwin thinks I had better obtain additional letters and send to President Lincoln before he returns. Should he be in China, it will be too late. The Adjutant General is looking for an officer to make the appointment.
Unless I can obtain some employment which will defray my expenses I shall not be able to go to Washington and see my friends. I am of the opinion that it is of vital importance that I should see the Secretary of State. Having very little money and allowance may fully excuse the action taken in the past detracted from my efficiency as an officer. No longer exists in the slightest degree.

No man, in the Army or in civil life, leads a more correct and sober life than mine. For several years and now I not believe that all danger of a relapse will pass. I would not run the risk. nor would my friends encourage me in seeking a return to the service.

Hoping that you will kindly aid me in this matter. I am with great respect Your O. S. Duane
