BVT. BRIG. GEN. & QUARTERMASTER,
U. S. ARMY.

114 Headquarters Department of the Columbia,

OFFICE OF CHIEF QUARTERMASTER,

Vancouver Barracks, W. T.,

November 23rd, 1880.

My dear General:

Enclosed herewith
is a copy of my application
for a transfer to an
Eastern Station, concerning
which you have kindly promised
to speak to the Secretary in my
behalf on your arrival in
Washington. Should it not
be found to be possible to
assign me to duty at either
New York City or Philadelphia
at this time, so anxious
am I for personal reasons
to get to the East, that I

would gladly go to any less
important Eastern Station
where Officers of the A. M. D.
are now stationed - West
Point - Boston - Fort Monroe -
Fort Adams - Davis Island -
Buffalo - Any ^{one} of these would
be greatly preferable to me
than to remain on this
Coast longer -

Will you do me the
great favor to telegraph
me - at my expense - of
the result of my application

I am General

With great regard

Yours Sincerely

Gen O. O. Howard

My dear Sir In parting, with you
after a continuous service of over six years,
on your staff as Medical Director of this
Dept. - I assure you it is with no ordinary
feelings of regret I do so. The courtesy and
personal kindness you have ever extended to
me, on all occasions makes the past six
years spent under your command a period
in my military life of 34 years - ever to be
remembered with the greatest pleasure and
filled with pleasant recollections.

My taking away is not at my
own solicitation but to the Country.

That our Heavenly Father may ever bless you

LAW OFFICE OF
JOSEPH M. FLETCHER.

Vancouver, W. T., Nov 25th 1880

Genl. O. O. Howard, U.S.A.,
Washington, D. C.

General, I was very much surprised when I read in the "Oregonian" of this morning that you had left Vancouver Barracks, and that it was not certain that you would ever return.

I am very sorry you have left us, unless you have been called away to receive some additional honor, and, even then I am sorry for myself. Especially am I sorry that, not knowing of your leaving, I had not the opportunity of taking you by the hand, and saying "good-bye".

As it is, please imagine that I have your hand in mine, that I am looking you in the face, and that my tongue is speaking while my heart feels, — Brave Soldier, good man, good-bye, and God bless you.

I am, General,

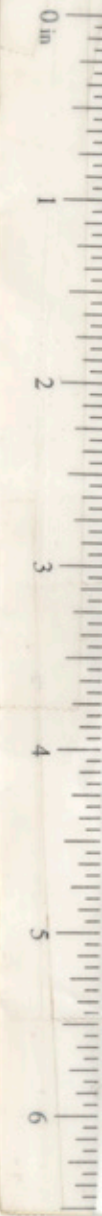

Very truly yours,

Joseph M. Fletcher.

Dear General Howard

The papers gave the pleasant intelligence, that you have been ordered to another field of usefulness in the east. I feel sure the change will be an agreeable one. Some dear General will set all things right, and I trust in your new sphere, you will find that appreciation your goodness so well merits.

When you think of your friends on this

Coast, remember me as
one of your warmest ad-
mirers and well wishers
and one who will always
remember you for your kind-
ness.

I would be most hap-
py to see you again, and if
possible will do myself the
honor of calling upon you
and Mrs Howard.

Baby frequently
speaks of you and
says she wants to see
you ever so much. She

sends her love to you.

I hope that Cap-
tain Sladen goes with you
to him remember both
baby and myself most
kindly.

Wishing you a pleas-
ant journey and a safe ar-
rival I remain

Very truly Yours
