Dear Sir:-

At a meeting of the Executive Committee of this society, it was unanimously resolved, to invite you to be present and speak for us at our Annual Public Meeting, to be held in the large hall of the Young Men's Christian Association Building, Tues. Evng. Feb 15th.

Will you not kindly lend us your personal presence and voice in the furtherance of the great work which we have in hand? It is a hard fight against monstrous evils that are corrupting our youth. We earnestly appeal to you to assist us in this very important matter.

Absence from the city has prevented my conferring with you earlier upon this subject. It is important that we know at once, in order that we may get out our notices. Our method of calling this meeting, is to send a written notice, to be read in the pulpits of all the churches in this city and Brooklyn. Will you please telegraph me at my expense
