Dear Father:

Will you please send me that Naval Academy catalogue or whatever it is that you were intending to give me.

All are well.

Goodbye.

Dear General Howard,

Your invitation to hold service at the little chapel is at hand.

I should desire to accept and say ‘yes’; but several reasons conspire to compel me to decline.

I would say, however, that if your new chaplain, Mr. Puslethwaite, be absent from the Point, and my taking the service would relieve you from any embarrassment in making provision for it, I will hold myself in readiness to comply with your request.

With
great respect,

I remain,

very truly yours,

Dear Mr. Howard,

I have often thought of you since I was in Portland last year.
I longed to see you then I love you still.
I am now in as you all in Nashville. Wept on tills I am to speak at the Field University. I love some time thought I could spend more...
Dear Miss Colston,

I trust you will find your health as well as you have been writing.

I have been meaning to write to you for some time, but have been so occupied with my work that I have not had the opportunity.

I am planning to have a meeting in the Bap. Co. Institution and I thought you might be willing to attend. I have been trying to get in touch with some people, but have not been able to do so.

I am in need of some advice on how to proceed with my work. I have written to several publishers, but have not heard back.

I am hoping to publish a book on the education of children.

With our mutual best wishes,

General:

Will you be kind enough to send me a catalogue of Cadet, etc. of the Academy, I don't suppose you remember me. I was a 4th Classman the year you were a 1st, and I served during the war as Col. of a Wisconsin Regiment (11th) of Volunteers, and Brigade Com. Mandev. I have a son who is anxious to get a Military Education, and I should...
be glad to place him in your change.

Respectfully and truly yours,

My dear General Howard:

A bill for my restoration to former rank in the Army will probably be referred to General Sewell of N.J. as a Sub-Committee of the Senate Committee on MIL. Affairs.

I have every reason to feel sanguine of a favorable report from General Sewell, with whom I have had opportunity to converse freely. But as this is written an emphatic letter from you to that Senator stating that you have been informed of the reference to a bill of my bill, and treating as well of me as your position will permit might be the turning point in my career, and influence a favorable report. At all events I should be most...
Thankful for such a letter from you in your own hand writing, just at this juncture and should regard it as actual evidence of the kind friendly interest of my former much beloved Chief.

With sincere respect,
You obvant friend,

P.S.
If convenient, I shall be glad if you would send word from you at once as he must make his report this week.

Dear Brother:

I received the letter from the President. You probably have seen that Judge Bell of N.Y. was appointed to the first place we had in view for Dept. But if Judge Price is removed as the President intended to Senator Teller, there will be another chance for him. Unfortunately I know of no one of any power with the President who will see him in person. I attend to the matter. Senator Teller talks well, but he is not willing to have Teller's appointment charged up against Colorado. Allison talks well, but is not willing to have it charged against Iowa. Unless there is some sincere earnest man, & he a Senator who is willing to go to the President, there will be no chance.

In the Whiskey Case, Senator Hale interested
himself, I at my request took the letters & documents I had obtained, went in person to the President. This secured the appointment. It was evidently wanted to get rid of his responsibility by a letter & so sent the one of which I forwarded you a copy.

I have now received orders to go to New Mexico and Arizona (San Juans or White Mountain Reservation), thence to the Mission Indians in California, near Los Angeles. I expect to start Wednesday; may possibly see Dell at his home.

I am not very well; troubled with my right lung again. Had a chill last night & considerable pain in my chest, with cough. It seems best for me to get off on my journey as soon as possible, for the change of climate.

If any other step occurs to you to take on behalf of Dell, I trust you will take it. I probably can do nothing more under the circumstances.

Mother is better. My family are tolerably well.

My dear General Howard,

On the 31st of last May at the opening of the Cranston House you were kind enough to remember me as your former Chief of the Clerical force of the Bureau of Freedmen, Refugees and Abandoned Lands. And now General 15 years has passed since then and I write to you for your endorsement on my application to Mr. Robertson for a position. Mr. Folger is my uncle by marriage and I am sure with your endorsement and a few others including Mr. Folger I could get a good position. Sometimes I have not had I can assure you for a long time. Now respectfully sir, will you say so as one of your old employees that
I did my duty while under your command. I enclosed also a letter from my Editor.
Mr. T. S. Key Hall—If you will kindly give the your endorsement I shall always remember it—I am supporting my mother & I wish something better to do than newspaper reporting & now that I have waited 15 years I ask the favor I hope you will comply.

With due respect, I am,
My dear General.

My dear Sir,

Next Thursday Week, Jan. 26,

is observed in our Church as a Day of Prayer
for Colleges and Literary Institutions. Will you
give us an address Thursday evening in the Pres- 
byterian Church of this City? Your coming would
give great satisfaction, and so as all good, you
would have many young people in your audi-
ence to whom your words would be of much service.

The evening service would begin at
7 1/2 o'clock.

Very respectfully yours,

Francis B. Wheeler

G. O. Howard
West Point, N.Y.

My Dear Sir,

Yours of 12th has been received. And am very much pleased that you have
given me an article for my book. G. O. Howard has forgotten, no doubt, that the suit
he nearly a year since, an
Extract from his "Memoir" for my book. I have found it
Very difficult in Collecting Material from Army Officers,
And regret it very much, but
They do not even acknowledge
The receipt of my Circular.
I obtained a short article from
Gen. Grant while he lived at Galena. And after he
was settled in N. Y. I wrote
him asking an introduction
to my work, if it was least
a few lines. Knowing that
it would be a kindness to my
work, and assist the late
very much. He did not ans
swr. After a few months elapsed
I again wrote him. Enclosing
a letter from Gen. W. H. F. Frce
Wm. Lieut. Col. of my Regt
(120 Ohio) at the beginning of the
War and with which I received
the appointment of adjutant
of the Nat. Soldiers’ Home at
Wayton Ohio. He did not
answer that. Then I asked him
to return the letter. But was
silent still. I have often heard
of the Silent Man, but did
not fully understand it until
My reprinting Correspondence
I worked in the large Bk of
Mc Pherson’s Cape. As long
as they commanded them
I have a fine selection of
original articles upon the
Life & Services of Lincoln,
and shall produce a fine
book of 500 pages. But am
sorry I cannot get the assis-
tance of the old Commanders
of our Armies. Those autogr.
raphs will be valuable to the
boys that served under him.
My Collection of Memorials is
very valuable. And I very much
desire to build a suitable
place for them. The present
is to this State. At my death
Gov. Cullom, and many of
the old Citizens of this City
and vicinity who knew me
Lincoln well, are writing.

Genl. O. O. Howard

My Dear Sir:

I am in receipt of your very kind response to my Circular addressed to you. Accept my heartfelt thanks for your prompt response, which I will incorporate in my work at once.

Yours, kindly,

Osborn W. Oldroyd.

My. Gen. O. O. Howard, M. D., A.

Supr. West Point —

Dear General:

Young Rimbault, who was lately found deficient by the Academical Board, left my house yesterday for Brooklyn. I do not know his address, but Mr. Mercier, another unfortunate, would be able to find him. I think, if he were to go to New York for the purpose. It has occurred to me that your wishing to see him might have reference to his being recognized or to some other matter of consequence. If therefore it is important to see Mr. Rimbault, please inform Mr. Mercier and
I will have him found. (So long in tended).

Invited Cardall to my house as to prevent his wandering aimlessly about. Tell he and hear from his father who, as no doubt knows, is in Oregon.

Yours truly,

DEAR SIR:

I OUGHT TO HAVE WRITTEN YOU EARLIER, BUT THE MANUSCRIPT ON BEING RETURNED DID NOT COME INTO MY HANDS UNTIL, BY ACCIDENT, TEN DAYS AGO, AND SINCE THEN I HAVE BEEN SO PRESSED WITH WORK IN PREPARATION FOR MY DEPARTURE THAT I HAVE FAILED TO WRITE.

WE SHOULD LIKE FOUR OR FIVE MORE OF YOUR ARTICLES ON ARMY EXPERIENCES AND SHOULD BE READY TO BEGIN TO PUBLISH THEM IN THE COURSE OF FIVE OR SIX WEEKS.

THE ONLY SUGGESTION I HAVE TO MAKE RESPECTING THEM IS TO KEEP THEM SHORT, IF POSSIBLE NEVER OVERRUNNING A COLUMN AND A HALF, AND AS FAR AS PRACTICABLE KEEPING THEM WITHIN A COLUMN AND A QUARTER. I SUPPOSE WE SHOULD PAY YOU FOR THEM $5.00 APiece.

YOURS TRULY,

JAN. 18, 1882.
Dear Sir:

I ought to have written you earlier, but the manuscript of the new book did not come into my hands until by accident. At first glance, since then I have been so preoccupied with your request for an action for my departure that I have failed to gratify your wish to have the four or five more of your articles on army experience and should be ready to begin to publish them in the course of four or six weeks. The only suggestion I have to make is that they are over-long—too long. It is impossible ever—indeed, impossible for them to keep their shape. If possible, never—utterly impossible. A column and a half and as far as practicable. I should pay you for them if you wish; I suppose. You are kind.
