Dear General-

Yours of the 4th inst enclosing card from Mrs Stoddard is rec^d. This is the 2^d or 3^d card she has written you on the same subject within a year or two.

She is a lady I never can but once - lives in the city - not out here. Owns a miserable old tumble down home about 400 feet back of Clark Hall - Had a servant named Phillip Robinson, she is white - he is colored and a fair man. She has written Dr Patton several cards - blaming "Johnson" because Robinson built himself a home & moved out of hers. Why she connects one with her troubles in her dealing with Robinson I do not know. Jan 15 - she wrote Dr Patton that Robinson had moved out of her house & "carrying with him doors"

"Lasts"

"Summer Kitchen" fencing, & calls it under
 "Johnson's influence". I read this card to
 Robinson. I send Mrs. Haddock
 a bill for one half of a new fence on
 the line between her lot & another for which
 I am debtor & referred her to the Law
 & practice as printed in the District
 Regulations of the district. She declined
 to pay it, & (although it was over one year
 ago) I have not mentioned it to her since.
 As to her troubles with her "Ex-Denant" I
 know nothing except what I have stated.
 He seems to regard me as an
 accomplice. I was very sorry
 to hear of the death of your good friend
 Edgar Ricketts.

Sincerely yours

My dear General;

I also got a letter from Mr. Ellis, but I am at a loss to see how I can either indirectly or slung into the brethren whom he has named. Is any thing in the case. The A. H. U. S. Secretaries are all the time looking after these matters, and any thing done by us would only I fear tend to mix up matters. Mr. Ellis, as it seems to me, has just recently come into office, and wants to do some great thing, without knowing very well how to get at it. I think the best thing we can do is to send him a letter to the Secretaries, & leave them to look after it. But if you see any better way I will gladly follow it.

With kind remembrances to Mr. H. & household I am, Yours faithfully

My dear General -

I trust - you
will excuse the liberty
I take in referring to
your very complimentary
offer to apply for my
services in the tactical
department - at West Point.
As my future plans depend
very largely upon the result;
I have decided to ask the
very great favor of your
advice upon the subject.
There are two or three matters

of personal interest - now
depending upon whether there
is a fair prospect - of my
going to West Point -

If entirely consistent - with
your official duties you
will confer a lasting obliga-
tion by answering me
frankly in the matter.

I assure you that - I thoroughly
appreciate your very kind

Sir: I have the honor to acknowledge receipt of your letter of the 23^d ultimo, inquiring what disposition you should make of certain papers belonging to David P. Hancock, deceased, late Major 2^d Infantry, as you do not know the address of any of his friends, and to inform you that it appears from a report made by the Second Auditor of the Treasury that William Hancock, of Wyoming, Luzerne County, Pennsylvania, is the administrator of Major Hancock's estate. By correspondence with him you can doubtless ascertain what disposition of the papers is desired.

Dear Gen. Howard.

Your note of yesterday came duly to hand this morning, and I immediately procured all of yesterday's "Tribune", four in number, from the news stand at my hotel, and they will go to you with this

note.

Although too young
at the time to be a
soldier, yet do I
remember distinctly all
that my father said
about Gettysburg, and
recall the fact that
he always claimed,
it was you who
selected the field
upon which the
battle was fought,
and that you should
receive the full credit.
He was as you may
remember Commissioner

on Schurz's - 3rd Div. Staff - 11th Corps, and
after the position of the troops had been
~~there~~ selected, and on the evening of
the first day, he was sent to the rear
by Gen. Schurz, to look after his training
by Gen. Schurz, I remember all that he
said and my father never lost a
bit. I am glad you are to have
the matter settled and have acknowledgment
as you must, what rightfully belongs to
you. Cordially yours, - Walter A.

Dear Father

Your telegram came Saturday
evening. Can you not keep
Grandmother's Money till
my return. I will be back
in time to arrange it
all. I think that it would
be the best to have you receive
her money ~~and~~ having us
it means the power of attorney
and then I would draw
from you all I needed.

When I go away the best
way is for me to take a

"Letter of Credit" as I learned
from Mr. Knell & then
money can be drawn from
any bank abroad as
I may need. I mean
that this 'Letter of Credit'
would be better than a
draft on specified bank &
would be for enough to
pay my expenses till I
settle down to remain
in one place. Then
Money could be sent me
by regular checks on
a bank of the place.

But we can arrange these

matters when I get home.

I wish you would send
any letters which there
may be at home to me
here. I had a very
enjoyable visit in Phila-
delphia and it seemed at
one time as if I could
not get away for a long
time. Each day they
would lay before me a
plan of sight seeing for
the day. I had no idea
of the number of things
of ~~great~~ interest & the
size of Philadelphia.

it must be I think I
ought to be home but
cannot tell whether there
is any need of it just
yet. But the moment you
think it would be best
I will return. If I do
not go to Boston I will
not need all the money
I have sent for & will
return home with some
of it left.

With love from

Your son Jamie.

P.S.

I shall write letter to Grandma
now.

I have had to borrow \$5. from
George and would like you
to send me a check for that
amount and \$20. in all
\$25. I paid my hotel bill in
New York, got my trunk, French
dictionary, took mother &
the children to Barnum's
paid railroad fares, meals &
with what you have given me I
had three dollars left when
I arrived here. I have not
yet decided whether it will
be best to go to Boston and
Andover. The fare from
here to Boston is \$4.50 and

70 cents to Anderson. David Smith is pressing me to come & I do not know how he can be put off as he has taken it as a matter of course. When in Philadelphia I met the minister of the French Protestant church there and he took an interest in me that I should find a pleasant home in a good christian family and he has shown me a splendid way & practical way too. But I can

explain better when I reach home.

Mr. Parsons has invited us all to accompany him to morrow to Hartford to visit the Capital building of which the state is so proud & it was built within the appropiation they ~~at~~ always mention. I cannot now tell just how long I shall be here. I hope Mattie Harry Bessie are well. I sometimes think of how small a family
