Major Gen. C. C. Howard.

Dear General.

Your kind letter has come to hand. I will send you a formal application for transfer this week. Let my request to move back to the Fort be held without action till I write you more fully. I am in a condition to appeal strongly to your sympathy and help.

Affectionately, S. B. Russell

Would you be willing to write your name with date on three slips of paper. One for myself and one for a friend who is sick.

Dear Dr. Jones,

I am writing to invite you to come to

Melrose Gate on Thursday Night at

My dear friend,

It is in one sense a critical time for our Church. Alden does not speak with so many good members. We shall do it well and both be the better if we keep faith in God and in each other, with "unit of spirit" and it will be a grand thing for our denomination in the city and State. The thought expressed in Mr. Scott's prayer Sunday eve. Have been at vacating more than a year. Some are it believe it all do not yet do as to be reconciled to the Division. One Fred. Yes, will you say a favorable word? Also of any opportunity you will strongly uphold the idea. you will
I mean the idea, "There is that which is yet unnumbered -

to a help to us all, I need your care, you can do most
anything, "therefore I rejoice. Of what a help it is to a trained
preacher, a trained counselor, and God's people! I expect
it will all go well, but there is need of special prayers and
prayer, and a special effort on the part of everyone to make
up what is lacking. Then God will complete all
with growing love.

My dear General.

Your note
of the 6th inst. was received
yesterday, having been delayed,
I suppose, by the failure of the
Mail to come through last week.
My P. Office Address is still as
above. If you commence
permits, I shall be very glad
to receive remittances as you
request, will notify the bank.
We are very well, most of
the time. Mrs. Pascom joins me
in kindest regards to you and
Howard and your children.

Very truly yours,

W. H. Pascom.
P.S. I must beg pardon for the publicity of a private letter to Brother Newton. I had not the remotest idea of its being seen by any human eye but his own. If I had dreamed that it would have been published, I should have written quite differently. But it is true, and I hope you were not disturbed by it. 1st. Substantiate your assertions.

Affectionately,

Major General O.O. Howard, Dear Commander,

I was in much doubt as I lined here at this depot, whether it was my duty to send my official letter, asking for a transfer, to the Commander of Fort U. S. Russell, or not. But as my duties were there, I decided to write and send it to him for his action. He will forward it to you to-day. I do not know what will be his endorsement. I know he is very particular in his views about Chaplains, but must he want to both just and generous. I had supposed that I could include anything that any man could endure, but I find I am mistaken in regard to the entirely cold climate. My constitution has succumbed, and I have been greatly embarrassed to ask this favor.
of my Commander, and at the hands of my County.
I know from twelve years experience, that I can
endure as much hard work in a short season,
as almost any living man.

I will forward of you, with this letter, a copy of
the original letter to the Adjutant General; and
if, as a Department matter, it need not be
inserted at the Post, there is no one suicide
and recommend my thanks as you may
decide, on this one, and destroy the other.

Col. Anderson would not tell me whether he
would enclose the letter or not—it is what kind
of Comments he would put upon it. But, General,
it is not a Christian, and you are—Your name
and influence in all the Church is “the precious
ointments poured forth.” If therefore, he should
put anything upon the letter that in your judgment
would embarrass the case, or prejudice me,
I beg you withhold it altogether.

I will only add, that I regret much profoundly,
that I have found it necessary to trouble you
so the least. If you will ask me in getting a
transfer to the Senate, I will never cease to thank
you, and in every possible way, to the end of my
life, make every return of my power.

May the great Father, without whom “not a sparrow
falls,” and who “numbers the very hairs of our head,”
and prosper you and keep you and yours.

Very respectfully

Your obedient servant,

Herman B. Merrill
