

Howard University,

REV. WM. W. PATTON, D. D.,

President.

J. B. JOHNSON,

Secretary and Treasurer.

Washington, D. C., March 29th, 1883

Gen. C. C. Howard;

Dear Sir:

Your letter, resigning your trusteeship of Howard University, was received to-day, and I could not understand what it meant, until Mr. Johnson, our Secretary, showed me one which he also had received, complaining of the action of the Executive Committee as "unfriendly" or "hostile". Are you not rather hasty in such judgment and action? The Ex. Com^{tee} simply made a business reply to a business question from their Treasurer, who had received a letter from Prof. Bascom, asking him to credit fifty dollars sent by you to Prof. Bascom, as back interest paid on your note in the Treasurer's hands. As it appeared that three hundred (or more) dollars of back interest on said note, preceded any such interest that could be claimed by Prof. Bascom, the Committee decided that payments of back interest should apply in the order of the deferring of payment, and that the fifty dollars paid Prof. Bascom were really due to the University, which had advanced to Prof. Bascom this very sum for the three hundred dollars deficient interest, first in order due. What other business decision could they, as Trustees holding the note, have possibly made? They must do everything on the square. Please consider the matter further. Yours truly,
Wm W Patton, President.

Dear General

I shake to
you some time ago
about an evening of
your precious time to
inaugurate a movement
in Council Bluffs that
will enable the Y. M.

Dear Sir,
I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the proposed movement for the establishment of a mission at Walden, N. H. I am very glad to hear that you are so interested in the cause of the Christianization of the heathen, and I am sure that your efforts will be successful. I have no objection to your making such use of the facts of my life as you may think proper, and I am sure that your work will be greatly aided by the knowledge of my life and labors. I am, Sir, very respectfully,
Yours for the cause,

Once such meeting does more
good to reach the class that

Dear Sir -

I received a letter from Mrs Mr.
Samson, last week enclosing one
from the Executive Department of
Vib. saying that nothing could
be done in the Flintwell case
at present. Mr Samson in his
letter says that this leaves the way
open for a renewed application,
but that it better be made in
or through a different way or chan-

mel. & further adds that perhaps
I might hear from you & that
you might suggest some thing to
aid. I shall be happy to re-
ceive any further suggestions from
you, in behalf of the liberation
of our friend & I would thank
you most cordially for your
past kindness in aiding our
efforts although they have thus
far proved unsuccessful in
accomplishing our object. If cast
down I am not discouraged, for
our God is able to deliver, if it be
for the best. Awaiting your reply

I remain Greatfully & Respectfully
Yours,

General.

I served during the late war as a Lieutenant
in the 74th Regt. Pa. Vols. and was at the time of Chancellor's
detailed as topographer to General A. Schimmelpennig's staff.
General Schimmelpennig is dead and so I most respectfully
address you as my former Commander and ask of your
favor to be kind enough to urge my claim for an
Invalid pension, which is still pending although
filed September 19th 1879. I based this claim on a
fall of my horse, by which my right leg was injured
and which I proved by the testimony of Colonel G.
Schleiter, No 89 Market Street, Pittsburgh, Pa., who was
at that time acting as Adjutant General to our Staff
and is now an entirely independent dry goods merchant.

and also on the consequences of an imprisonment of about
Twenty months, which prove to be very severe on me in
course of time. I was captured the first day of Gettysburgh
after General Reynolds fell and you commended us and
kept in different Southern prisons untill 1865.

My claim is numbered N: 302, 289.

In regard to my present standing I refer to the
above firm of Messrs. A. Merman and Ford, in
whose employ as draughtsmen I am, for nearly
six years.

Expecting of your kindness, General, that you will
assist an old Soldier, who fought under you at
Chancellorsville and Gettysburgh, in the settlement
of his claim, I have the honor to be
