My dear General:-

I write to let you know that
I am about to visit Chicago
inside a day or two days for the
purpose of bringing to the attention
of the financial people a
matter of the most vital importance
in connection with the new develop-
ments and applications of Electric-
ity - The demonstrations of this
will be sufficiently important and
interesting to justify me in writing
you to run over to witness it
Will you be able to hold

yourself in readiness
to meet me there upon
my telegraphic notification
to you of the time & place
I shall stop at the
~~Palmer~~ House and
have written your brother
Charles of the object &
intent of my visit -

You have I doubt not
seen the proclamation of the
President as to the Crow Creek
Reservation - The closing of
it came near causing some
of the unprincipled whites whose
speculations it spoils, to
mob me but they dared not

I have a long letter from
Genl. Sherman on the subject
and hope for a better day in Indian
management - Please let
me hear from you as soon as
this house yours truly

Dear Sir:

Can you inform me whether the
Records of the Bureau RTHH are
now accessible? I made a deed
to the Am. Miss. Assoc., in order to
get from the Bureau some money
to build a small school house in south
west Georgia. This was in 1868. The
validity of the paper is now questioned by
a party here, and I want to get from the
Bureau copies of the ^{letter} ~~correspondence~~
concerning the transaction.

Dear Brother Otis

It is a rare pleasure
you have planned for
me to take such a trip in
such companionship. If
I could think myself strong
enough to go right along
without any possible delay
to the party I would not
hesitate to accept. May
I take a week or two

to consider - and also to
find whether I continue
to improve in health as
I have been doing for
two weeks past! I do
not like to decline positively
such a tempting offer;
but I will not long stand
in the way of your giving
the chance to someone else
if I feel I am not able
to accept. At any rate I
thank you for your invita-
tion - most heartily - With
love to all - Affectionately

I have your

examinations of your sons.

They are entirely satisfactory,
and I am obliged to you for
the pains you have taken to
explain, so much in detail, the
character of the examinations
which you have given the young

With their evident ability, and
with the advice which I know

they will both make good records.

puts our dear good friend
Gen. M^c. Dowell in the true
light, as to the first Bull Run.
I hear you are to write an
article on Chancellorsville.
Your brother Charles pub-
lished in the Advance the
best article I have ever
seen. If you do not see
it, I hope you will before
writing yours. We are to
inaugurate our new man

great lights are to be here.
I hope he may do as much
good as the one you and
I were instrumental in
bringing here. I may say how

Dear General

Referring to the Lot at West Jefferson Ohio purchased by you from Bishop Brown, I find that the same was sold for Taxes (\$5.79) on Dec: 10th 83. I found out the name of the purchaser and wrote her and enclose her letter herein, as you will see, she says she has expended \$65 on the Lot. What do you wish done in regard to it? My own opinion is that I would not throw away \$65 more.
