Dear Sir,

Please inform us as to the date of your lecture here. There seems to be some misunderstanding, some saying that the 5th was the date given, others equally certain that the 4th is the date. Some advertisements, giving Sat. Dec. 5th as the date, has already been put out, but this can be easily corrected if the 4th is the proper date.

Yours truly,

My dear General,

Pay the above heading, you will perceive that I have charge of another assembly, as well as Ottawa, for next year. In order to accommodate Dr. A.H. Gillett, I would like to change your engagement from Ottawa to Monona Lake. I cannot now give the precise date, but it will be near Aug 11. We will give you $125, and R.R. tickets to and from Chicago and the Assembly, your paying other expenses. I hope that this will be agreeable to you.

Sincerely Yours,

Dear General,

In reply to your letter of the 20th ult., I am sorry to say that I cannot lay anything in favor of that convict, Frank Ford. His reputation in his company has been bad, and with his companions it has justly been held. I have no information with regard to him beyond what I have heard from reliable sources. I do not think his conduct warrants an additional pardon. I have been instructed that no further action shall be taken.

I return the enclosed letter and enclose an additional penciled page. I have been instructed that no further action shall be taken.

Dear Sir,

I got a 3/4 from you to-day was the first I had known of any thought of change. You are billed here for Friday Evening Dec 4 as agreed. The Y.A.R. turned over to the Westing Water Academy the Section House for this winter and it appears on inquiring that they wanted you to change to Saturday night Dec 5th so to have you with them over the Sabbath.

My dear father,

It is just before breakfast and I am going to take the train at 8 A.M. to Troy — where I shall arrive just after noon. For a week before I left Troy to come here I had but about six dollars. I had thought that enough to come here. But there was a heavy snow-storm & I had to buy ticket another way from Albany — after I had already bought from Troy one way. If I could not set them via Newbury (Fishkill) on the N.Y. Central &
Anderson River R.R., so I came via the Boston & Albany.

But my money ran out and I have had to borrow from George Briggs to return to Troy. I shall also need money in Troy, immediately for drawing paper. Can you write and send me some as soon as possible. I can manage to get along until it comes, by changing the paper at the book store.

I have had a very pleasant and grateful visit here. I saw his wife & children and well—two bright little boys. I return to Troy ready for another session at study.

I shall be there in time for the recitation this afternoon. I came here on Wednesday—getting here at 6:50 P.M. having been delayed several hours at different places. I had left Troy at 6:00 A.M. My money was all used in buying my second ticket.

$8.97 & I had fortunately about 30 cents worth of postage stamps with which I got my breakfast of bread flakes & milk. Then I read the rest of the day—getting to school in time for supper. I am very

Dear Friend,

I am your debtor for personal kind letters and am sorry that I have not a moment in which to reply today. Your son I am carrying on a correspondence and I hope they will be very successful.

The firm here.

Inclined to endorse Mr. O'neill financially please say nothing about it and I will wait and hope for the best. I am going to write to Mr. Milton today to fill their order for the wilton if they will push it.

When I get any look on it I feel I will write you a reply to your kind letter.

Very confidentially,

Sincerely,

L.C. Halloway.
I feel less inclined than to give credit for the length of time asked by Mr. O'Neill. I would trust Mr. O'Neill and am responsible for the files already made. If you see this letter it is a request to give to Mr. Howard 1000. They might have all books desired. They have lost many files and don't care to pile up further.
