Dear Sir-

In 1880 I passed the Medical Board at West Point, as alternate appointee from the 11<sup>th</sup> Cong. District of New York - also passing the Mental Examination at the same time. In 1881 the Medical Board reported me - I being then a regular appointee from the 19<sup>th</sup> District of the same State -

My tastes all tend toward a Military life & I am now anxious to obtain a commission into the Army from Civil life - as I have had several nearsighted acquaintances who have done so.

My mother dying in August '81. I have since that time been without a home - In the Spring of '83 - My father's brother C. L. Strong of California - invested his own & some of my little property

I should like to obtain a letter of introduction to the Lieutenant General & have thought perhaps that you would be willing to grant me such under your hand - as you were an acquaintance & Corps member of my father, G. C. Strong. -

I have your letter of June 25<sup>th</sup> for which I thank you. I do not think it will be necessary to annoy the General by forwarding my letter. Dear General,

Col Brommow has improved in health so much, we all feel that if he had some work.

He had been accustomed to. He would gain more rapidly - with his mind at rest, that he was doing something. He has been Quartermaster Agent several years. And during the Rebellion was in active service, as Quartermaster all the time. He

should  
be me  
the w

should not expect him to  
do much of the writing or  
the work. For my son  
who is a fine penman  
and scholar would be  
with him - and I should  
devote myself to him and  
his work as closely as  
I have ever, since his  
health began to fail.

I feel confident - if you  
have any position that  
you can give him - you  
will find the work done  
well and faithfully - and  
be doing us a very great  
favor. Your life has  
been as devoted to the good  
of others. I have confidence  
that you will give it due con-  
sideration. Respectfully  
Mrs. H. Bronson.

My dear General:-

When I was recently at Waukegan attending an all day missionary meeting, I learned that you were to be there on the 4<sup>th</sup> for the Assembly meeting. You may have noticed the appeal of Mr. Dana of St. Paul that on the evening of the Fourth a simultaneous effort be made to remove the \$3000.00 debt of the A. M. A. Now as our lengt. pastor at Waukegan is a good friend of ours and intends to improve that occasion, I take the liberty of asking if you can consistently say something for him at that time. I know it would be in your heart. But in addition to your other burdens you may not have the strength to take up this. We are much encouraged by the general and hearty response of friends to this proposition. "Pilgrim" recently referred to your coming to Waukegan. Please ask Mr. Stinson our pastor there for the same. I enclose leaflets and send you separately some of our matters.

Very Cordially Yours-
