Sacramento, Aug 30th - 1886.

Genl. O. O. Howard,
Comdg. Mil Div of Pacific.

Dear Sir:

The establishing of an "Arbor Day" for California is a very worthy movement, but the date now proposed - Oct 30th is not a proper one, not being late enough for tree planting.

Very generally there are not sufficient rains until nearly the 1st of Jan'y to put the ground in proper condition for the purpose indicated. Planting in dry ground in October, would not only be difficult from hardness of the ground, but also the roots would dry so much that planting would result in failure.

It is suggested therefore, that to fix upon a day which would be available for all parts of the State, some time in the latter part of December would be the best.

The Record Union has long been a

friend of just such a movement
as now on foot, and has long ad-
voated the necessity of forestization
in California. It is desiring of aid of
the present movement of Mr. Miller's,
and therefore, the suggestion as to a
change of day to a practical one
for all parts of the State.

If you will indicate the advisability
of such change, it will no doubt
be made. May we have the pleas-
ure of receiving your views upon
the subject?

Very Respy Yours.

My dear Sir;

I wish to say a word
in behalf of my friend Lieut. A. M.
Merrill Fifth Artillery, now at
Vancouver Barracks W. T.

He has recently been suddenly
ordered there from San Francisco
to do duty with a light battery.
The change was ~~sudden~~ unexpected
& expensive. Lieut. M. has de-
veloped a pronounced Hernia
since being on the Pacific Coast
& his present service (mounted)
is of course especially bad
for such a case. The oppor-
tunity to detail Lieut M. for
such service will, as I am

I am afraid that an officer below Lieut M. on the roster has been able to secure this detail for the latter in the hope that it may compel his retirement from disability, or that the service may be so hard as to necessitate this step.

I learn that a friend of Lieut. M. has asked you to take him upon your staff as aide de camp. And I

to express this matter for the

of mine, Mr. W. has asked you
to take him upon your staff
