Major Genl. G. O. Howard

Commanding Division of the Pacific

My Dear Sir

Your very kind letter of Aug 23^d was duly received, I would not willingly ask you to do anything that could in the least compromise you in the high public position you occupy. But I do very much desire to secure your attendance, as one with others to address the people of Sacramento, under the auspices of the Y.M.C.A., and upon Y.M.C.A. work. Our greatest difficulty in our work in this city, is to exhibit the sympathy and get the active cooperation of our representative business men. I feel very sure that the Master would use you very largely, in securing this result here. And knowing of your identifying yourself with our association work whenever your duties have called you, I took the liberty of addressing you upon the subject

Dear General Howard.

Remembering your great interest in the Church in Omaha, I thought you would be interested to know of our progress. I am glad to say to you that the First Church have a lot in Orchard Hill, west Hamilton St, near Reservoir, and that a new Church is now being built in Omaha view in north Omaha, which overlooks the City & the Missouri. This Church will cost about \$17500, when completed, & the first Church people near Sherrill's Road given nearly all the money.

The latter will be completed by next month we have a clergyman to take charge -
Rev Mr Crane.

I write this knowing you will be glad to hear of it.
