Dear Sir:

I write to ask if you will not contribute an article for the column of my paper on some department of our Association work, or else on some form of personal work for Christ. The paper does not pay me well enough to enable me to pay for contributed articles, much as I would like to do. I must largely depend upon my friends to aid me in filling the paper with such suitable matter as will make the paper valuable to my readers. I do not wish a long article; a column in length, or at the most not over two columns. I am now printing 2000 copies a large audience for you to address,
and an opportunity is presented
you to speak to them.
You surely cannot refuse the
plan to do good, and at the
same time aid me in my effort
among young men.

Respectfully,

Woodward Dale
In a meeting of the Young Men's Board of Directors, held Saturday evening last, it was instructed to write you asking you to come and assist in paying a debt of a few hundred dollars. We very much need your help. The affair was unwise and a few friends engaging Mr. Gildough to give them a lecture for which they were to pay $250.00. They lost money on the lecture and have never been out of debt since. We have a hall in the building which would hold fifteen hundred people. I know you could fill the house. We have written to Rev. Dr. Crayle, a favorite among the Stocktonians to the effect that we are trying to get you to come up. We want him to take charge of
The money raising at the close of your address. The time we had rather have you. It will not say but let you set your own time. Only comes off once a week day. I will wait patiently your reply. I desire you will to consider the well fare of the men of Stockton that you will come to their aid.

We had a grand meeting last year.

Hastily and always Yours,

O.H. Needel

Yours truly,

Greeting:

The Pastors’ Union of Sacramento, composed of the ministers of every Evangelical Church of the city, at a recent meeting adopted the following:

Resolved, That it is the sense of the Pastors’ Union of Sacramento that a meeting of the pastors and members of the Churches of the State, and of all other friends of Sunday Legislation in the State, should be called at an early date at some central point for the purpose of making an organized effort to secure the passage of a Sunday Law at the approaching session of the State Legislature.

A Committee was appointed to devise ways and means of carrying this action into effect. That Committee now suggests that a Convention of all persons interested in the passage of a Sunday Law, be held in San Francisco on 20th of November, at 2 o’clock p. m. of that day, at the Y. M. C. A. Building, to consider the whole question and to devise means for bringing the matter properly before the Legislature.

You are respectfully requested to be present at this meeting and to lend your aid in furthering this important interest.

Major General C. O. Howard

Dear Sir,

The Christian Workers of Plymouth Congregational Church (Past Presd. Rev. Webster and Buchanan) propose to give a social and entertainment on the evening of Tuesday Nov. 30th.

We earnestly desire, that you should address the young people, not only because your name on the programme will attract many, but because those of us who have had the privilege of hearing you, desire others to be inspired and blessed as we have been. At our last social Mrs. McKay spoke. If you can come and can give me the topic, I should like to put it on the programme, otherwise I will say Remarks by —

It has not been the custom here to have religious addresses at socials,

You are kind enough to ask me to extract from Official Report relating to the battle of Antietam, Geo. A. C. McDowell, of the 1st Ohio Artiz., who was killed at Gettysburg. You subsequently wrote to me that if I could send you a photograph you would look for your name, with the hope that it might have been inserted in your command. I sent the photograph, but have had no answer. I am sure the copy photograph I had of my brother. As it is of no especial value to you, if you decline it, and you are kind enough to return it, if you find it among your letters.

My dear Sir,

I have as yet been unable to get a 10 share lot of Pacific Gas. On reflection, I think I am warranted to recommend you to take 50 shares of Electric Light Co. stock at a dividend of 10¢ per share. This is declared today, I will learn the accident to continue. If you conclude to do so, I will let me hear from you each Monday, I can get it at about current prices.
