Dear Sir:-

Chicago, Nov 1st 1886.

I write to ask if you will not contribute an article for the columns of my paper, on some department of our Association work, or else on some form of personal work for Christ. The paper does not pay me well enough to enable me to pay for contributed articles, much as I would like to do. I must largely depend upon my friends to aid me in filling the paper with such suitable matter as will make the paper valuable to my readers. I do not wish a long article; a column in length, or at the most not over two columns. I am now printing 20,000 copies, a large audience for you to address,

and an opportunity is presented
you to speak to them.

You surely cannot refuse the
plan to do good, and at the
same time aid me in my effort
among young men.

Respectfully,

Dear Sir and Bro.

In a meeting of the Y. M. C. A. Board of directors held Saturday Evng last I was instructed to write you, asking you to come and assist us in raising a debt of a few hundred dollars, we very much need your help. The as^{so}cn^y was unwise ~~to~~ a few years ^{ago} in engaging Mr J. B. Gough to give them a lecture for which they were to pay \$450⁰⁰. They lost money on the lecture and have never been out of debt since. We have a hall in the Building which seats fifteen hundred people. I know you could fill the house. We have written to Rev^d Dr Coyle, a favorite among the Stocktonians to the effect that we are trying to get you to come up. And we want him to take charge of

the money raising at the close of your
address. The time we had, rather have
you. It will not say. but let you set your
own time, only come for a week, day, and
the sooner the better. I will wait patiently
your reply. And I do hope you will so consider
the welfare of the ^{young} men of Stockton, that
you will come to their aid—

We had a grand meeting last Sunday.

Heartily and Always Yours

Greeting:

The Pastors' Union of Sacramento, composed of the ministers of every Evangelical Church of the city, at a recent meeting adopted the following:

Resolved, That it is the sense of the Pastors' Union of Sacramento that a meeting of the pastors and members of the Churches of the State, and of all other friends of Sunday Legislation in the State, should be called at an early date at some central point for the purpose of making an organized effort to secure the passage of a Sunday Law at the approaching session of the State Legislature.

A Committee was appointed to devise ways and means of carrying this action into effect. That Committee now suggests that a Convention of all persons interested in the passage of a Sunday Law, be held in San Francisco on 20th of November, at 2 o'clock p. m. of that day, at the Y. M. C. A. Building, to consider the whole question and to devise means for bringing the matter properly before the Legislature.

You are respectfully requested to be present at this meeting and to lend your aid in furthering this important interest.

Major General O. O. Howard

Dear Sir.

The Christian Workers of Plymouth
Congregational Church (Post Street, bet.
Webster and Buchanan) propose to give
a social and entertainment on the
evening of Tuesday Nov. 30th.

We earnestly desire, that You should
address the young people, not only because
Your name on the programme will
attract many, but because those of
us who have had the privilege of
hearing You, desire others to be
inspired and blessed as we have
been. At our last social Mr. McCoy
spoke. If You can come and can
give me the topic, I should like
to put it on the programme, otherwise
I will say "Remarks" by —.

It has not been the custom here to
have religious addresses at socials,

but I wish those who come - not
only to be entertained but spiritually
blessed; - wish them to remember,
that they are among Christians.

Yours Very Respectfully

You were
kind enough last Spring to send me ex-
tract from Official Reports relating to my
brother the late Lieut. Geo. A. Woodruff of the

if I would send you his photograph you
would look through your notes with refer-

As it is of no especial value to you, if
