Dear Sir: Your favor of the seventh of January is at hand, and we see that you quite understand our plan in regard to the article on the March to the Sea. It would give us much pleasure to have offered you greater space, but in this matter we are not our own masters, and we must therefore beg of you to make every sentence and every word count in picturesqueness and point. We think you would be very much aided in this by using sub-titles, not for publication^{perhaps} but for the purpose of assisting you in concentrating your fire.

With thanks for your cooperation,

Very sincerely yours,

Dear Gen.

You have forgotten one and by way of introduction I will give you a brief history of myself.

I was the first volunteer in the war from my town (Batavia, County and Cong. District: was wounded at Gains' Hill, '62 lost the head of the humerus and six inches of bone in right arm, captured at Scraper Station, taken to Libby, exchanged was commissioned in Volunteer Service in Dec 62 before wound was healed while requiring daily dressing, was afterwards transferred to the V.R.C. was

stationed at Douglas Hospital
until after the surrender. Studied
Medicine at Douglas. Succeeded
in getting a lithograph of my-
self in Surg. History of the Rebellion
Case 1500. After the close
of the war ordered by yourself
to Texas where I served
under such successive Gen.
from the first to the last: and
when finally discharged returned
to Washington, graduated at
Annapolis and returned to
my native village where I
have established an Quackery
as you will see by enclosed
Circular. I want the
favor of your name as
reference. It will assist
me where I am not
known by being vouched
for by persons who are

known. I think no
favor you could confer
would be more appreciated.

You may locate me when
I recall to your mind the
fact that I was latterly sta-
tioned in Northeastern Texas
at Clarksville where I was for-
tunate enough to break up
the Griffith and Baker
gangs who did as much
mischief.

My dear General

I thought it would be gratifying to you to know that what you said on Sunday, was not "as water spilled upon the ground." Not only have I heard of the general satisfaction felt by those who heard, but this morning I received a note from a Prisoner, who is to leave next month. He says that your remarks have led him to resolve to lead a different & a better life in the future. He was raised by Christian parents, & was himself once a member of the Methodist Church, but fell through Whiskey. May the Grace of God help him to return to the Lord with deep penitence & true faith. All of the Christian prisoners were greatly strengthened by your remarks. I hope that before many months pass, they may hear from you again.

Major General Howard,

Dear Sir,

I presume it would be rather more business like if I presented a statement of account at the first of the month. — I find from my books, that I have not sent in one since the 24th of November last, so that up to date I am entitled to the sum of \$20, which I hope for your sake, don't look one tenth as large to you as it does to me! My exchequer (or perhaps purse would be the more appropriate term), is as parched and thirsty for the irrigating coin as the San Joaquin Valley is for the liquid wealth which has been so copiously hovering over us to day and which may prove a disappointment by tomorrow.

Bozworth, H. M. Jan 18

I recently taken a house
and gone to house-keeping
which accounts for the remark-
able evaporation in my finances
just alluded to. So my dear
General if you can conveniently
send me a check it will be
unusually acceptable just at
this time to

Dear Sir

At the risk of in-
-tending I venture to
send to you some poor
words of mine about
our beloved Grant, whose
life and service will
be the subject of your
oration next Friday
night. Because these
speeches came from my
lips, is not my reason
for enclosing them, but

because I shall find
him has fully my sym-

memory of our lost
Commander. —

An invitation has been

such a theme. —

I have taken the

My ardent wish is
that your fraternal
prayer, that we all
may be one people,
harmonious and undivided,

Très honoré Monsieur le Général.
Ma belle ^{fille} Madame Sophie Gay, née

m'annonce que son mari bien aimé,
mon fils Jauri Gay, est mort de la
fièvre jaune, le 13. 8 br^e à Panama
où il travaillait pour mettre
dans l'aisance sa bien aimée
femme et son cher fils.

Madame belle ^{fille} est donc veuve
et dans le deuil obligée de
pourvoir par son seul travail à
sa subsistance, et à celle de son
enfant, et à lui procurer une
instruction et une vocation dignes
de celles de son bienheureux père

et de sa tendre et dévouée Mère,
Ma belle-fille me parle de vous
avec beaucoup de sympathie et
d'estime, elle est heureuse de vous
compter au nombre de ses amis,
vous lui avez témoigné de l'intérêt
dans la situation triste où
Dieu l'a placée par sa providence

Je remercie Dieu de l'avantage
que votre affection précieuse

Nous sommes très heureux dans
ma famille de savoir que
notre bien-aimée belle-fille et
son cher fils ne sont pas abandonnés,
mais que notre bon Père céleste
leur a préparé des amis précieux
compatissants et fidèles qui les sou-
tiennent dans leurs épreuves.

En vous priant d'accepter le té-
moignage de l'estime et de la gra-

Sir.

Having seen you
at San Quentin last
Sunday I recalled a fresh
to memory many instances
of the part as I served
under your Generalship
as one of your body guards
through many campaigns
in 1863 and would have
remained with you could

you have retained ⁱⁿ command at the time
of being ordered to Gen
Grant's head quarters in
Virginia and Sir if you
ever come over again I
would like as a special
favor to have a talk
with you and the reason
for my not doing so on
this occasion was solely
owing to the position of
embarrassment of which I
felt myself so overshadowed
with and now that I
find myself so much in
need and without a friend
have concluded to enter
my claim for my

entitlement and pension
rights which I have never
had occasion to want
until now so if you
kind self will I beg to
assist me I feel that I
will not have much
trouble in substantiating
my rights as an honorable
subject through out the
rebellion between the N &
South so trusting this
be sufficient to satisfy
your Generalship of my
having been so I claim
I will for this time draw
to a close my short epistle
hoping to hear from you

Dear Sir:

The Medical Department of the University bearing your name intends to adopt an inscription card for the coming commencement, bearing at the head a medallion with your likeness which was designed from an old photograph representing you, and hanging in the office of the Surgeon-in-Chief, Dr. Purvis. In order to get your expression of countenance exactly, so that the likeness

may be recognized by everyone who knows you now at a more advanced age, it is desired to obtain a photograph of you as you look at present, for the use of the designer. As chairman of the committee on printing, Class of '87, Med. Dept., I request that you will kindly send such a photograph, if you have one, to my address without the least possible delay. By so doing you will greatly oblige the class and the committee.

Very respectfully,

I take the liberty to write you
to learn where I can get your
article on the Atlanta Campaign
I understood it was published
in the United Service Magazine
last August I registered 48
to that magazine but as yet
have failed to receive a single
copy have written them several
times about it and received
but one reply saying they would
send the magazine at once but
they failed to do so. Can you
tell me of any other place to
get the article I would like

very much to have it as I
served in the 19th Ohio during
the war. which was as you
know in your (the 4th) Corps
on that Campaign

My only excuse for intruding
on your time is my great

of that Campaign as I read
your articles in the National Tribune
and was so well pleased with
them that I want all if I
can get them
