You can take your choice. The other two
Sundays are not at my disposal, & the Sundays

Owing to the large amount required for necessary improvements and the construction of new lines which have been made by the Company during the past year, we find it impracticable to pay the certificates of indebtedness due May 1st next, in cash without passing at least two dividends. The Directors have therefore, decided that it is desirable to continue the cash dividends and retire the certificates with stock.

Already full ninety per cent. of the certificate-holders have agreed to take the stock as proposed, and we trust this proposition will be received with favor by you.

You hold certificate No. 44 for \$12 $\frac{97}{100}$ - dollars. For this we will issue $\frac{1}{6}$ shares of full paid stock upon receiving your certificate assigned to the Nebraska Telephone Company and will remit us \$3.69 cash

Gen. C. C. Howard,

Phelan Building,
City.

Dear Sir,

You I hope will pardon me
for addressing you in this manner,
but I feel I must make some further
explanation of the unfortunate affair
which occurred last Fall.

I do not want to inquire ^{deeply}
nor do I feel anything but sympathy
for her, and I would be glad to aid her in
any way I could, if she would, but take
your advice.

I did not go to see you to obtain
any money, I do not feel I have a

claims on the Government. Mrs W.
needs her money and to confirm
her statements & if possible enable her
to obtain hers I went with her. She
was out money through ———. I was
not. My acquaintance with Mrs.
W. is through her son, whose S. S.
teacher I was in past years & visited
the family in the capacity. I am
interested in the lad, and feel Mrs.
W. is a good woman kind & anxious
to help all; but of her views in religion
I know nothing.

Mrs ——— I said her husband was a
cousin of yours & for years in your class.
Sydney her position under Government.
I knew when I undertook the work,
I was to wait until Jan'y 3rd when
the G. paid ———'s salary, who would
receive \$3. a day for Transcribing.
She said, "she could not stand

it to do it herself & must have someone,
that when her brother came he would do
the work. She had your permission
to hire the transcribing done or to
do it herself but she would have
work given her from prominent Mem-
bers of the church to more than make
it up. It did not come out of her,
but the Gov. paid that sum and
I would be entitled to it, through her."

She was sworn in and so I was
to keep my work private, which
I did, occasionally letting mother
correct it, but only when rushed.

She told me to destroy my notes
which I did last week.

I cannot remember much, but
the first trial I had was that of
James K. Kelly for drunkenness and
disturbance at the Oakland Ferry.

328.

My brother Vernon, in the
Bank corner of Eddy & Market sts.
can confirm my Statement about
my doing the work from Presidio but
not what it was, He made out one
bill. I made out one, but I only
stated the days I worked & Mrs.
_____ was sorry it was so few.

A Mr Jenny who tried to get
her place made the trouble.

The last time I saw her she said
"you were so sorry and said her position
was safe and you gave Mr. P.
nothing but the "Trials" she doing
the rest for you." That last time
I saw her, she engaged my friend
to do her type-writing. She understood

what she did of Gov. was to be paid
for when ——— was paid. Not work
she was to receive pay when the work
was done. The only work I did aside
from Dec. was finished by my friend
——— giving \$1.00 for what I did
which I did not want to take, as I did
not do it ^{correctly} & she was welcome to it.

Please pardon this tedious explanation
and do not feel I claim anything
from any one. At the time I did
the work I really needed the money
but now though I have a small
salary we can do very comfortably.

If ——— will only be a true
woman ~~there~~ would be no need
of her to worry & think I would ever
trouble her. My mother & I feel very
sorry for her and wish her every

help and we do earnestly pray that
she will be led & guided by a Higher
Power."

I was pleased at meeting you,
but sorry it should be in such a
manner. I shall never forget your
brother & his family nor their kind-
ness to me.

Hoping you will excuse this
lengthy epistle and pardon the
great liberty I have taken. I remain

Yours Respectfully
Annex P. Campbell.

This will introduce to your notice

my friend B B Wiley of Chicago who very naturally
desires, during a brief business visit to California, to
have the honor of meeting you. He has asked for a
letter to you which I give, although so many years
have passed since we met during the war, that I may
have faded from your memory.

Will you please send me your photograph to be
engraved for the second vol of the abm work, together
with the appropriate data for a proper sketch to accom-
pany the same. Our first vol appeared in January,
the second will be ready in June. Should we not
make your name in the second; it will occupy a
place in the third vol to be issued in the Autumn.
