Mr. April 25th

Dear Gen. Howard

My Mother has a very dear friend in this city, Mrs. Mary Hemingway, the well known "lady bountiful" of Boston, and also my Mother's friend, and she is anxious to give this lady a look at Angel and Alcatraz Islands, and I write to you to know if it would be possible to get passes to go on one of the government boats and see them.

The Mother I refer to is at Hampton.

My Mother sends her kind regards to Mrs. Howard and you. Mother Miss Filmore, and wishes me to say she
has time seen with me as far as the terminus of the cars, on the Park streets line, and found that you family from out of town. With Kind Regards from my Mother. Very Sincerely Yours.

Dear General,

I wrote to you in French two weeks ago, to ask whether you and your daughters were still of opinion to take lessons from me next month as you were thinking of doing when I had the pleasure of meeting Miss Howard at your office.

I am obliged to make new arrangements for the summer, I beg you, therefore, to let me know soon, if I can rely on the promise you made side of
occupied space for some time
occupied this summer

With kind regards
believe me, dear General

Dear Sir - yours of the 23rd was at hand. Either the battles around Chattanooga or the Campaign of Gettysburg would be a very acceptable subject to us; and I think, however, we will select the latter subject, Gettysburg, unless you prefer to give the former.

The date which will best suit us will be May 19th or 20th, or else, the 24th, 25th or 26th. Unless you prefer one of the later dates, we will probably decide on the 19th or 20th. We will commence to advertise the lecture this week.
or as soon as we settle on the date. If one of the late dates should be your preference or if the first mentioned date is preferred to the last, let us know now, and we will go to work to provide and prepare for a large audience.

Yours very respectfully

J. L. McDilland

My Dear Sir:

Your kind reply to my inquiries about Mr. Stanton is in hand. You will please accept my thanks for it.

You state one entirely new fact (to me) viz. that Mr. D. refused to go abroad. When was that, & to what court was it proposed, & who proposed to send him?

When did you meet Mr. D. at Savannah & what was the occasion?

I beg you, if you will, to furnish more anecdotes & any further facts you can recollect. Treat me as if I knew nothing about Mr. D. at all.

Up to within a brief time I have devoted my efforts to the life (private & professional) of Mr. D. prior to his entry into Mr. Lincoln's cabinet, so any knowledge I
You have mentioned the possibility of Mr. D. establishing a newspaper office, which is a very interesting idea. I hope you will give this project serious consideration. Mr. D. is well known for his literary contributions, and I believe he could make a valuable addition to our city's cultural landscape.

In the meantime, I would like to express my gratitude for your continued support. Your willingness to contribute to our community is greatly appreciated. If there is anything I can do to assist you in your endeavors, please let me know.

Yours sincerely,

We have omitted

Dear General:

Your 320 acres in 313, 30 E., are sold. I am off to Bakersfield by early train to
morrow and consequently could not go
through the detail necessary to the transfer
of the contract. I received from the gra-
unter a deposit of $75 to bind the ten-
gain and gave them a receipt in yo-
name.

When I return from the South we
will fix the math. up.

Shall probably be back next Tuesday
A.M.

Enclose your press copy of receipt.

Yours to,

My dear General:

I am very anxious to see Col. Fred Crocker and Charles Crocker in regard to a contribution to the expenses of the International Convention. It seems to me now is the best time to do it, and when I can find out that they are in will you run out again with me some morning to see them? I will call for you when I am sure they are in their office. I will find out first and then come right to you and we will run down as we did before.

I think we can get a good liberal contribution from them.

Cordially yours,

My dear General:

I am very anxious to see you and hear you speak and run. But I have not yet been able to get away out of the house. I have been in a business of a very serious nature and I have been occupied with it for some time. I have been working on some very important work. I will come over later this week.

I have come right to you and to Mr. Hill and now at our own pleasure.

I think we can have a happy event and I shall write from time to time about it.

My dear sir:

Through this Carrie W. Hunt, the California agent of the "New West Educational Commission," I learn that you have been a support and valuable aid to her and the cause she represents. At full length I found her a wonderful worker in an important field—working even beyond her strength and I became interested in her. She feels as though I had done her a great service by bringing her to your notice. I was well aware that you would recognize in her a laborer in a field where such laborers are too few and would extend a helping hand. I write now to suggest a way whereby she can be further assisted, if not bankrupt.

Sir: I trust I do not trespass too much on your time, although a stranger. When I ask for a short interview on the topic of explosives I am engaged in developing a terradrial motor and a large part of our motive power is derived from war material. The English Admiralty scout has been out reached by the English Wheelmen and these ventures the assumption that the Yankee machines can cover the record of the English Cycles on a long or short trail.

Gen’l O. O. Howard,

My Dear Brother:—

If the pleasure cannot be mine of taking you by the hand, I desire to have it enjoyed by my parishioner and fellow-helper. I cannot say in an open letter all that I think about Mr Van Patten; but he is one of the kind, for whose presence in his church, any minister will thank the Lord. I need not say that his friends and the public have much use for him. You may have seen his name as that of the President of the United Society of Christian Endeavor; and I am very glad to be able to send by him this note of introduction.

The sight of your name, General, always awakens very pleasant memories. I hope that I may see you again.

With kind regards to Mrs Howard,

I remain,

Very cordially yours,

Edward Hawes.

My dear General,

Looking forward with pleasure to your expected visit next Saturday. I write to give suggestions as to the trip. If you wish to return by train on Sunday morning, in time for your Chautauqua, you must get your round ticket on the return of your South Grape route. If you only wish to get back in time for your North Class, it will not matter which road you take. You can leave at 3:30 or 3:31 P.M. on Saturday. Tell the driver of the ambulance to leave you at my house.

At a meeting of the Board of Directors, held on the 25th inst., it was decided to recall all of the Stock Certificates of this Company issued previous to May 22, 1886, and to issue Certificates of the new form in their stead. I shall probably desire you to go and see Mr. Crocker with me some morning this week. He is out of town but expected home tomorrow. I think we can get a contribution from him if we can see him. Dear Friend,

You will please excuse me for troubling you again but I am particularly anxious that every possible effort be made within the next few days to secure entertainment for delegates in the homes of your Church, as there must be a report from the entire committee on Entertainment not later than May 6th or 7th. Hence you can see the importance of every possible effort being put forth within the next few days. Where you cannot secure entertainment in homes please try and secure a cash contribution if possible. No money received in this way can be used towards serving lunches. Every dollar must be expended in Entertainment as we shall be obliged to send many to hotels.

Will you please see your Pastor and ask him to talk the matter of Entertainment from his pulpit next Sunday morning. Urge the importance of it upon him please, as we only have 5 or 6 days in which to work.

Any information you can give us in the matter will be thankfully received.
