Major Gen. O. Howard,
San Francisco.

Dear Sir:

Rev. J. H. Harwood is about to resign the
pastorate of the Cong. Ch. of San Diego, & Rev. J. A.
Cruzan has been strongly recommended to us
as his successor. He has been here & preached
for a two Sabbaths, He made a very good
impression & the congregation wd undoubtedly
vote to give him a call. But the officers
of the church wish to be careful and not
rely too much on pulpit ability. Mr Cruzan
seems to be rather showy & self conscious,
striving for popular effect. We do not know
to what degree this indicates the kind of
man he is. It may be simply his unfortunate
manner, or may be partly assumed with
the sincerest desire to accomplish the most
good. To be brief - we think that he
wd be popular & energetic, & accomplish much
for the church. But we feel that a little doubt

as to his spirituality & his Christian
influence. I write this in confidence to
you for I like Mr. Augar personally.
I was in Beloit two years while he was
a student in the college & feel quite
inclined to his coming here & renewing
our acquaintances. Our Church is growing
rapidly & a fine class of people are coming
in. We need a strong man. Do you think
Mr. Augar wd be the right one? As you
were a member of his Church in Portland,
your ^{judgment} wd have great weight with us & it
wd be kept as confidential as possible. I
should insist to the deacons that your name
should not be mentioned to others in con-
nection with this matter.

If you have time to write me a brief
reply I shall be very much obliged to you.

Mr. Martin was very sorry not to
see you when Mr. Howard & yourself were at
the time you called at Judge Sawyer's.

With much respect, I am

Yours truly,

Geo. W. Marston

My dear Gen^l Howard

Perhaps you are at
San Francisco again by this time.
I am very sorry we did not know
that you & Miss Bessie were coming.
If we had known we would have
met you at the steamer & had you
take tea with us. It so happened
that evening that every one of us was
out. I did not get home till after
seven from a ramble on the foot-hills
with my gun. Martin also was away
on a drive. I drove down with Miss
Roe as soon as I could get a horse
& went on board of the boat. People
had seen you a few minutes before
but I could not find you in the
few minutes before the whistle blew
for all except passengers to go ashore.
I then found that my horse was
so restless that I had to get him

If the work at once ² or so miss
seeing you which I much regret.

I feel very grateful for all the
courtesy that you & your family
bestowed upon Martin. She has
often spoken of it. I wish you could
come down to the jubilee celebration
of the arrival of the rail-road at
Santa Barbara. There is going to be
a big pow-wow. I have been working
very hard & steadily on my story
& hope to complete it in a week or
two, then to have a little vacation be-
fore I start for home. We expect to
be in San F. a day or two early
in Sept. & then go eastward.

Mrs Roe & Martin join me in
warm regards to you all

Yours sincerely
E. P. Roe
