Mr Howard Dear Sir
I have made mention of
your name in regard
to the time I got my leg
broke, in talalut Reservation
as one of my legs is about
one 1/2 inch shorter than
the other, which has
disabled me in a great
many things ever since
in case any word from
Washington to D. C. should
reach you, you can
appreciate the fact

when I was returning
from the East I thought
it would be too much
out of my way to come by
S. F. Cal. I took the N. W.
Route I went as far back
as Boston Mass. I enjoyed
a very good time there
among the friends and
acquaintance. Hoping this
will reach you in good
health as this letter
was in at present we
may thank God for all
our happiness. Hoping
that Peace and Pleasure
and free progress may
through the U. S. and
at last reverse
