Miss you please with  
autograph letters to Bros. Hamilton Fay and  
J. L. Dutton of this City.

The former ones were rec'd duly  
and distributed.

I regret, with the many other  
friends to whom you have become so dear,  
your early departure for the East, but  
feel sure that your heart & prayers will be  
ever with the Associations of this Coast,  
and I only say "God be with you till we

My Dear General

I see by the papers that you are ordered to go. Personally I assume you I am very sorry to have you go - I hope that I shall be able to see you before you start. I wanted very much to have access to the material you have, on the first day of Gettysburg - Your Bro. is preparing me the material he has, & since that the diary of Capt Sladen taken in the field would be invaluable to me in fixing hours & positions of movements on that day. Can you say that any other books or articles were put to me by the officer in charge of the papers of the day of the battle of Gettysburg and if you can see them before they are packed - I expect now to be home Thanksgiving & I can spend a day or two looking up what I want - I am trying to get to the bottom of things & shall try to put the truth

On the door

which, will stand criticism  
with very kindest regards  
to the family & express my  
best wishes for your prosperity  
not happiness

Hopes he may be  
able to obtain certain  
books &c relating to the

Dear father

We have seen your order to New York. Though I would have preferred Chicago, that has a great many advantages especially as Jamie & Jennie are near N.Y. I enclose my check for 295<sup>00</sup> which is the balance due you on the Boyd's addn. lots. I hope this will reach you before you start East.

I am glad that Mr. Dunbar has been ordered to the Precinct as he deserves it. Mr. Ludcott did not neglect your request though I have heard from Omaha that Sub. Wren promised Chaplain

Lewis that he should be ordered there; on the strength of which he sold out at Niobrara preparatory to going. Mr. Dunbar is very much disappointed that you are not to be in California as he hoped to meet you & be under your command. Colonel Townsend is going to start on the 10<sup>th</sup> of December on a four month's leave and <sup>will</sup> go to see you in New York after he gets there. We have missed Harry and Mrs. Woolworth's party very much as they kept everybody going during their stay with a great variety of amusements. Fortunately we had very pleasant weather and they got safely back to the Railroad before any cold weather occurred.

Give much love to mother & Bessie. Jeanie, Helen & Otto are all very well & still able to bundle up and take a drive every day as we are as yet free from worms.

Your affectionate son  
Guy

Maj. Gen. O. O. Howard

My Dear Sir:

I'm pegging away here  
in N.Y. trying to pay  
for a little house that I  
Bot. The last thing that  
I did was to work helping  
make a road @. \$1.50 <sup>a day</sup> and  
board myself. Worked as  
long as it lasted. Now I  
wish you to ask (Mr.  
Tweedale (I think his name  
is - He is Chief Clerk of  
the War Dept.) to assist me  
in getting appointed as one  
of the assistant door keepers  
of the House of Representatives

I know that on the Pacific Coast I knocked your feet out from under you (as you expressed it) faster than you could get up, but I was home sick. I'm getting older and see more and more the necessity of providing a home for my old age. When I was a clerk before Gen. I saved my money. I invested \$520. in Florida land and it is there yet. I do not want to importune you in this matter - do not want to ask you to try me 70 times seven times, but if you knew how anxious I am to live in a house of my own. (We owe \$460. on it) I think you would lend me a hand in this matter if it is consistent

This time I should be putting my money into a home here, and a small piece of land that I could support myself on. There would be no trouble about my not sticking to a government place and tending to business. I've scrubbed round now so I should appreciate it and take care of every penny. (You certainly do not forget me. I worked on the street rail-ways or cars. A. N. Towne sent me down on to that ranch and I sold books in S.F.)

BOSTON, MASS., Jan. 8, 1889.

Dear Mr. Editor:—

It is much desired that the inclosed Call shall appear simultaneously in the newspapers on the morning of the 11th inst. I sincerely hope you will find it of sufficient interest to command a place in your columns in full.

Very respectfully,

L. EDWIN DUDLEY, *Sec.*

THE NATIONAL LAW AND ORDER LEAGUE.

*Call for the Seventh Annual Meeting at Boston, Feb. 18 and 19, 1889.*

The Seventh Annual Meeting of the Citizens' Law and Order League of the United States, will be held in Tremont Temple, in the city of Boston, Mass., on Monday and Tuesday, Feb. 18 and 19, 1889.

The local arrangements will be in charge of the Law and Order League of Massachusetts, and due notice of the details will be given.

The constitution of the National League declares that the objects of the organization shall be to maintain the principle that the enforcement of law is essential to the perpetuity of good government, and by promoting the formation of State and local leagues having the same objects in view, between which it shall be a bond of union and means of communication, to secure in all proper ways the enforcement of laws relating to the liquor traffic, and all offences against morals, and the peace and good order of society, and to encourage and assist the authorities in maintaining and enforcing the same.

The convention will be composed of contributing members who have paid the annual membership fee of five dollars; delegates from State and Local Law and Order Leagues; delegates from other societies having similar ends in view; and attending friends, who will be admitted to participate in the proceedings.

Members of the National League are requested to notify the Secretary, as soon as practicable, whether they expect to attend. Organizations authorized to send delegates are urged to appoint them, and notify the Secretary before Feb. 1, 1889.

Any church that feels an especial interest in the cause of Law and Order, and is convinced that Religious Liberty would perish if Civil Liberty should be destroyed by failure to maintain the supremacy of the laws, is invited to send a delegate to the convention. The free State protects the free Church, and the free Church should keep the free State pure, and show that the religion of the Republic seeks not the abrogation of law, but the fulfilment of law.

The year 1889 will be the centennial of American constitutional government; and there is no way in which that centennial can be more appropriately celebrated than by a great demonstration in favor of Law, Order, Justice, and Liberty. Distinguished orators and statesmen from different parts of the country will address the convention, and the reports of progress will be of especial interest.

The public press are respectfully and earnestly requested to publish this announcement, and thereby add another to the many important favors hitherto received at its hands.

Sunday, February 17th, is designated as Law and Order Sunday of 1889, and the ministers of the various churches throughout the United States are requested, as in former years, to hold a special service on that day to promote the cause of Law and Order, and present to their respective congregations the relations of Civil and religious Liberty to Law and Good Government.

For further information the undersigned Secretary may be addressed.

Major General O. O. Howard,

San Francisco, Cal.

My dear General:  
As I never received an answer from  
you to my letter of the 14<sup>th</sup> of September  
and as my son Eddie tells me in his dai-  
ly letters that he has not been able to see  
you <sup>lately</sup> when he called at Headquarters, I  
feel somewhat reluctant, naturally enough  
to address you to-day. But the circum-  
stances of the case make it a law to look  
at nothing in connection with my own  
feelings, but to try and save my wife &  
children from the great hardship (actual  
want of provisions in the house) which  
they are suffering now and have been  
suffering under for a few weeks past, as  
I am informed by Eddie. The envelope  
which I have the honor to send you  
and which I beg you will send to  
Eddie to keep for me till my return  
speak for themselves. I have no doubt  
but it will take one week or 8 days more  
before I can be reached in my turn &  
find myself alone in the presence of  
Genl Diaz. - It is too long to write

details, particularly when your arrangements  
must for your departure for New York  
(I suppose it must you wishes and I  
try to congratulate you) will hardly  
give you time to read long letters.  
Please let Eddie whom I <sup>have</sup> been keep-  
ing informed half weekly at least  
of all goings on regarding my busi-  
ness here, tell you all about it.  
It takes time, because every thing  
to the smallest disposition in the  
War Department is concentrated ex-  
clusively in the hands of the Seci-  
dent himself. I do sincerely hope  
and believe that I shall be back  
in San Francisco before Christmas  
and what I do know now is  
that the insurance will be accepted  
and that I shall have the sum  
of compensation to Genl Diaz's own  
decision - He is a Gentleman and  
no Jew or miser. - Now my dear  
General, I wish you would help  
my people if not from your own  
pockets which I suppose are fully  
engaged, but by borrowing it from  
of some of your numerous rich  
friends. When I do get home

I shall remit all I owe you and  
others immediately without the delay  
of two days. I can not have things  
go any faster than they do. But I  
am not a person capable of showing  
ingratitude or keeping money dece-  
in my pocket when I have reached  
a successful result. I may find  
myself after paying all expenses, bank  
interest and all, in possession of  
\$6000 American money, but I  
am sure that the sum will  
exceed \$4000 anyhow. But the  
house dies while the crop is growing  
that is to say Mrs De Alba has  
not a dollar to buy meat with and  
Eddie's 20 dollar monthly pay  
can not keep the roof from the  
door - Praying and trusting to  
Providence may be very well  
but it does not meet the case  
just now I assure you, my dear  
General, and if you will manage  
to act our friends part now, it will  
be gratefully acknowledged and be  
made all right in a business way

Dear father

I learned from the  
telegram in a Bismarck paper  
that you had turned over  
the Division to Genl. Miles and  
were to start the 24<sup>th</sup> for  
New York. I wrote a few  
days ago enclosing a check for  
\$295. which was the balance  
due you on the Boyd's Golden  
Block in Canada. Please tell  
Mack Leberly that I received  
his letter today and am  
very much obliged to him  
for it. I am glad that

Grandmother is so well  
so he writes she is, and I  
sincerely hope her neuralgic  
pains will not continue as  
before. Give her our love.  
Jeanie and the children are  
well. We are still having  
pleasant autumn like days  
though the nights are cold.  
I hope you may be able  
to call on Genl. Harrison  
on your way East.  
It would be pleasant to  
do so if you possibly can.  
I wonder if the incoming  
President would not like  
me for a Private Secretary

I think I could be a very  
useful staff officer.

I am afraid of the raw  
weather at Governors Island  
for Jeanie though of course  
we will try it if we get  
a chance. Give love to  
Mother and Pessie and  
all of Uncle Charles's family.

I think Harry has probably  
waited for you, so he must  
have our love too as he was  
a delightful guest.

Affectionately yours son  
Guy.

My Dear General,

I am singing Hallelujah, this morning over the news I just learned, that you are coming east. It is just splendid. It is what we have been talking about, & praying for, & longing for, these weeks. I know Mrs. Howard wd have preferred Chicago, but she must learn to endure our eastern people a few years longer. Tell her there will be thousands of loving Christian hearts to welcome your coming to the East.

I enclose you a supplement about our work in NY state, & we shall claim your services once in a while at least.

In great haste & with much love to you and yours  
I am very truly yours

My dear Gen. Howard -

I am sure you will be pleased to know that the class turned out in full force yesterday to greet your successor, Mr. Alexander. After welcoming him as our teacher, it was proposed and unanimously decided that, in honor of our organizer and only previous teacher, we adopt the permanent name of "The Howard Bible Class". So hereafter when you hear of us under that name, you will know just what it means.

The lesson was promptly taken up and delightfully

Dear Father

Your of Nov 20 from  
S. F. came this evening.  
It began by saying - "I enclose  
you fifty dollars -"

The money, probably a  
check, was not in the  
letter. I presume that  
the clerk, or person, who  
addressed the letter, forgot  
to put the check in.

I think the handwri-  
ting of the envelope  
is that of Lieut Ed. B. Kelly

I presume the check  
will follow in a sub-  
sequent letter.

I send this to you at  
Glencoe.

I hope you will find  
dear grandmother  
still improving.

Harry arrived  
safely this even-  
ing. He is well &  
happy.

We will have a  
good time the com-  
ing week together.

Please write me

The date of your  
arrival in this  
city, if you can do  
so. I must sail  
on Dec. 5. next  
Wednesday at 7: A.M.  
Plans made before  
hoping for your  
change so soon,  
prevent further delay  
on my part.

I have put off sail-  
ing from Dec. 1. to  
Dec. 5. But a longer

delay will endanger  
a prompt marriage in  
Göttingen.

I leave Dec. 5. arrive  
here about Dec 16. We  
will probably be  
married about Xmas  
time - I shall return  
with Adelheid at  
some time in January.  
Thus I will be here  
almost three weeks  
there. A short stay  
for two ocean trips.

I am very busy, but very  
well & cheerful

With much love to all, grand-  
mother & yourself I am

James
