Dear Sir:- Replying to your telegram received to-day. Did you not receive my letter in reply to yours asking whether we could get rates from Chicago to Detroit. I answered your letter promptly stating that we should be unable at this time to do so as we only had transportation on the Michigan Central, and we should need all that for our traveling men. We have been unable to make a deal with the Michigan Southern and the Grand Trunk this year. I enclose receipt from Mr. C. O. Howard, stating that he had received the mileage books which I sent him all right.

Gen. C. H. will be home Saturday.

My dear General

We were much pained
in seeing the announcement
of the death of your mother.
Will you please accept the
sympathy of my family &
myself in this great loss.
Whatever ties we may have
in this life besides, there is none
that can take the place of
the tie that binds to the dear
one who nourished & trained
us in our weak childhood

train
letter for

and gave us our first-lessons
right & wrong. I have ever
looked back with grateful
heart to the patient care &
loving Christian training of my
dear Mother, & this feeling has
grown upon me more & more, since
she has passed away from earth.
And as I look back upon my
Mother's beautiful Christian Char-
acter, & realize how much I am
indebted to her, for that which I
have received of her spirit, & of
the Christian faith which she so
adorned, & which was so important

factor in her life - I am the
better prepared to enter into the
feelings of grateful remem-
brance for the dear departed
Mother, which will come
to you with renewed force
now that she is no more
present with you. I need
not speak of the consolations
our blessed Christian Religion
gives us for these days of be-
reavement, for you know them
as well as I.

Our friend, Mr. Moody,
is actively at work. The
pavilion, seating 4500 is now

Crowded Every Evening - The day
meetings have filled to overflowing
the 1st Baptist Chh. & now the
1st Congregational - A deep feeling
is manifested & finds expression
in the largely attended after meetings
for conversation.

I regretted that I did not see
you the day you left San Francisco.
I went down to the Ferry landing
to say "Good-bye," but arrived just
as the door closed upon you -
The train, I found, started half an
hour earlier than I supposed.

My family join me in kind
Regards to yourself & family

Yours truly

My Dear Sir.

It would have
given me much pleasure
to have seen you when in
our city. I tried to yester-
day as I desired to invite
you to speak upon the
Subject of Arbitration at
our annual meeting at
the Academy of Music
the 19th of February next.
Your brother & myself
differ from you in our
views of the Christian truths
tho upon the subject ^{of war} but
I am very thankful that
we are one in Christ Jesus
and that as one of your
associates ^{could} I might have

lately we have a Christ-
ian Soldier in Gen Howard
Even if they are few in the
Army & I hope you know
many more. I feel very
confident Col. Robert is,
having known him some
time & become very fond
of him - Now I think it
is the duty of all of us to
do what we can & it is
only from this feeling that
I am exerting myself
very much, being a very
strong believer in our
favourite's teachings I want
to use every effort to give
them a practical turn
before the world and we
have succeeded - Thus
far - To form a pr Asso-
ciation representing the
best talent & brains of

Philadelphia & after this meeting
of New York & Baltimore
I expect - also represent-
ing the business wealth
of the city for more
practical men or richer
cannot be found on our
list of men - We have
memorialized the Emperor
of Germany upon the
subject & backed up our
letter for by ones from
Governor Beaver and
President Hayes. We
~~are~~ ^{have} prepared as a
Memorial to the Senate
& Corps Legislatif of France
& when it is endorsed by
the boards of Trade of
New York Boston and

Philadelphia & Baltimore
This meeting we will for-
ward it. We are also
publishing to go & mailing
single to over 20,000
Sunday School Teachers
& ministers the enclosed
paper & want to do all
that our Lord will
show us & having done
all stand in favor of
peaceful methods &
push arbitration out to
the people of Europe.
So many of our Gen-
erals have spoken in
favor of this plan some
from one reason & some
from another that I
do want your utterance
at this meeting Feb 19th
I hope you can come
& speak - I do hope

5
you can come & that
you will excuse this
long letter. I only
write so to show we are
trying to give a practical
turn to the work & I
believe the Lord needs
your help as well as
ours in it

Yours Truly
Wm. B. Wood

None of our concern if
included get ^{Salary} any. I should
not say that exactly, for we
don't know what the Lord

gives but the funds of
the Assn are all used for
printing & etc we are not
animated by pecuniary
gain at all - I am not
at all sorry & am thankful
I can get along without.
I will try to see you in a
few days -

Your letter recd some days back. I am doing much better than I hoped in reviews.

It is now 1.45 AM Saturday & I have just finished the triangulation which I thought I had finished with hope. What you & I did was but the third part of all of it I should have found the x, y, z 's of all stations. we found z 's only.

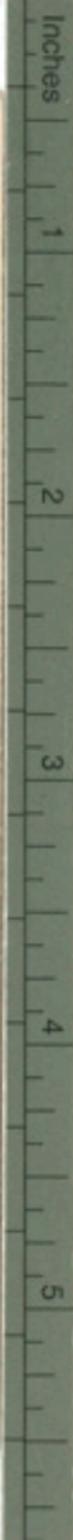

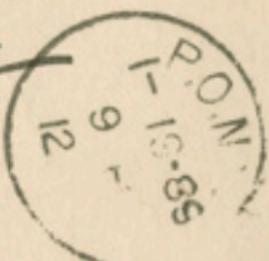

My Physics Exam troubles me but I shall do some hard study on that. Adjustments of Instruments. is O.K. I guess.

My Descriptive stands now thus. an advance 2.8 review 4 so my examination needs only 2.2 to pass me. In Logic the Prof gave me in advance 2.8 but corrected it to 3. so I now stand thus advance 3. review 2.9 Exam needs 3.1 to pass. Last Examination Jan 29. Tuesday love to all Osean John.

Dear Sir,

After our call
on Mrs Howard and
yourself yesterday, my
wife and I attended a
reception at the home
of Dr. Robert T. McKim,
who spoke very warmly
of you, and who told me
with evident pride and
pleasure, of his having
been one of the Surgeons
in attendance on you

at Fair Oaks. I have
asked for invitations for
Col. McKim and his
family, to the reception
to be given to you and
Mrs. Howard on Saturday,
on which occasion he
has expressed to me
his hope, that he would
be able to meet you,
and recall remembrances
of the wonderful days of
'62. He speaks very
modestly of his services,
and thinks it probable
that you have no recollection
of him, as he was quite
young then, and, to

use his own expression,
was "only an Assistant
Surgeon." He is an
accomplished and
courteous gentleman,
whom, I am sure, it
will give you pleasure
to meet, and is actively
associated with the
militia as Medical
Director on the Staff of
General Fitzgibbon.

My Mother and wife
join me in warm
greetings to Mrs. Howard
and yourself - and

I am, Sir,

Most respectfully,

Honored Sir

I have received your answer per Lieut. Greble and in reply, and in my own justification would say that while I do not know if my reformation be "genuine," or not I have firmly determined to change my mode of life in the future, if I had not I must admit that your letter would have had the effect of a wet blanket on me, I am well aware that my past life has not been one to inspire confidence but I was in hope that my avowed purpose to amend would cause good people to lend me a helping hand which I would not ask if I could

do without it. I will be released
with only five dollars in a bad time
for work and without any under-
clothing, to keep myself clean or pre-
sent a decent appearance and I ask
you sir as a christian if you are
fearful that I would make a bad
use of money, to please to send me
some underclothing. You can send
them in care of the Warden who will
see that I get them. (I am about

Dear Sir

I recently learned through the papers, and a circular from Rowland, of the death of your dear & honored mother; it must, indeed, be a source of happy reflection to you, that she was a Christian, & lived to a good, ripe old age; I well remember how she sympathized with & encouraged me, when I first made a profession of religion; her words, then, have ever, ^{since} been a source of encouragement to me, in my Christian course; she has, no doubt entered upon that "inheritance which is incorruptible, undefiled & fadeth not away". And now a word relative to a little affair that is taking place in our vicinity; there are two or three contest

ants for the prospective appointment of a Post Master in our place, (Palermo), & I am one of them; am not able to perform much manual labor & as the office pays about \$200 a year I thought it would afford me both agreeable & profitable employment; if I can procure it by fair & honorable means I would like to have it; I have issued a petition which has been signed by nearly one hundred persons, nearly all of whom take their mail from this office; the other contestants have also issued their petitions, but how many names they have secured, I am unable to tell. I think it is a premature move, but as others are making the effort, I thought I would not fail of being in season;

Will you be so kind as to use your influence with the incoming Post Master General or other officers of the department, to secure my appointment? If you will take a little trouble in

this direction, you will do me a great favor; not knowing your P. O. address, I thought I would direct this to Washington D. C. hoping it would be forwarded to you from thence

Please write as soon as convenient, if received

Post Office address, Palermo Me.

Very truly Yours
