Major Gen. Howard
Sir
You may remember
that sometime last
summer I wrote you
in San Francisco
that I was engaged
in Temperance work
in this place and sent
you a copy of a
little leaflet "The
Reckabite" I am
trying to print and
give away. It is
non partisan in
regard to politics I
try to work strictly
on the Gospel line

you answered me
very kindly but de-
clined to aid me

Now dear General
had you sent me a
vigorous expression
of the true convictions
of your soul on the
subject and only
ten cents with it
and the liberty to
use the letter in my
work oh how much
good it might have
done to the cause

In my part of the
F A R there are
only three out and out
temperance men

What a power for good
the Modest leaflet
might be if backed by

a word from General
Howard and now
that politics are not
in the way the campaign
being over I hope to get
an excellent work on
foot with men now the
victims of Rum

this city has 80,000
people and 800 gin
mills with about 60
churches

Now General in the
rush of life considers
that we must each of
us stand in some small
degree as our brothers
keepers

Yours Respectfully
H M Weideman

In Washington
I had a very satisfactory

Gen. Schofield was
very pleasant & said
that he would attend

not commit yourself

attending but do

Major Genl. O.O. Howard
Respected Sir:

In reference to the last application I made through Division Hd Qrs. for admission to the Soldier's Home at Washington D.C. I have as yet heard nothing - Even if the Commissioners decide to refuse admittance, I should like very much to recover all the correspondence, as my Congressman desires to place the thing before Congress either to get me a larger Pension or to get me into the Home. In the mean time Sir: I am most absolutely in need of some light employment I should feel ever grateful to Genl. Howard

if he were to recommend me
as a Watchman in the
Ordnance Yard or Governors
Island or to something of
a similar nature - or to
give me a letter to Genl
Fitz John Porter of the New
York Police Board who
has many such positions
at his disposal or to Col
F K, Hain of the Elevated
R.R., in fact to any one
who will be kind enough
to furnish me work - I am
sure if the Genl should
do me this kindness I shall
do my very utmost to prove
worthy of the confidence.

I have on file in Washington
for some years an application
as Superintendent of a National
Cemetery, It may be if the
Genl would push this matter

I would soon get the position
there are strong letters
from my Officers on file
with this application.

I earnestly hope the Genl
will pardon all the trouble
to which I have already
put him as I have none
other than Officers of the
Army to appeal to, in my
distress - I have a pretty
strong heart but not
strong enough to appeal
to public charity

I am Sir,
Most respectfully

My Dear Sir:—

We very much desire at least a few sketches from you of such as you can most conveniently write.

In naming our usual rate of compensation, while it is the same as we have paid for articles for the Supplement to the Encyclopedia Britannica in most cases, it may not be equal to what you command in Biography, and we are open to consider paying you a higher figure.

Please say which of the characters on enclosed list you could most conveniently and readily write and at what price each, for say three or four of them, you would prepare sketches of say 2500 to 3000 words, and greatly oblige,
