My Dear Sir.

I am anxious to ascertain whether you could deliver a half hour address before the New York City & Vicinity Local Union Y. P. S. C. E. (as above) at our tri-annual Convention in April. I feel that we could get many young people from Convention (Especially Young men) if Genl Howard would come.

We want to get the

I thought of this the mo-

My Cousin "Mr A. A.

of you and I feel that
you are just the man

better, that it should

Thursday - say April
16th 23rd or 30th or 25th.

I write you thus early
knowing the numerous calls

General O. O. Howard

Dear Sir:

The people of this church have selected me as Superintendent of its Sunday School for the ensuing year, and I find there is need of one to take charge of a class of young people, young ladies & gentlemen.

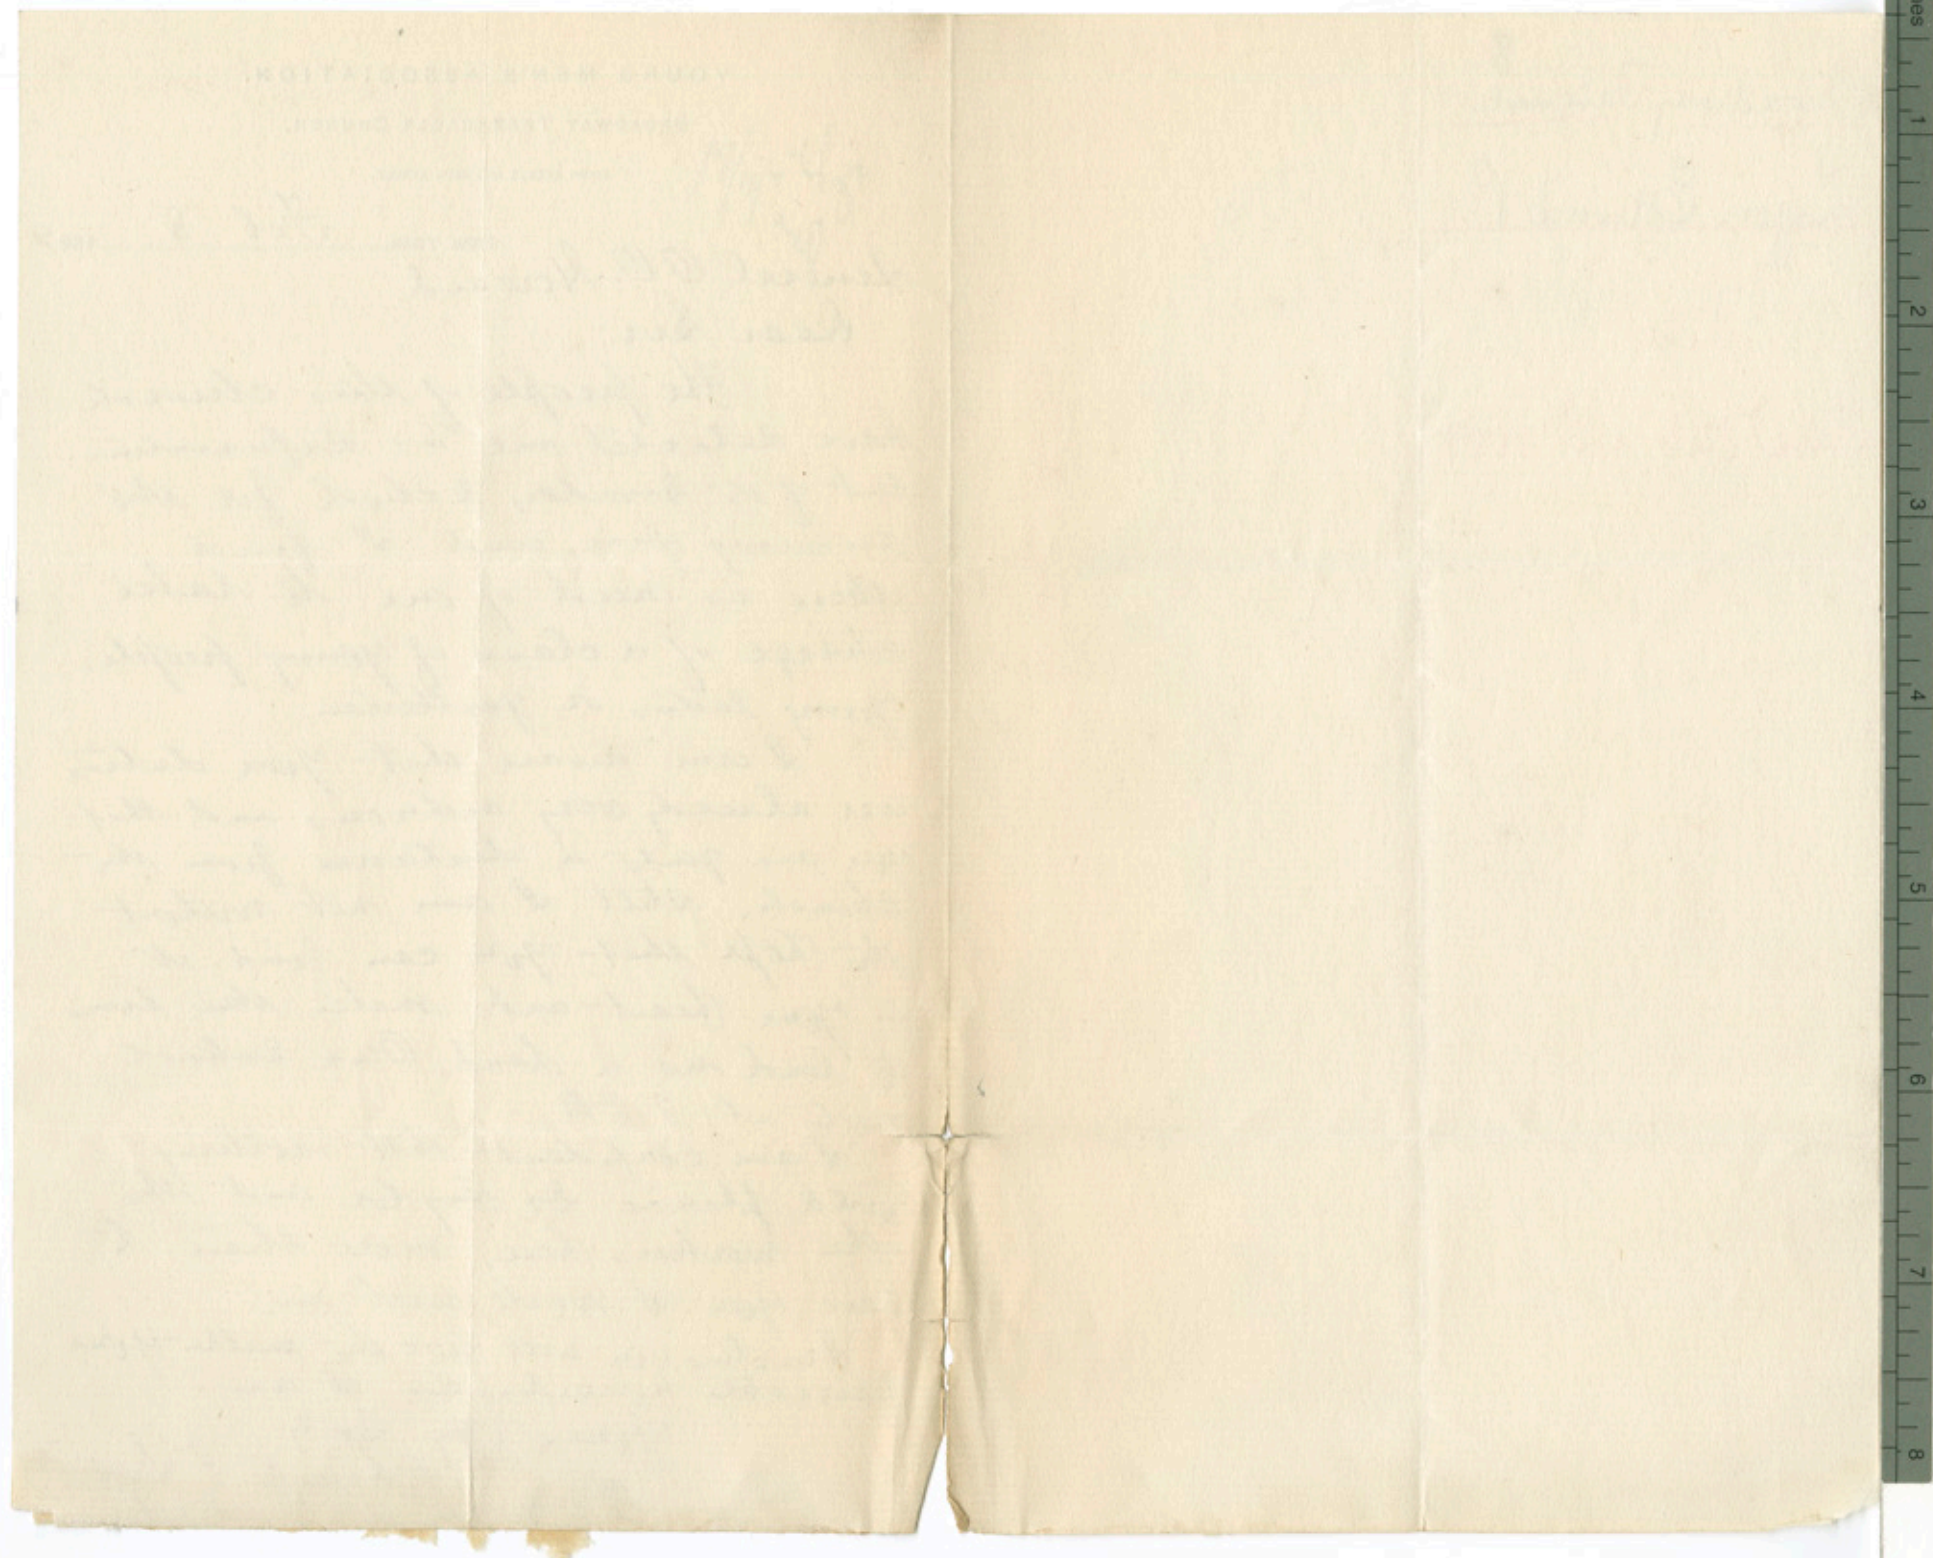

I am aware that your duties are already very arduous and that you are quite a distance from the church. Still I am not without the hope that you can find it in your heart and make the time to lend us a hand. Our school meets at 3 P.M.

I am confident that nothing could please Dr. Taylor and the other workers here, more than to have you at work with us.

Trusting you will give the matter your favorable consideration I am

My Dear General,

The Superintendent of the Broadway Tabernacle Sunday School, has seen somewhere that you were Teacher of a Bible Class at Portland, or San Francisco, and is anxious to secure your services in a similar capacity with us. He will write you probably this evening on the subject & I drop a line to you, partly to introduce you to him, & partly to say that I join him most earnestly in his request.

I have some fear, lest the distance, & the salary portion of your leave may prove a serious difficulty in the way of your acceptance. But if you could make it convenient, I would be more than grateful if you would accede to his request. I feel that nothing more needs to be said. As I know, that if you can do it consistently with your other duties, & with your other circumstances of residence &c. it will be done. The Superintendent's name is Mr. Edward P. Lyon. He is a most excellent man & has my full confidence.

Believe me

Yours faithfully,

Wm. W. Taylor

General Howard.

Dear Friend, It always
affords me a great and highly appreciated
pleasure to address you.

I respectfully ask a favor of you,
hoping you may grant it me.
The position I now hold is not at all suitable
for me. I am as you already ^{know} on the
Police Force, and as I am a member
of the "Y. M. C. A." the position I now
hold, prevents my taking an active
part in the same. I am very anxious
to get into the U. S. Mint. I therefore
sincerely ask your influence, to help
me get the position. I am very sorry
to trouble you, but know that your
influence will benefit me greatly.

I am very sorry to say that Buckley
has almost full control of the Police
Force. I would like to have some
influence to bare upon the Republican
Club, a letter to General Diamond,
or some other good Republican man.

We had a hard fight on the night
of the counting of the Ballots, when
the Buckley crowd tackled us.
Mr. McCoy is well and doing well, also
Mr. Gibbs.

156

I am very sorry to say that the Soldiers
are going back to their evil ways since
you left, a large number of them
are drinking and gambling.

I shall conclude by wishing you
God speed.

and hoping to hear from
you soon. I remain, Respectfully Yours,

Alexander C. McEvoy.
