G. O. A. Howard.

Dear Sir,

Do you rememter in the mouth of October 1865, being in Guanacastia, and visiting there the Rev. B. O. Reynolds, who, with his family, had gotten their lane out of the way to this city?

In those days of reconstruction, ex-foma exile, after a terrible storm, in a strange harbor, with no probable way of getting to St. A.
Just think it was announced that Gen. Howard had arrived on a Government steamer.

I need not recall to yourself all the incidents that followed, but I know that in this nearly a quarter of a century, our heart has innumerable ties with Gen. Howard.

You kindly gave us passage to Jacksonville and then on to this place as a very angel from God to deliver us and to help us here.

Mr. Reynolds has gone home from all of life’s tempests; and the little hillie of shot and storm - worn-out family is with him, too.

I could not let this opportunity pass, without expressing to you my gratitude for your kindness to me in those dark days.

I wish I could always return your pathos with cordiality.

Your grateful friend

Gen. J. C. Howard
My dear Sir: I received a letter from Cousin Charlie Howard a few days ago, telling me that you were probably in St. Augustine by this time and would like to have you call and see us. We live very quietly and simply in a retired spot in the pine woods and I have no particular attractions to offer you, but I should like to meet you and perhaps you would like...
to visit the home that Marcellus has made for us and Cousin Charlie's orange grove; I will make you as comfortable as I can and if you have any of your family with you I would be very much pleased to see them there also.

Our home is near Rolleston but I am staying in Arama considerably, so if you will please address me at Arama and Parakka also, I will be sure to receive any communication from you and will be at home to receive you.

Sincerely yours,
Mary E. Howard.

Dear General,

Jamie has gone to his business and I have done my work, little as it is, and will now write you a note to tell you how well we are getting along. If Jamie goes to the cold every morning at 8:30, will you all be up, or are you not as lazy as we need to be, and do enjoy our longer days? How much better things are accomplished summer months.

With love and kindest regards,

Howard

The housekeeping seems
amazing, and I think
the servants have a good
real job.
Last Sunday we had a
new minister, a young
gentleman who is here
during the Vacation's ref
session. He preached a beau-
ful sermon. The best I
have heard, since I came
here. In the afternoon
Jamie and I went up
my room and spent
hour a very delightful
hours. Her eldest daughter
had been ill with diph-
theria, but was up for
the last time that day.
I had a good letter from
John the other day. He
seems to be very happy
and well after his birth
the two years in his studies.
He asked me to send a birthday
wish, and I sent immediately.
I suppose he has written
to you by this time.
From home I had very
good news. I am going to Italy in June
months. I heard after she
received her to go. They
expected to sail the 1st of
April and arrive by the
1st of June. It is a delight.
I am so happy about it. I am feeling well
enjoy and appreciate
everything is thoroughly.

The Pilgrim Church, Plymouth, Pa., organized four years ago by eleven Americanized young people from the Welsh Church, worshipped for a time in a hall, until a chapel seating 350 was erected, which cost $3,500, and was paid for in two years.

During this time the congregation and Sunday School had outgrown their quarters, and the house of worship, which seemed a necessity, was built at a cost of little over $7,000. At its dedication March 3, the services were conducted by Revs. Messrs. William Kincaid, D. D., New York; J. F. Humphreys, Reusen, N. Y.; D. L. Davis, Carbondale, and Superintendent T. W. Jones, of Philadelphia. The evening session was devoted to missions, with addresses by Dr. Kincaid and others. The church has a membership of 160, and the Sunday School enrolls nearly 400.

During the three days' meetings held in connection with the dedication, sermons were preached by Revs. Messrs. T. W. Jones; Dr. Kincaid; T. C. Edwards, Kingston; Peter Roberts, Scranton; and H. J. Whitby, of Pittston. Mr. Rhys T. Williams, the efficient and successful superintendent, has also rendered much financial assistance.
Dear Sir,

Learning of your generosity in charitable gifts and church work, I humbly enclose you a circular showing the success we have had here in the increase of our Sunday school and church during the last four years. Our chapel having become too small, we had to erect a larger edifice, which cost us over $7,000.

The half of this amount we intend to clear this summer. Our members having already subscribed nearly $1,000.

The church being composed chiefly of young people, all depending on their daily work in the coal mines, have appointed me to ask for subscriptions outside of our own town. Therefore, I beg your kind permission to ask your aid in a small donation. Should you feel disposed to assist us, please make your cheque payable to the Treasurer.

I have the honor to be, dear Sir,

Very Respectfully yours,

My dear General:

There is little news that goes do not one in the daily papers. The funeral of Captain W. C. H. B. took place yesterday. The depth of one inch fell last night after being windy, cold and disagreeable even since you left with the exception of a very few days.

There is not much mail for you these three days, so I forward any two letters which seem to your personal attention.

Will forward mail to Mr. Simon tomorrow.

May Genl. O. O. Howard
U.S. Army

Dear General:

I am an applicant for an appointment as a member of the U.S. Examining Board for Enlistments. I am induced by my local delegation, by prominent men in my profession both in the Army and Navy, and in civil life, and have the earnest support of each man as by Lieut. Col. C. Blatt, Gen. Hamilton Field Jr.
Bailey Thomas H.

Col. Fr5. & Grant, Genl. J. H. Matlock
Mc. Hon. John M. Clave, Police
Commissioner &c.

Being the son of the late Dr. Jos. H. Bailey, U.S. Army, and having served in the Army myself, outside of the fact that I have always been an ardent Republican, I think I am in line for the appointment. A letter however from you addressed to the Hon. Jas. Garvan, Com. of Pension, Washington D.C., stating briefly that you know of me and of our family, and requesting the appointment, I am sure would add greatly to the endorsement I shewn to file with any application.

Yours truly,

Wm. H. Bailey
Dear Sir,

Lieut. General Cameron with his family and Capt. Cormoril, his Aide de Camp, are leaving here on their way home to England, passing through America. Gen. Cameron has been for some years commanding the British land forces in Hong Kong and the Straits Settlements. He will be in New York shortly after this should reach your hands by due course of mail, and I believe intends stopping at the 5th Ave. Hotel: he will only remain in New York a very few days.

The object of these lines is simply to convey the atom information, as it occurred to me you might be glad to receive it, and perhaps to pay Gen. Cameron a visit while he is in your city as a compliment.

The order is the representation of the above named steamship companies at Hong Kong, but only mentions this fact as a matter of identification. If he knew you personally he would say among other things, that are knowing people to meet.

I am dear Sir,
Your very faithful,

Chas. D. Seward
