Dear Grail Howard

If you will kindly  
consent to do the service for  
our school on Sunday Evening,  
April 21, you will make a  
great many people happy.

My father, the pastor, and all  
the officers are very anxious to  
have you. You probably know  
that the work of our church  
is done in what is known as a

down-town district - It has  
very severe discouragements  
and trials accompanying it,  
yet I am sure no church in  
the city has more cause for  
thankfulness to Our Loving  
Savior than ours - Blessings  
have been showered upon us -  
in the past <sup>and</sup> this blessing  
we are now again seeking.

You can aid us greatly by  
your presence, and I take the  
liberty of adding to my father's  
invitation, an urgent plea  
for your presence. Col. Shepard

Governors Island N. Y.

Dear Sir:

As I am an amateur  
photographer, and as my father  
is to be one of the boat crew to  
row the President's Barge on  
April 29, I ask if I might  
be permitted to take my camera  
to Governors Island and  
photograph the naval parade  
as it passes; - from some point  
in the vicinity of the round  
fort, Castle William.

Should you think  
favorably of my application, I  
promise to photograph nothing  
on the Island.

Trusting you will

have no objection to granting  
me this favor. I remain

Very Respectfully
