My dear General -
Your letter to Guy
came Saturday - I
had, and forwarded
it, as I trust he
will not mind.
Guy Ans to me he
will receive his
orders in a week
or two, that he pref-

forward his coming
to Omaha until he
should hear Yatsio
for good. I sincerely
trust he will soon
be here. It seems
to me that the delay
is very curate -

I was shocked to
hear of Mr. Grubb's
serious illness. I
trust he is improv-
ing by this time -
Our fathers are in

the same condition - I am
not sure though but hope to soon
be present at home. I wish we
might be with you on Thursday -
I have some news for you
all -

Respectfully yours
James H. Thompson

My dear friend

Mr. of Mr. W. came
to hand a day or two
ago. I am glad to hear
from you although there
should have been no occasion
to hear from you in this way;
but the simple fact is that
our factor is just such
business points as your
request, is decidedly weak,
to his own injury, and the
annoyance often of his
dearest friends.

I will so that you

request is attended to and
the letters granted this evening,
and that the Clerk sends
them to you in due form as soon
as he can get them ready.

Matters are going on at the
Church much as they were when
you left, though I assure you
that we all miss you and
your family, and so far as
we are concerned would
very much have preferred
to have you remain on this
side. Your class was taken
up by M. C. D. Alvance who
married Miss Crocker, and who
was spending some months here.
He has, I think special gifts
as a teacher and did exceedingly
well. He will be here again
soon I think for the
summer, and I hope may

be willing to take up the
work again. At present
S. Barrows is teaching
the class, but between us I don't
think teaching a Bible class is
quite his vocation — He
will probably go East for his
vacation about the 1st of next
month. Brother Eaton had
a slight stroke of paralysis
about two weeks ago, but he is
getting over it, and we hope
earnestly that it may not
be repeated.

With kindest regards
to Mrs. Howard and the
other members of your family
I am
Yours friend & brother

Dear General.

I mail you in separate cover

of Relief fund &c.

We very greatly desire to double
our present fund. Our labor
is one of love, pure and simple,
and demands on our fund for
needy veterans is increasing
rapidly. Every cent net in any
manner goes into this fund.

I have written Genl Doupkins
in regard to the Meriden honor
and I cannot conceal a great
anxiety.

The Post has appropriated
\$100.00 for expense of trans-
portation insurance and
care, night and day. No
risks whatever would be
taken. We would have at
least one man to watch
him constantly, and give
any required guarantee for
his safe return.

Dear General -

I am about to make a journey to South Carolina. Of course I want to see Fort Sumpter and other points of interest while there - Can you give me a letter of introduction to any army officer there?

Such a letter from you would make it much more pleasant for me. Mrs Dudley goes with me and we will both thank you most heartily for any letter you can send us -

I was very sorry that we could not have you with us at our meeting here in Feb'y

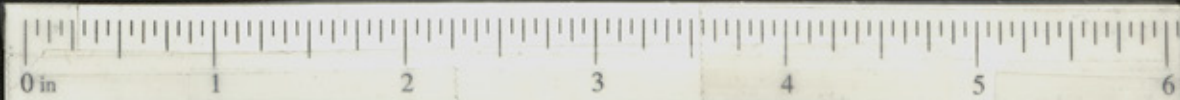

Last. We had a most
interesting and successful
meeting, and it did us
much good I am sure.

I hope you and yours
are all well, and enjoying
your station. I suppose

Please do not think

 Major Genl. P. O. Howard
 Governor's Island N.Y.
 My Dear Genl:

In answer to
 your very kind favor of 14th inst,
 I beg most respectfully to state,
 that there is no controversy about
 the Physician of the Freedmen's Hos-
 =pital, except that there has been
 a change in the Administration
 of the Government, and others
 besides myself are applicants
 for the position.

Dr. C. B. Purvis is in
 charge and has been for
 near eight years, and is
 not acceptable to a very large
 number of the colored people

who are more than any others
interested in its affairs.
The doctor was instrumental in
getting Dr G. S. Palmer out, so
as to get himself ^{appointed}, which he did,
and has been kept in
since by Democratic and
"Orange" influences.

I have served my country
four years during the ^{late} War, and
was breveted Lieut. Col. for distin-
guished services; and would
like now to have a chance
under the government for a place
and therefore ask you to give
an indorsement by letter
to Genl J. M. Noble Secy of
the Interior, which I believe
will assist me a great deal
to that end.

I remain my respectful
