My dear Sir.

In many reasons,
the importance of the
meeting to be held next
Thursday evening (with
reference to which Mr.
Turner is to see you)
and the value of your
presence, can hardly
be overestimated.

I earnestly hope

that nothing may prevent
your adding this to the
many services rendered
to our Association well.

War Department,

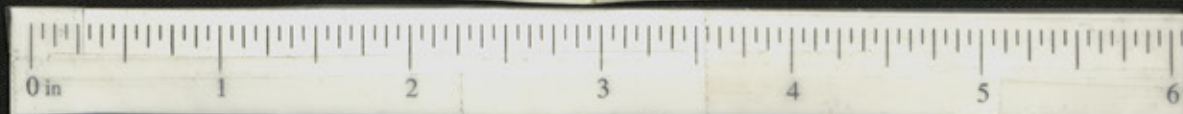

ADJUTANT GENERAL'S OFFICE,

Washington, May 3, 1889.

Major General O. O. Howard,
Commanding Division of the Atlantic,
Governor's Island, New York City.

Sir:

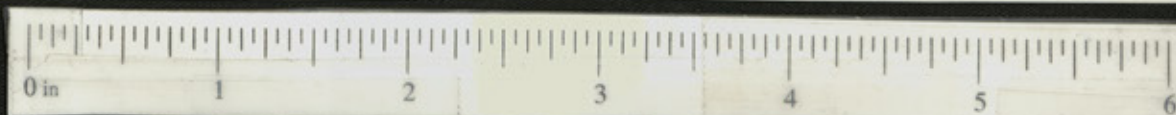

The Secretary of War now approves
your application for the detail of 1st
Lieutenant Guy Howard, 12th Infantry, as
aide-de-camp on your staff. His atten-
tion has been called to the views of the
Secretary of War, on this subject, addressed
to Senator Manderson in February, 1887, (in
the matter of your son's detail) as follows:
"The purpose of the General Order, under
"whose provisions Lieut. Howard was re-
"lieved, was not that a man should be
"relieved and then recalled in a short period;

"and it certainly must have a bad effect
"upon the service if the sons of general
"officers are, simply for that reason,
"relieved from their duties in the line."

In this he concurs; but at the
same time he recognized the importance
to a general officer of his having at least
one of his aides an officer with whom
he can have the most confidential
relations. It is to be understood
that in other respects this re-detail of
Lieut. Howard is to be governed by
General Orders, No. 85, of 1885, and is
limited to four years.

Very respectfully,
Your obedient servant,
J. C. Kelton
Asst. Adjutant General.

Dear Sir

Pardon me for renewing
 the invitation to speak at our Assembly.
 Our Directors are so anxious to have
 you come, that I venture ask that
 you try, and do it. We would like
 two lectures, the first, Aug 1st and
 the second, Aug 2^d. These dates are
 so near there advertised for you
 at Island Park, we think you can
 easily combine them. We shall
 expect to pay the usual price for
 the service, and will take one lecture
 if you cannot give more.

Gen. F. C. Howard

Dear Sir,

I have two objects in view. My first object is to get my son, Wells Chase Davis, who is now 17 years of age, appointed as Cadet at West-Point. The Congressional District in which I live is strongly Democratic, and the appointment for the District has already been made. Therefore, I consider the only chance I have, of getting him appointed, will be through the President. If I do not succeed in this, my next object is, to try to get a Pension, which will require an act of Congress. Any recommendation that you can give me, for services rendered, to assist me in this matter, will be very

Thankfully received.

Most of the time after you
went West, I was in Genl. Auger's
command, operating against
Moseby, as far West as in the valley
of Virginia, and as far South as
Fredericksburg, and was severely
wounded ~~twice~~ during the war.

I assure you, I was glad to meet
you, & shake hands with you on the
morning of the 29th, and very much
pleased to see you looking so well.

Yours &c

Dear General,

Hearing that you are expected to make the address on the occasion of the dedication of the Monument to the Soldiers and Sailors of Maine, which is to be erected in Portland this spring, I have taken the liberty of mailing you the "Portland Daily Press" of the 27 April which contains a paper I prepared and read to the Maine Historical Society on the Early Defences of Portland.

The site of the Monument is on ground on which in 1745 a block house was erected for the defence of the town against the French and Indians. It was also fortified during the War of the Revolution and was known as the "Upper Battery".

The material which I have incorporated in my paper has never before been collected and will in time be published in the "Name

Historical Society's Collections"

Mrs. Leary desires to be kindly remembered to you and to Mr. Howard.

Very respectfully, Yours ob. servant

Peter Leary Jr.
