General O. A. Howard, *File.*

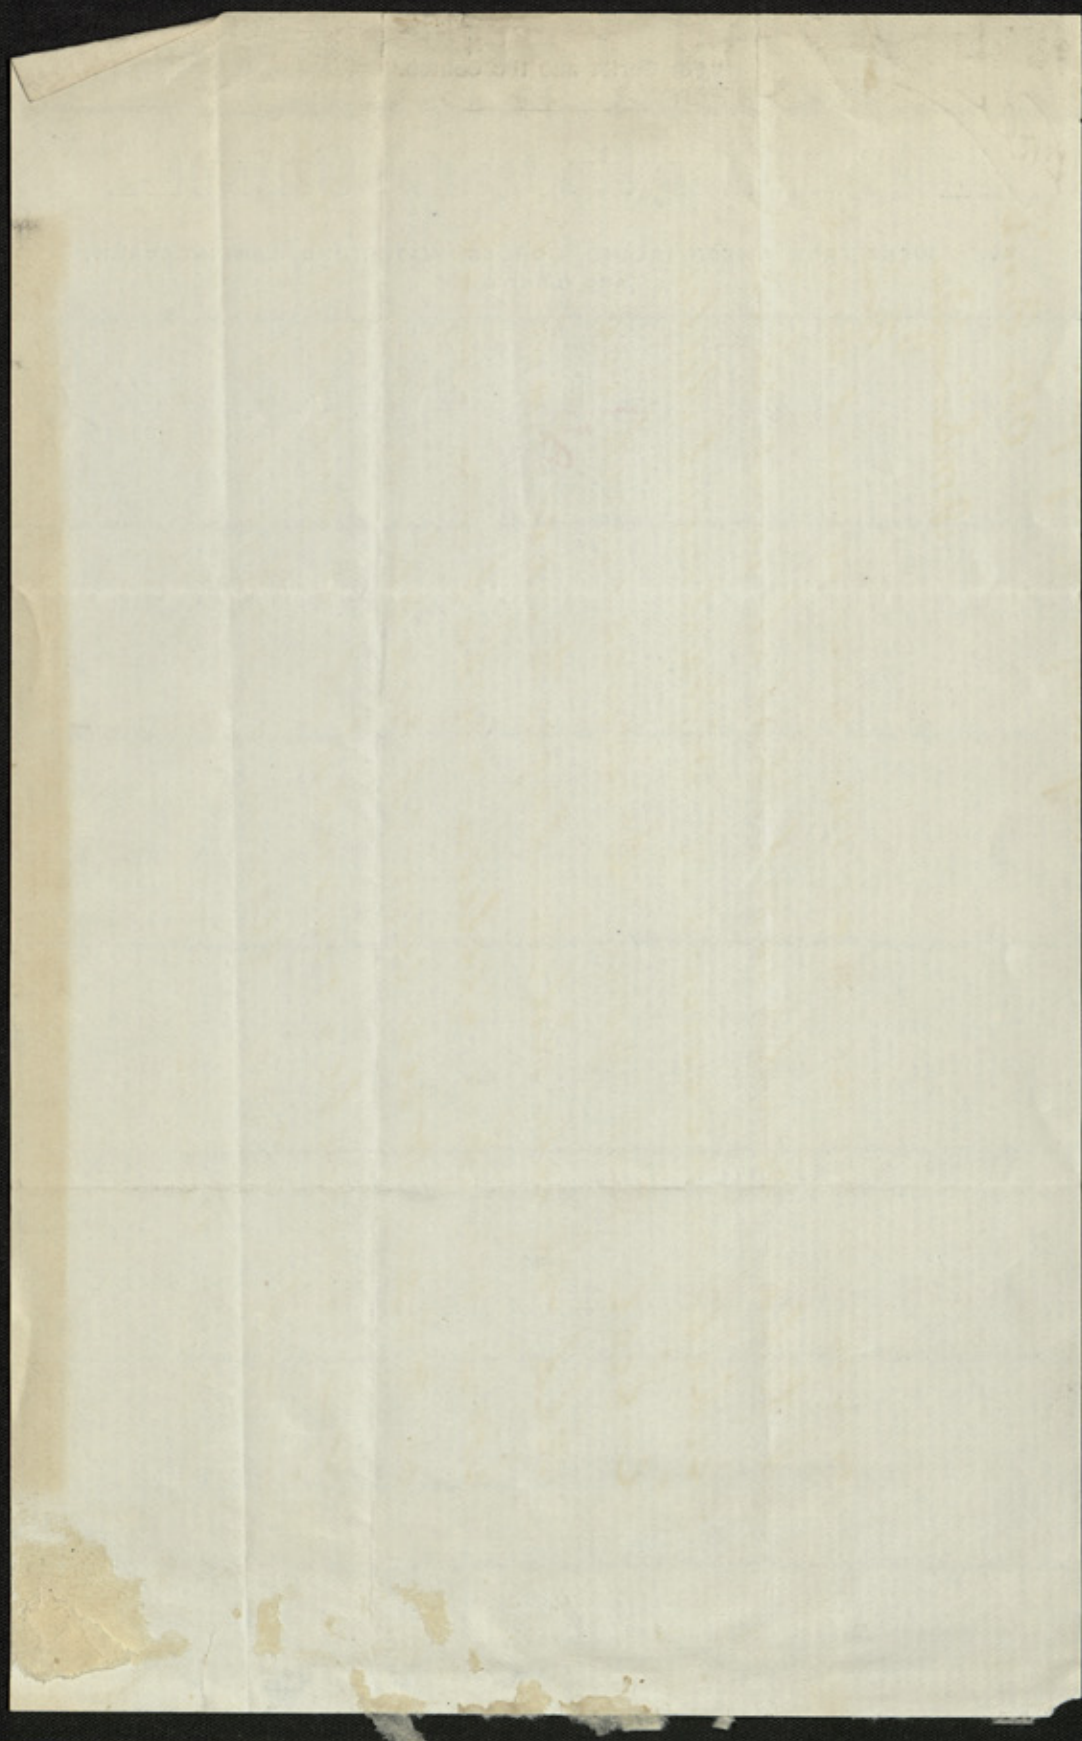

My Dear Sir,

Would it be possible for you to come to Troy and address our Union on the occasion of our Annual Meeting October 8th, 89? Some time ahead yet, but I presume your time is so occupied that we must look ahead in order to "get there" before others. Our Union comprises twenty Societies, nearly all large. You have a membership of over 100. Many almost that, and one (Rev Mr Remick's) nearly 200. We have a large number of young men who could be reached by such a speaker as yourself. If it is possible for you to come, you can be assured of a cordial welcome, and a large opportunity for doing us good.

May Our Heavenly Father sustain you in all your work.

Very Sincerely Yours, G. T. Lemmon

Dear Sir,

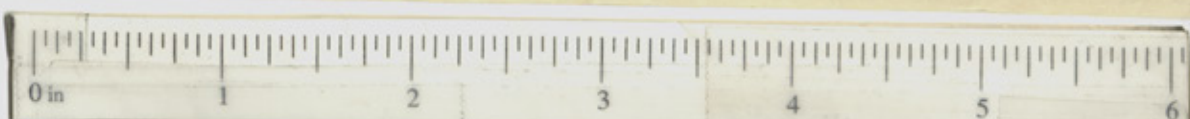

In behalf of the Union I am authorized to invite you to be the honored guest of the Union at its annual celebration on the evening of June 3rd next. On that occasion it is our custom to have with us leading and representative Sunday School men of the country. Mr Ralph Wells has accepted our invitation to be present. Hon John W. Namaker gave us encouragement last March to hope that he also would come but today sends word that it will be impossible on account of department duties. We feel that your presence with us would be an advantage to all the Sunday Schools in this section & what you might have to say to us would reach a very large number & would do a great deal of good. Our Union comprises two hundred Congregational Sunday School

Dear Sir,

I am much obliged to you for the
kindness of the Union and its
celebration on the evening of June 3rd next.
For that occasion it is my intention to have
about one hundred and fifty representatives
from the various churches of the country.
Mr. Joseph W. Allen has consented to
undertake to be present & to deliver the
address & give an encouragement to
the cause. I hope that he will be able to
do so to the best advantage and that it will be an
important and profitable session.
I feel that your presence will be
valuable to the cause and to the
Union in this section and I hope
that you will be able to reach a
large number of people to a great
extent. Our Union comprises two
hundred and fifty churches.

Your brother Rev. R. B. Howard
would certainly join me in urging
you to come except that he had sailed
for Europe this morning.

It would be our desire to meet your
expenses to & from N.Y. & in Boston.

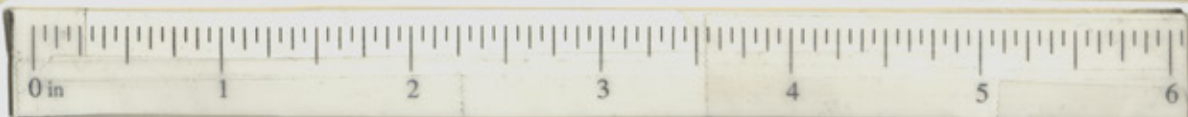

We have requested a friend in N.Y. to
see you today & extend our invitation of
which this is confirmatory.

Earnestly hoping that it may be our
good fortune to have you with us and
assuring you of the esteem of all our
members I am with great respect

My dear General

Your communication of the 25th ult. was answered the following day, but having heard nothing further from you I fear my letter has not been received.

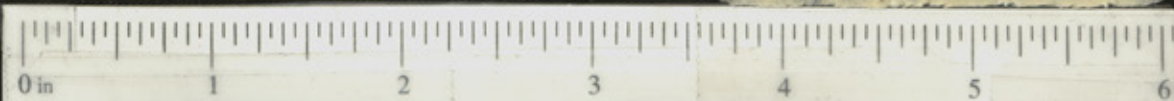

In my reply I denied the allegations mentioned in your letter, and to show you (whose good opinion I value highly) that officers of high rank do not harbor the opinions of those who have maligned me, I enclose two documents for your perusal. I respectfully request that you will return them to me as soon

as practicable, and if you would send with these documents, one of similar tenor signed by yourself, I should feel greatly pleased and grateful.

Very Respectfully
