Genl. O. O. Howard
General-

Major Roche, has been ordered and has gone to El Paso, Tex. and as the last twenty years of my life has been passed without a home, having had so many changes of stations that I have not been on an average of more than two years at a time in any one place, and am so poor now that I cannot move my family with me any more, I have concluded to give up my position in the Pay Department, and seek some occupation, where though the pay

May not be so large - I can do as well - if not better by having a more permanent home and being with my family -

All my life since I have been 17 years of age, I have been connected with the Army, as a provisional soldier and officer during the War - have been wounded by the Apache Indians in Arizona while a Paymasters Clerk, and have had experience in both the Quarter Masters and Subsistence Departments

Can you, General assist me to obtain a position in either the 2d W. or Commissary Depts in New York.

And oblige
Yours truly

Genl. O. O. Howard,

Dear Sir and Bro:-

There is a unanimous wish to have you give a short talk at our Quarterly Sunday School Missionary Meeting on the last Sabbath of this month, the 30th instant, at 3 o'clock, P. M. We can give you an audience of about 1200 persons, mostly young people. You need not be under the necessity of making a formal effort. The pleasure and profit of seeing you and hearing your voice will gratify and satisfy our School.

I desire to add the weight of this fact to my invitation, that I had the honor to serve during the late war as Chaplain in the Army of the Potomac, and now to be a member of the G. A. R.

Our Young people hold You in such high esteem, that a visit on the occasion named would be more gratifying than that of any other stranger, to the entire school.

Will You comply with our wish in this regard?

With sentiments of highest respect I remain

Yours fraternally,

Thos. L. Poulson.

Dear General:

I have your letter of 1st inst. I was very doubtful if I could induce the party through whom the sale of your lot was effected to accept less commission than stated in my last letter to you, but I am happy to say that I have succeeded and made the sale at 35 cents so that it will net you $2674.75.

I inclose you herewith copy of the receipt signed by me on your behalf and check No. 2673 on the Central National Bank of this City drawn by Francis Hufty for One hundred dollars, ($100) being deposit.

The purchaser will examine title, have deeds prepared for you to execute and I will transmit the same to you as soon as ready.

My dear General:

From a newspaper announcement, I understood that you were to speak at the Opera House on the evening of Decoration Day so I was the more surprised when you left early, as your afternoon speech at Grant's Tomb was so vigorous and inspiriting.

As during that pleasant day you incidentally remarked that you did not know what my sentiments were (in connection, I think, with the work among the Freedmen), I meant to have informed you that, since its origin, I have been a staunch supporter of the Republican party.

I want you to know this at the present time, particularly, as my name has been presented for the appointment of U.S. Attorney for the South. Dist. of New-York; and as my supporters urge

that my consistent Republicanism commends itself to all elements of the party, and that my appointment would promote harmony thereon, I should be glad of your influence (as I know I have your good wishes) so far as you can consistently use it in my behalf in communication with the Executive.

Mrs. Jackson recalled our meeting at the Biographical Society some few months ago. With my regards to yourself, and those of your Staff I had the pleasure to meet, I am,

Sincerely yours,

Joseph C. Jackson

Dear Sir:-

For our book "Living Leaders" we have a very well written article setting forth your biography, prepared by Mrs. Laura C. Holloway, but it is not illustrated, and we very much want your portrait. If you have an engraving or electro of your portrait will you not kindly send it to us for use in this book? If you have neither, will you be kind enough to send us a recent photograph that is considered a good likeness; at least let us hear from you by return mail on the subject, and very much oblige,

Yours truly,

Dear Gen.

I hear a report that Dr. Patton has resigned the Presidency of Howard University — I am so glad that I can frankly write you! But I do want to suggest that the one man for the place seems to me to be Dr. Rankin — The possibilities of the institution are simply magnificent & I think Dr R. equal to the whole business — besides, as this is a matter of so small consequence to

us, & his influence
will be decidedly in
favor of sound doctrine
& he will help us re-
build the waste places
of our Congregational
Jerusalem.

Dr Patton will go to
New Jersey to live - possi-
bly to give his whole
time to preaching here
departure - I doubt if
there will be much weeping or
wailing over his depar-
ture next Dec or January!
The colored people re-
cently learn to think
well of his going - to put
it mildly. Sincerely
L. Deane
