Dear General Howard,

I have come again to your country—this time as the Representative of Siam at the International Maritime Conference now being held here. I was informed a few days ago that you
were now in command of the New York District, and I was sorry to have missed you without knowing this. For, remembering your kindness to me at San Francisco in 1827, I should have ventured to call on you and Mrs. Howard with Mrs. Vernay, who has accompanied me.

I hope that you and your family are all well. Please give my kind remembrances to Mrs. Howard. If you should be coming to Washington, I hope you will give me the opportunity of seeing you. This Conference will probably last several weeks.

Believe me,

Very faithfully yours,

Frederick Vernay.

Sir:—

I hope you will pardon me for addressing you, and asking this favor. I am looking up the genealogy of the Howard family, and I should much like the address of Abner Howard. I have written to Bridgewater, Mass., but the letter was returned. If you will kindly inform me you will greatly oblige.

Yours very truly,

Gen. O. O. Howard,
Governor’s Island, N.Y.

My dear Gen. Howard:

Many thanks for your kind letter. I have this morning received a confidential letter from Secretary Proctor informing me that the citizens of North Carolina will not seriously object to the location of the Apache Indians there. He hopes to get away before the meeting of Congress to inspect the locality to which it is proposed to remove the Indians. The Secretary thinks further that it would be unwise to remove the Indians this fall on account of the very positive change in climate. Please regard this as confidential, and believe me, with high regard,

Truly yours,

Herbert W. Welch.

My dear Governor Williams:

Much thanks for your kind letter. I have
since written to the Secretary of the Democratic Party
inquiring as to the condition of the Whig Party there. He hopes to
offer to the legislature a larger number of Congressmen in the fall.

We had a fine debate yesterday on the subject of the
Territorial Legislature.

Your truly,

My dear C.H.O. Howard,

Your very kind letter of today just reached me and you some papers. The Fibers had a good editorial on Saturday and a report in the Sunday issue.

It was one of the greatest gatherings ever held in the Brooklyn Academy of Music. Not building has witnessed some great meeting. It will be remembered years after the last member of William Post has been "mustard out".

I am very grateful to you for your kind offer to add the following address to the occasion. The presence of Regulars in uniform - all upon the Chittick Honor and Merited - Members of Grand Port were just the men for the occasion.

Ever cordially yours,

O. R. Conover
