My dear Sir,

Will you please tell me whether or not after the war you occupied a position as Pres. of Y.M.C.A. in the city of Washington? I wrote because I should like to verify a statement made last Sunday evening (Nov 10) concerning your connection with the association.

Very truly,

My dear General

Your note of the instant with accompanying copy of letter to the Secretary of War relative to the

Other Generals & a vacancy was duly received, for which please accept my thanks. I was very glad to get this, as it assured me of your continued interest in my success, and I hope where the proper time comes you will bear in mind the kindly inquisitive of being the President on my behalf. This you made before you left for the East.

The fact is that one so far away as you are from the
Center of action needs the assistance of those of his friends who may chance to be near the seat of power. And I am, of course, glad to lose this evidence of years continuing friendship; especially as I heard a rumour that Miss Tompkins had your recommendation for the Sec. of War, while I cannot understand what you had said here in reference to that subject. Of course I have said nothing whatever as to this damned, for I thought it must have been mere of an idle conjecture than a statement founded on fact.

Now as to the locality of the young woman. Minnie Asmit, the site of your wife's seamstress. I have by the method you suggested, ascertained her whereabouts. She is living with a good family at Dixon, California, at Mrs. Curry, wife of the son of Judge Curry of this city. This is what Mr. Le for a General Service Clerk at the Head Post, who knows both sisters, tells me—her address is:

To Mrs. M. S. Curry
Dixon
California
McQueen, Nov. 25, 1849.

Gen. O. O. Howard.

Dear General,

Your letter of Nov 8th came to hand the 28th.

George W. Loomis was with me on the 23d of Feb. 1865 and was wounded near Camden and carried by us in a wagon back to your head quarters the same evening.

I remain dear General

Very Respectfully yours

Dear General,

As I may possibly receive

you I will say that I came over
to say a good word for my

friend St. Louis, she was in

my office last week, and
told me of his most uncomfort-
table & disagreeable position under

a Captain who makes his life a

burden, and whom he cannot

respect. Many more will

attempt to see you

and ask that sometime when

it is convenient you will come.

Respectfully,
