My dear General

Your note of the
11th instant with accompanying
copy of letter to the Secre-
tary of War relative to the
Gen. General's vacancy was
duly received, for which
please accept my thanks.

I was very glad to get
this, as it assured me of
your continued interest
in my success, and I hope
when the proper time comes
you will bear in mind the
kindly suggestion, of seeing the
President in my behalf, which
you made before you left
for the East.

The fact is that one so far
away as I am from the

course of action needs
the assistance of those
of his friends who may
chance to be near the
seat of power - and I
am of course glad to
have this evidence of
your continuing friend-
ship: especially as I
had heard a rumor
^{from Washington} that Gen Tompkins
had given recommendation
for the succession, which
I could not understand
after what you had said
here in reference to that
subject. Of course I have
said nothing whatever
as to this rumor, for I thought
it must have been more

of an idle conjecture
than a statement founded
on fact -

Now as to the locality
of the young woman
Minnie Armistead, the sister
of your wife's seamstress.

I have by the method
you suggested, ascertained
her whereabouts; she is
living with a good family
at Dixon California, at
Mrs Curry, wife of the son of
Judge Curry of this city -
this is what Mr Lefor, a
General Service Clerk at
this Head Qrs, who knows
both sisters, tells me - her
address is.

My Dear Sir,

Our association-

is working for a building. We expect
to show the State Committee's views of as-
sociation buildings soon, and I write
to ask you if you could come to Ithaca
and give us an address about as-
sociations and the need of buildings, on
that evening? We have heard of the as-
sistance which you have given in other
cities and we believe you can help
us here. We need a building, not
only for our city young men, but
also for the large number of students
in Cornell. We believe that we are
in part responsible for the right actions
of the students, and while they have
a beautiful building on the cam-
pus, the gift of the late A. S. Barnes-

Friend C. W. Parks,
My dear Sir,

Your communication
of the 10th inst. has been
received. It is very
interesting to learn that
the Young Men's Christian
Association is now
in the midst of a
campaign for the
purpose of raising
money for the
purchase of a
new building. It is
very gratifying to
hear that you are
interested in the
cause and are
willing to contribute
to it. I am sure
that your efforts
will be successful
and that the
Association will
be able to secure
a new and
improved building
for its work.

We should like to have you come Nov 29 or as early in Dec. as you can. Any evening will do except Wednesdays, or Dec 13.

You can leave New York at 7 A. M. on the Lehigh Valley road or at 9 A. M. on the L. & N. Both trains reach here about 6 P. M.

You can return the same evening if you wish, but while here we should like to show you the University and have you meet the students.

We know you are interested in Association work, and we hope, for the sake of the University as well as our city young men, that you will be able to help us. We, of course, will pay all expenses incurred in the trip.
