SHAWMUT CONGREGATIONAL CHURCH.
TREMONT AND BROOKLINE STREETS.

BOSTON, November 26, 1889.

You are cordially invited to attend a reception to be given in honor of Mr. Keizo Koyano, in our social rooms, on Tuesday evening next, from 7:30 to 10 o'clock.

Mr. Koyano left his native land some fifteen years ago, and now, having completed full courses of study at Amherst and Andover, he purposes to give his life to religious work among the Japanese. While regaining fluency in the use of his own tongue, he wishes to spend a year in evangelistic work, perhaps among the students at Tokyo; after which he hopes to be ordained as a Congregational minister, and to assume a regular pastorate. Our church, of which Mr. Koyano is a member, is privileged to assume his expenses during this one year, and in so doing we have the cordial sympathy and friendly advice of Rev. Dr. E. B. Webb, our pastor emeritus, and of friends at the Missionary Rooms.

The occasion will be largely social, and quite informal, but brief remarks may be expected from Dr. Webb, Dr. Griffis, Dr. Phillips Brooks, and other invited guests, also from Mr. Koyano.

For the church.

Dear General:

The Eighth Annual Meeting of our League is to be held at
Toronto Province of Ontario Canada on
the 22nd 23rd and 24th days of February 1890.
Both the National Committee and the
Local Committee at Toronto have
expressed a wish that you shall be
one of the Speakers on that occasion.

I can assure you an extremely pleasant
time and I know you will be delighted
to see the quiet and orderly City, of
its size on the Continent. The City of
Toronto observes the Lord's Day as no
other City I know does. Not a store
or shop of any kind is open and
"We ask only obedience to Law."

L. Edwin Dudley, Secretary.

The Street Cars do not run on Sunday.

Our Committee will gladly defray your expenses and see that you are made thoroughly comfortable from the beginning to the end of the journey.

I most sincerely hope that you will consent to go and speak upon the subject of the enforcement of the laws, especially those placing restrictions upon the liquor traffic. Please say yes if you possibly can.

Very truly yours,

L. Edwin Dudley.

Dear General,

I referred your request that we indicate a subject that you should speak to on the occasion of the 21st Anniversary of the “Lexington Avenue Baptist Church,” occurring Dec. 8th, and at which you kindly consented to be present to address me to the Pastor, Rev. J. L. Campbell. He was sure anything you would choose would also please the people, but off hand mentioned “Christian Aggressiveness,” “Young Men,” and “Christian Soldier.”

With great esteem,

Very truly yours,

Major, General, Col. Howard,

Dear Sir,

My father, Isaac Frederick, he was in the war of 1812. He served in New York City.

He received a Certificate for $60, Oct. 16th, 1859, dated July 4th, 1859, at Albany, for military equipments, which has never been cashed.

I have applied at the Pension Agents, 398 Canal Street, New York, and been told, that they never heard of such a thing, and not knowing

where to go for information, I now apply to you, hoping to ascertain, in what way, I am to proceed, in order to get the money, which the holder of this certificate is entitled to, from the State of New York. Begging pardon for intrusion, if I am wrong, and hoping I am not.

I am sincerely Respectfully,

Mrs. D. A. Wight.

My Dear Sir,

I was very grateful for the opportunity of listening to your address on Monday evening, it was a privilege I have long desired.

I spoke to you concerning the Anniversary of our Young Men's Christian Association with the request that you should deliver the address on that occasion and at your suggestion wrote in relation to the matter.
We have no fixed date for it and so far as we now know any Wednesday evening of January after the week of Prayer would suit me, or if you could not come on Wednesday we might arrange for a Tuesday evening though that is the evening used by the Young People of one of the Churches for their Prayer Meeting. We wish to have the date fixed early so we can prevent as far as possible other engagements for the same evening.

I regretted so much that the Bible Society should have been so unfortunate in selecting an evening when there were as many other engagements for church people to draw them from the anniversary.

Keeping we shall have the pleasure of your presence with us I am

Sincerely Yours

E. Thorne Moore

And you receive a religious paper published for soldiers? What opinion did you form of it? Also, are the Stations of the US Army supplied with religious, illustrated, and other publication, etc.? They could easily be supplied by mail.

my dear ladies,

I have seen Senator Dolph several times and talked with him about Capt. Gray. He said he had used his influence for his appointment and will be glad to do what he can for him. He says the new Senators from Washington will control the appointments and that Senator Flandre recommended the Pursuer of Capt. Gray wished to one of the places (I think Inspector) and he is appointed. He thinks for new Senators it is the time to recommend the place it fits very well and the representation of the State, he thinks it would be as well for me to call...
on see noble as the senators r
the representation will contract

Major General O. O. Howard, U. S. Army.

My dear General:-

Permit me to address you on the subject of Life Insurance.

The Company that I represent is the only Company in America that writes a Policy of Insurance permitting one to engage in the Military or Naval Service in a time of war. This the Commercial Union Life Insurance Company of New York does after two years, without extra premium.

The contract or policy of this Company is short, plain, and simple; devoid of all ambiguity or double meaning. Its rates are the lowest that have ever been put upon the market, and at the same time, are sufficient to produce the wished for result of permanent and absolute insurance.

For instance: At 50 years of age the annual charge for Life Insurance in this Company is $36.34. In the old line Companies $79.90.

The policies issued by this Company are incontestable, non-forfeitable, liberal as to dividends, and participate in whatever profits may accrue.

I know personally a large number of the Directors. They have been my personal or business friends for years. They have all of them attained an enviable position in commercial life, and have amassed fortunes more or less large.

The same energy and integrity, which has produced the above results in their own business should produce a similar one in the Company whose interest they are guarding.

This Company is organized under the laws of the State of New York, has a paid-up capital of $125,000, which is greater than that of the Equitable and many other large Companies.

I believe this will be a boon to the Army and Navy Officers, whose salaries do not permit of saving to any extent, and to whom the future of their families is always more or less a cause of anxiety.

Hoping to have the pleasure of seeing you on Wednesday evening next, at the meeting of the Commantry, I am, Sir, with much respect,
