Maj. Gen. O. O. Howard
Dear friend

I have arranged to go to Washington, on the 15th of this month - to look after the interests of my soldier friends, in the National Games. It is gratifying to know that their interest is increasing on their behalf. Yet much remains to be done, and our organization will not be satisfied with anything less than the removal of the Beer-Saloon. I welcome all advance steps looking to this end.

Is it asking too great a favor

that you will give me a letter
of introduction to the President?
I know he is a wise man,
and is seeking to aid, so far
as he can, in alleviating the con-
dition of the veterans. I cannot
but wish Pres. Harrison were as
pronounced in total-abstinence
principles as you are. Of course,
it takes high moral courage, in
these days, to set one's face against
evil. God bless you, dear Sir,
and all His elect - who love
truth and righteousness!

Yours truly,

HEADQUARTERS DIVISION OF THE ATLANTIC.

Governor's Island, New York City, Feb 8th 1890

Hon. H.W. Flagler,
Ponce-de-Leon,
St. Augustine, Fla.

Dear Friend:

Glad to hear that you have gone to Florida for a little rest though you rest I believe is simply that of change.

The J. St. A. & H. R.R. Co., desires right of way across some Military Reservation near you, which reservation is it, the old or the new? and is it important? Please let somebody reply, and send me an intelligible sketch.

I cannot find the "lines" nor
Orange Street named on the Railway
Bill or concerning it.

As to the street-R.R. Co., I am
very desirous that they leave to us,
where the troops now are, Marion Street;
and so run along our western border.
This will give us the Reservation complete
and we can improve it to comfort
somewhat with your own elegant
improvements, and make that place
together with the Artillery Practice ground
beyond the water something to be
visited by strangers, i. e. a source of
curiosity and interest.

It is a mistake for the city and
the R.R. Company to eat us up

by piecemeal and so drive us
away, in spite of my efforts, from
St. Augustine.

With warmest regards to your
wife, I remain,

My dear Mr. Babcock:-

In answer to your letter and Mr.Flagler's endorsement of same referring to Mr.Howard. I should take great pleasure in giving the gentleman employment if we had anything for him to do, but at present we have not any vacancies nor a place where we could profitably to ourselves put him at work. In all probability the opportunity for employing him will present itself and when it does I shall be pleased to secure his services. I have written ^{it} Mr.Howard giving him the situation and suggesting that if he feel convenient to do so he pay us a visit to get an idea of the situation here.

General O. O. Howard

Dear General

Please accept my thanks for your letter of 3^d instant. Company F, at Mount Vernon Barracks is very unfortunate indeed just now. The captain broke down very suddenly & is before a Retiring Board now. I do not think he will ever be able to do company duty again. The First-Lieutenant was neither born nor made for the army. He is in hopeless financial affairs. He has always been a hard drinker. Late accounts indicate that his health is failing. The Second Lieutenant is a hopeless drunkard & when he is drunk he is only a beast. I cannot say very much in favor of Captain Smith at Jackson Barracks except that, for a few years past, since he got out of his trouble for gambling, he has taken excellent care of his company. He does not drink. His company was in excellent condition

in every way when it went to Jackson
Bomacks, I hope it will be able to
maintain its high character there.
I had heard of some little friction between
the captain & the post commander & had
written to the captain, prior to getting your
letter, & warned him to be subordinate &
patient. I hope he will regard my ad-
monition. A colonel has but little power
to remove or select officers, I will do
the best I can. Whenever the time for
our change of station shall be determined
I hope we will be given notice of it as early
as possible to enable us to prepare with greatest
advantage. Changing stations with large
families is expensive at best.

Very truly yours

the estate matter satisfactorily
& that will liberate the speculate.
I do not understand that they differ-

does not realize what we cal-

good if not forced to foreclose.

Do not mention to Charles what I said about helping him out at Leecurt. You know he has our growing of the Estate sales to pay the entire legacy & help make up. Cousin Olive Hoag had her a Golden Wedding tomorrow. You probably received mine & will write back a few words. Lankford H. Cannon money Boilett. writes that Josie Pinckney has lost his wife leaving a child of three (girl) & is very sad. He lost his property by a bad business enterprise. He lives in Houston Tex. The Washington "Star" only mentioned your name. I did not report your remarks. We were glad to hear from Sarah yesterday that Ferry called with you on the Res. & that he keeps sober. I most congratulated him on his success in fighting out old enemy but have no reply.

Major General A. S. Harward

Dear General

Permit me to explain that when I expressed a wish for my regiment to have the stations now occupied by the 23^d infantry, I understood that that regiment was to be transferred to another department + that two regiments of infantry would probably go to the division of the Atlantic, one to replace the 23^d + one to Governor's Island + other posts. Of course I did not contemplate that the 23^d would be displaced otherwise.

One cause of my preference was a better chance, as I thought, of getting all the companies out of the extreme south where the regiment has been stationed most of the time ever since the war.

Very Respectfully
Your Obedient Servant -
