Major General U.S.A.

Governors Island, N.Y.

My dear General:-

That "same" old friend is still alive  
trusting in His Messiah and trying to do  
all the good amongst his ancient brethren  
according to the flesh. He does not for-  
get to pray for you and others. -

It was my mentioned intention to  
pay you a brief visit in September  
last (after the 15<sup>th</sup>) in order to grasp your  
hand once more and more particularly  
to have your autograph in my bible  
alongside of many "Soldiers of Christ".  
I trust you may kindly affair such  
a memento, for it will make me  
quite happy. - I am happy, the more  
as Jesus loves me, & this I do know.

For I receive many mercies at His gra-  
cious hands. He grants me health and  
strength, a Xian wife & a little Xian  
6 year old daught'r. - How often I have  
had a burning desire to see you again &  
I remember in my early days of conversion,  
how you & myself & the old soldier (I believe  
Wickinson was his name) knelt at the  
same throne of mercy & that was in San  
Francisco, I believe in the year 1875 or  
1876. Hallelujah, God continue to bless you.

Must I have a permit to cross over to  
Governors Island?

Awaiting your pleasure  
I am

Yours truly  
Robert Peck.

Dear Gen. Howard,  
Mamma  
is in New York for a time.  
Wasn't it lovely of her to  
bring me along! also my  
cousin Alice!

We left San Francisco on the twelfth of February and stopped over at New Orleans for the grand carnival.

Our cousin, Admiral Brown, came as far as Los Angeles with us.

I would like so much to see you and

Governor's Island and  
the Statue of Liberty.

Could you drop  
me a line and say on what  
day we could go over to see  
you?

I remember you very  
affectionately,

Your loving little friend,  
Constance Violet Lawrence.

Daughter of Asst. Veterans  
of Mexican War.

Dear General

Your favor is received  
and the Executive Committee will issue the cards  
immediately for Friday March 14 at 8 o'clock.  
The title they understood to be

"General Grant and the battle of Chattanooga".  
The Society would not like to print it in the cards, but  
I shall take pleasure in stating at the meeting that the  
paper read by me previously read at the Loyal Legion.

Will you send a list of friends to whom you  
would like invitation, or shall we present you one  
or two dozen cards to dispose of?

If you received my Grant memoir, sent to  
you on Saturday last, I trust that you found it

well paid, and am sure it will be  
from its present

will give him the ladies of your family  
to see the address, and also invite him to  
Mrs. Grant to be present?

Very faithfully yours

Jas Grant Wilson

Dear Sir: In reply to  
yours of the 1st inst. relative  
to the loss of two saddle  
horses by Genl Howard  
during the Mexican war  
I beg to say that while  
I have an indistinct re-  
collection of a horse ridden  
by the General being aban-  
doned in Lolo Canon I  
cannot at this time call  
to mind any of the cir-  
cumstances attending the  
loss of the animal referred

to. It was a government  
horse, however.

I was not  
with the General at Carroll  
M.T. having left the com-  
mand a few days before  
at Judith Basin to return  
with the Cavalry and mule  
trains to Fort Ellis. so have  
no knowledge of the other  
horse you speak of

Very Respectfully  
Fred E. Abstein
