My Dear Friend, I went  
before a Notary Public and  
made affidavit in accor-

a letter to Messrs S. S. Sampson  
of Pension Office Interior  
Dept. about April 1<sup>st</sup> and have  
anxiously watched the mail  
during the past week particu-  
larly. But no word from  
Pension Office as yet. My  
Dad is suffering & this Smith  
is becoming discouraged  
of ever leaving that malarious  
climate, that he says, he can  
not endure. They are very

anxious to go to his wife's  
brother's home to get the coals  
maintain breeze, and receive  
assistance in the day and  
night care required. He says  
if they do not yet believe his  
condition a very critical one  
they would not believe, though  
one rose from the dead.

As Genl. Ransom remarked,  
in one letter, "That he had not  
found in that Office suffi-  
cient evidence, for raising the  
pension desired," or words  
to this effect. Consequently I  
think, he would require  
another examination. Hence  
the necessity of haste, as there  
is strong indications of dis-  
solution in the near fu-

We are to have the formal dedication on May 19<sup>th</sup> when our new Church Building is to be dedicated to Almighty God. The Wallajah Chorus from the Oratorio of the Messiah, will close the services of the afternoon.

The Pastor & Session request me to ask you as a great favor to be present on that occasion and make an address to the united Sunday Schools. It will cheer us up, and give us much encouragement as we begin the work in our new building. I enclose a brief sketch of the Church's history.

Mrs A. H. will write to Mrs Howard. After your service in the morning at the Broadway Tabernacle you can take the Elevated Road up to 81<sup>st</sup> Station. Dear General:

No doubt this

coming as it does from  
one who has not seen  
you for years. I have  
a recommendation before me  
now that you gave me  
in 1874, the following is  
a correct copy:

Washington D.C.

August 5, 1874.

Mr. Peter Harvey has been  
long a messenger in my  
office. He lost his left arm  
in the service of his country.  
He has been always at his  
post of duty, always upright  
in his conduct, while with

me, and I presume from  
his appearance ever before.  
I commend him highly;  
and trust that he and his  
family may ever find  
favor and blessing among  
my friends and the friends  
of our country.

O. O. Howard,

Brig. General U.S.A.

Now I am going to ask  
you to do me a favor  
if you possibly can.

My family consists of  
myself, wife and five children  
the oldest twenty-three and  
the youngest thirteen; the  
one I wish to speak  
of in particular is a  
son not yet twenty. He  
has stopped going to school  
and is desirous of learning

a trade, and I hope he  
may secure a good one.

I understand that a  
number of apprentices are  
to be taken on ~~the~~ shortly  
at the Bureau of Engraving  
and Printing to learn the  
Plate-printing business, and  
the favor I ask is that  
you use your influence  
to secure him a place  
as an apprentice at the  
Bureau. Perhaps I am  
asking too much but  
trusting that you will  
assist me I remain

Your Obedient Servant

Peter Harvey,

At present no member of  
my family is employed

Dear Phil Howard

Thanks for

your kind note

After writing you  
yesterday I read  
with great interest  
and profit your  
admirable article  
on "Rusians" which  
you were good enough  
to send me.

It seems to me  
must join the  
Olden & to contain

Everything they could  
claim

I cannot  
understand the  
criticisms upon it  
except from the  
fact that the  
claim agent &  
those working with  
them are determined  
to bleed the country  
for their own profit

I am sorry you  
could not be present  
at the meeting &  
the Evangelical Alliance  
held this afternoon  
I was the most

important & valuable  
meeting we have  
ever had -

A large number  
of distinguished men  
from out of town  
were present & the  
whole impression of  
the gathering most  
hopeful -

I hope we shall  
have a meeting of  
the Executive Committee  
soon & will send  
you notice in time

Most cordially Y's

W. D. Dodge

Maj. Genl. Howard

Dear Sir

My interview with you yesterday was so brief, that I am afraid I did not sufficiently state all about our Sabbath School. Our Anniversary is held the first Sabbath in June, this year - June 1<sup>st</sup> at 7 1/2 P.M. I enclose a time table on the Central R. R. of N. J. from foot of Liberty Street - Sunday trains - We will be delighted to have you spend the Sabbath with us, but if you desire to leave N. Y. on that evg, you can leave on the 6<sup>30</sup> train & arrive at Elizabeth at 7<sup>15</sup>. It is the greatest day in the year for our Church & School, every available nook & corner are crowded & hundreds turned away. The

School is the Westminster Presbyterian, & the Anniversary is held in the Church. We have always had the best speakers obtainable. Pres<sup>dt</sup>. Garfield had promised to speak during his term. Gov. Beaver of Penn. also Secty of State Frelinghuysen spoke to us. Dr. Ormiston - Dr. Schauffler &c. &c. You will be the only speaker, and say from 20 to 25 minutes in length. This year the School will sing the Hallelujah Chorus, from the Oratorio of the Messiah. I think our School is the only one in the Country that can do it. For three years our School gave more to Foreign Missions than any other S. S. in the United States.

I send herewith, the Elizabeth Journal with an account of our last Anniversary. It will let you see, what is reported of us. I also send you one of our last year's programmes. I hope nothing

will interfere to prevent you coming to us.  
Of course you will be duly announced & your  
name printed in our programme. I do not  
mean to flatter you, when I say, that the  
simple announcement that General Howard will  
deliver the address - will of itself, be sufficient  
to crowd the Church, as it never has been  
packed before. I know you are like Paul  
in "labors of it" & your hands & heart are full.  
but I do most earnestly hope, that Nothing  
will prevent you being with us.

Will you remain over night? What train  
will you come out in? If you have any  
wish about any of these things, please inform  
me, & we will be only too happy to follow your  
desire.

Yours very truly  
John Davidson
