Dear father

Mr. Treat's telegram &  
letter came after you left  
and I opened them. I found  
Janie at the Queens where I  
returned <sup>from Lewiston</sup> as she took the  
same train from Syracuse  
that you had taken.

I have been into the building  
question at Fort Niagara quite  
thoroughly and have written  
the Secretary of War giving him  
the following figures.

For Administration Bld., including  
Drill Hall etc. \$9570.00 Same  
exterior as present Company Qrs.  
Guard House \$2950. — Brick  
Barr \$3229.22. Repairs of old  
officers quarters \$564.30.  
Total 19,343.52. This would  
put the post in very decent  
shape and make everything  
uniform. I also have told  
the Post Q.M. to make out  
estimates for draining the  
range & some small repairs  
to the buildings, so as to have  
everything in good shape for  
another year.

I expect to take Marie to Buffalo  
tomorrow morning and Jamie  
and I will go to Toronto  
in the evening. We will  
probably leave there Thursday  
afternoon by steamer and  
go right through to Quebec  
reaching there Saturday and  
spend Sunday at the Russell  
House where we hope to receive  
letters from home. Our telegraphic  
address in Toronto will be the Queen's  
Hotel. We will then go to  
Plattsburgh N.Y. and will inquire  
for mail at the post (military).

the site of the "Mansion

and I first went salt-  
water fishing together in  
1848. There are two large  
hotels - scores of cottages

trip after a walk over "Fort

and spent the night

Do you remember that  
we rode down & spent

were disappointed that  
the preacher who was  
to stay was so much  
of a "boy"! But God used  
the weakness & ignorance  
of the boy.

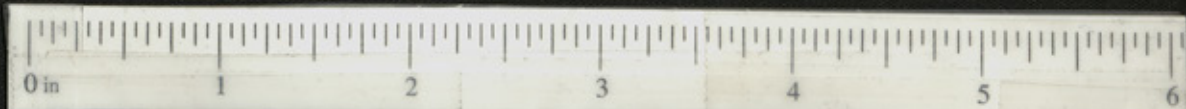

I preached with Mr

I heard him preach

My home is always with

as I have always in  
the little chamber under  
the Con roof in one of  
the two beds like those  
at South Leeds.

A friend drove me

Dear General

Yours, as well as Lieut  
Swato's was duly received, but I fear the  
expense will place the matter beyond our  
reach. We wish to have the lecture in our  
parent Church, so as to have the benefit  
of the Organ & Choir, and as it will  
seat only about two hundred and fifty  
people, ~~and~~ the expense would take all the  
receipts, and there would be nothing left  
to help build the new church, which is  
the prime object of the movement. Perhaps  
later we may think best to use the barn  
hall, and do without the music, and  
if so, we shall try and have you come.  
Thanking you for your kindness in reply-  
ing so promptly, I remain

Dear General

I have, as well as I can,  
done my duty, but I fear the  
expense will show the matter  
up. We must be careful in our  
plans, and as to the  
of the Organ & Choir, and as it will  
not only cost \$200 but also  
perhaps \$100 the expense would be all the  
expense, and then we must be meeting up  
to help build the new church, which is  
the future of the movement. I hope  
that we may think that it is the  
best, and as I think the money  
if so, we shall try and have you  
thank you for your kind  
and in sympathy & esteem

My dear General:-

I spoke to you some time ago about reading to us at the Loyal Legion one evening this winter your paper of Personal Reminiscences of General George H. Thomas. I did not expect you to read that paper to us at the October meeting, for the reason that that is the only evening during the winter when the Supreme Court of the United States will not be in session and I want Judge Harlan to read a paper to us once during the winter. I write now to ask whether in case Judge Harlan cannot be ready by October first you will kindly read your paper to us on that evening? Please let me hear from you, and much oblige,

Yours, very truly,

I should think the Custom

It affords me great

I am to study up and write  
"specials" on definite topics

I have already written about

I have delayed in informing you
