C.C. Howard, Major General U.S. Army,
Foremost Island, New York City.

General:

Referring to your letter of 25th instant, with regard to Mr. Brolb, I am led to say that the telegraph foot cannot well be managed here.

As a special case, and legal enough, as far as that goes, I will give a pass for the gentlemen, wife, and nurse, from Buffalo to Chicago, (I cannot take it in Milwaukee), and will add one from Albany to Buffalo if that is not already arranged with the N.Y. Central to which road I am primarily attached.

Very truly,

E. H. Wooten.
General Howard,

Will you and
your details of officers,
whom you may select,
meet the Count de

whom he knew in the

Can we gather together
now? I have
Confidential letters from
him, and will enter
him October fourth.

Very sincerely yours,

Major General O.O. Howard
Honorable Secretary

Dear Sir:

At the time approaches when a vacancy in the position of Adjutant General of the Army will occur and as I am the next in rank, it is important that I do what I can to guard my interests in this matter. In order to do this I am very anxious to place an old letter from you in my behalf as one of the ranking officers of the Army. If you feel that you can justify

give me a letter of the recommendation in favor of the position I will be most grateful and in this event will be most grateful for any other assistance that you can extend to me in the matter. If however you cannot write a letter on such assistance I beg your will without hesitation to do so.

Very Truly Yours
R. Williams.
General O.O. Howard.

My dear General:—

I have been hoping to hear something from you relative to a sale of my land, either to yourself, or to your cousin, but up to this time nothing has come to hand. Now General, I am exceedingly anxious to dispose of those 320 acres, as I am in straightened circumstances financially, and must raise some money, even though I am obliged to sacrifice my land to do it. At $6.50 an acre I am selling the property way below its actual value. Mr. Gerald, one of the traveling auditors of the Southern Pacific Co., was offered $10. for Sec. 17 in the same township, but refused to sell at that figure. Mr. Gerald told me this within a week, and the offer was made quite recently. You have been on my land, and know just how it lies, and the quality of the soil, etc. If I can't sell to you, or to some of your friends, who in the world can I sell to? Instead of paying up for the land you own in Kern and San Diego, would it not be better to take my 8 section off my hands? You may be sure of the fact that you will not have as good an investment offered you in California, for sometime to come.

Trusting to hear from you soon and favorably, I remain,

Yours Very truly,

J.H. Northup.

Dear Brother,

Your kind letter of September 18th was received.

Kitty has decided to accompany me to Lake Mohonk, leaving here Monday at 12:20 on the North Shore limited, reaching Poughkeepsie at 1:55 P.M. of Tuesday. I have thought it possible you and Lizzie might be going up and we could meet at Poughkeepsie, cross the River and go from New Platz Landing to Lake Mohonk together. I wish it might be so. The reason we go that way rather than by the West Shore is that we have our transportation that way. If, after the conference, you are still all well at Governor's Island and want us to go back with you for a day or two, we shall be very happy to do so. Not the least among our gratifications will be to see Jamie, Adelheid and particularly the little Hildegarde.

Affectionately,

E. H. Howard

Mr. President:

Your kind letter of September 18th was received.

Kitty has arranged to accompany me to take Monopoly. Leaving here Monday at 12.30 on the north shore train, I hope to get here at 3 P.M. on Tuesday. I have found it impossible to join you and I have wished to know if we could meet at Panmure to discuss the matter before that date. I wish to go from New York landing to take Monopoly together. I wish to print the trip so the reason we go there may be recorded by the West Shore.

To that end we have an arrangement that may fit. If we can agree upon the words the letter shall contain, I will sign them. We will then be very happy to go so.

Let your own arrangements follow as to see you Angell and be particularly the little Hinde

Dear General,

With regard to your note of Sept. 25th. concerning the case of Lieut. Guy W. Preston, 9th Cavalry, it gives me pleasure to say that we are exceedingly short of officers at Fort Myer in consequence of the small garrison, the deaths of Capt. Parker and of Lieut. Elliott, and the absence on leave of Lieut. Reden.

Copy enclosed to Mr. Suppes.
and I would like very much to
have Lieut. Preston assigned to
duty here. I would like to
have one officer transferred from the
4th Cavalry in place of Lieut. Elliott,
who applies to go to Fort Sherman
for the benefit of his health, and
to have Lieut. Preston and another
Young officer in addition.

Very respectfully,

L. Harperee
Major of Cavalry

Dear Brother,

Some time ago, the widow of George F. Marble, whom you will remember as my clerk, wrote me that if she could get endorsements from myself and you, she thought she could obtain a position in the office of the supervising architect. I have written the enclosed letter and send you for your endorsement. I think both Secretary Windom and Assistant Secretary Gen. Nettleton, who is a personal friend of mine, would be glad to give Mrs. Marble the place if there is a vacancy as she seems to think. I leave it entirely to your discretion as to further endorsement, but would suggest that when endorsed you mail the entire package to Mrs. Mattie A. Marble, No. 704 B. St. S. W., Washington, D. C. Afte the observation.

Affectionately,

O. H. Howard

P. S. On reference to the invitation, I find that the Lake Mohonk conference is on the 8th, 9th, and 10th of October instead of next week as I had supposed, so we will start just a week later on Monday the 6th, reaching Poultney the 7th at 1:55 A. M.
“Cragside.”

Dear Sir:

The committee, in accordance with the wishes of the ‘Comité de Paris’ have fixed October 20th as the date for the dinner to be given him by his former comrades in the Army of the Potomac.

It has been decided to present him on that occasion, engrossed in an album, the military record of the subscribers, which of course has been changed very much by promotions and service since he was with us.

Kindly send to Col. W. C. Church, Army and Navy Journal, N. Y. City, your record of commissions, service, battles, etc. for this purpose, as soon as possible, that the same may be properly prepared.

Please send also your correct address, that you may be advised of the hour and place selected for the dinner.
