GRAND CENTRAL DEPOT,
NEW YORK.

Sept. 25 1890

O. C. Howard, Major General U.S. Army,
Soreno's Island, New York City.

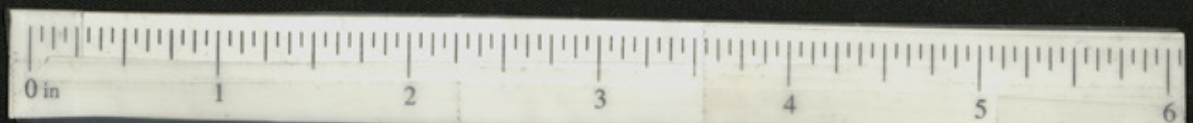

General:

Referring to your letter of 23rd Inst., with regard to Rev. Mr. Briob, I beg to say - that the half ticket rate cannot well be managed here.

As a special case, and legal enough so far as that goes, I will give a pass for the gentleman, (a wife and nurse, from Buffalo to Chicago, (I cannot take in Milwaukee), and will add one from Albany to Buffalo if that is not already arranged with N.Y. Central - to which road I am primarily attached.

Very truly,
Ed Worcester
Vice Pres.

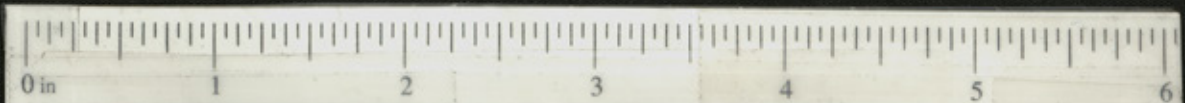

One condition - that nothing be said to anyone about it.
Talking about the thing makes much trouble.

General O.O. Howard,

Governor's Island, N.Y.

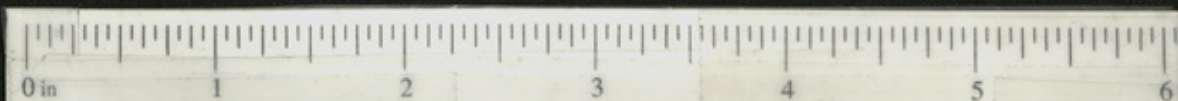

My dear General:-

I have have been hoping to hear something from you relative to a sale of my land, either to yourself, or to your cousin, but up to this time nothing has come to hand. Now General, I am exceedingly anxious to dispose of those 320 acres, as I am in straightened circumstances financially, and must raise some money, even though I am obliged to sacrifice my land to do it. At \$6.50 an acre I am selling the property way below its actual value. Mr. Gerald, one of the traveling auditors of the Southern Pacific Co., was offered \$10. for Sec. 17 in the same township, but refused to sell at that figure. Mr. Gerald told me this within a week, and the offer was made quite recently. You have been on my land, and know just how it lies, and the quality of the soil etc. If I can't sell to you, or to some of your friends, who in the world can I sell to? Instead of paying up for the land you own in Kern and San Diego, would it not be better to take my section off my hands? You may be sure of the fact that you will not have as good an investment offered you in California, for sometime to come.

Trusting to hear from you soon and favorably, I remain,

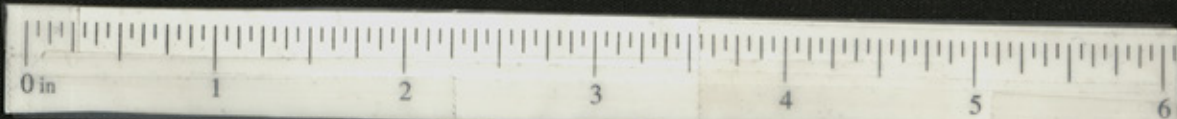

Yours Very truly,

J. M. Northrup.

Dear Brother,

Your kind letter of September 19th was received.

Kitty has decided to accompany me to Lake Mohonk, leaving here Monday at 12 -20 on the North Shore limited, reaching Poukeepsie at 1 -55 P.M. of Tuesday. I have thought it possible you and Lizzie might be going up and we could meet at Poukeepsie, cross the River and go from New Platz Landing to Lake Mohonk together. I wish it might be so. The reason we go that way rather than by the West Shore is that we have our transportation that way. If, after the conference, you are still all well at Governor's Island and want us to go back with you for a day or two, we shall be very happy to do so. Not the least among our gratifications will be to see Jamie, Adelheid and particularly the little Hildegard.

Affectionately,

Dear General.

With regard to your
Note of Sept 25. concerning the
case of Lieut Guy H. Preston
of Cavalry. it gives me pleasure
to say. We are exceedingly
short of officers at Fort Myer
in consequence of the small gar-
rison, the sickness of Capt Parker
and of Lieut Elliott, and the
absence on leave of Lieut Reber.

and I would like very much to
have Lieut Preston assigned to
duty here. I would like to
have an officer transferred from the
4 Cavalry in place of Lieut Elliott,
who applies to go to Fort Sherman
for the benefit of his health, and
to have Lieut Preston and another
young officer in addition.

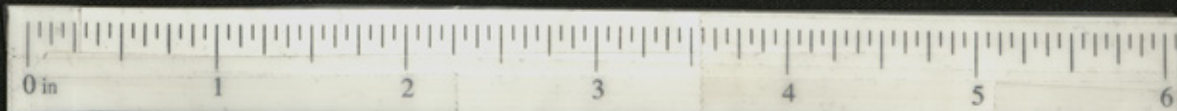

Very Respectfully.

Dear Brother,

Some time ago, the widow of George F. Marble, whom you will remember as my clerk, wrote me that if she could get endorsements from myself and you, she thought she could obtain a position in the office of the supervising architect. I have written the enclosed letter and sent it to you for your endorsement. I think both Secretary Windom and Assistant Secretary Gen. Nettleton, who is a personal friend of mine, would be glad to give Mrs. Marble the place if there is a vacancy as she seems to think. I leave it entirely to your discretion as to further endorsement, but would suggest that when endorsed you mail the entire package to Mrs. Mattie A. Marble, No. 704 B. St. S. W., Washington, D. C. *and the on present the papers in person.*

Affectionately,

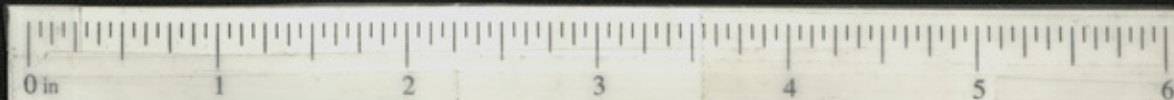

C. H. Howard

P. S. On reference to the invitation, I find that the Lake Mohonk conference is on the 8th, 9th, and 10th of October instead of next week as I had supposed, so we will start just a week later, on Monday the 6th, reaching Poukeepsie the 7th at 1 - 55. P. M.
